Flood Contingency Plan-2026-2027

PREFACE

The District Flood Contingency Plan,2026-2027, Morigaon is a comprehensive document detailing the preparedness and modalities to cope with floods that may occur at the onset of monsoons in the District. This plan details out the guidelines for the District Disaster Management Authority who will discharge their duties in the event of flood. The plan has highlighted the roles and responsibilities of all the line departments who are the first responder before, during and after a disaster(Flood). Further, the Incident Response Team (IRT) will be activated immediately during the occurrence of the flood.

This document also addresses the disaster risk reduction issues of all the line department for mitigation.

I am thankful to all the Addl.District Commissioners, the Circle Officers, District Project Officer, DDMA, Field Officers(DM), Morigaon and all the District & Sub-Divisional heads of line departments and other organizations who have extended their assistance and contributed in the preparation of the District Plan

Flood Contingency Plan-2026-2027

CHAPTER- I

INTRODUCTION

This contingency plan covers the planned activities to be undertaken during floods in the monsoon in the district. It is found that most parts of the district receive normal to above rainfall in between the month of May and October. However, based on the previous experience, the occurrence of above normal rainfall may precipitate the occurrence of excessive rainfall or flash flood in low lying areas of the district.

The Contingency Plan is based on the previous experiences of flood and action taken for mitigation. The Contingency Plan shall be implemented at three stages i.e. before the flood, during and after the flood. Preparedness activities have been undertaken by all the Line Departments by assessing the vulnerable locations. The Revenue Circles are categorised as Zones in the plan and the Gaon Panchayats are categorised as Sectors. At the village Level, village level relief committees have been formed. Further , the role of each and every department before, during and after flood is clearly outlined in the plan.

In order to ensure a coordinated response, assistance is provided to those carrying out activities such as coordination with local authorities ,transport of essential supplies to affected areas and pre-determined locations (relief centres).

The objective of the Contingency Plan is to effectively minimise the impact of flood on human and bovine population, agriculture and livelihood and the environment.

OBJECTIVE OF THE PLAN

The Plan aims to address the following

- i. Improve the management and coordination of preparedness, response and rehabilitation arrangements.
- ii. Improve early warning information sharing to ensure effective response
- iii. Ensure timely resource mobilization and response.
- iv. Reduce the risk of secondary hazards i.e. water borne diseases. Ascertain the zone based level of impact of flood
- v. Ascertain the type and quantities of assistance to be required as a result of the emergency
- vi. Identify and define roles and responsibilities of all partners in emergency response
- vii. Utilise emergency and recovery assistance as baseline towards building long term interventions

FORMULATION

The Flood Contingency Plan has been formulated by taking inputs from all the Revenue Circles, Block Development Offices , District & Sub-divisional line departments.

Flood Contingency Plan-2026-2027

GENERAL PROFILE OF MORIGAON DISTRICT

Morigaon District is one of the smallest districts of Assam with an area of 1450.02 Sq. Km. and created in the year 29/09/1989. It is bounded by the mighty Brahmaputra River on the North, Karbi Anglong District on the South, Nagaon District on the East and Kamrup District on the West. It extends from 26° 15' N lat. to 26° 5' N lat. and 92° E log. to 95° 5' E longitude.

PHYSIOGRAPHY

The topography/ physiography of Morigaon district is more or less plain in nature. A few hills and hillocks break the general evenness of the district's monotonous topography mainly on the southern boundary of the district.

CLIMATE

The climate of the Morigaon district can be classified as Sub-tropical Monsoon climate

Annual rainfall : Ranges between 150 cm to 260 cm.

Average humidity: 75%

Temperature : Max. 37° - 39°C; Min. 6° - 7°C

SOIL

The soil of Morigaon district consists of newer alluvium on the northern part of the district (on the southern bank of Brahmaputra River) and older alluvium near the hillocks and far away from the river. The valley soils are mostly of built-up nature composed of alluvium materials. The soil coming down from the hills are mainly heavy textural soil mostly of sandy to sandy loam and are acidic in nature.

RIVER AND WATER BODIES

The mighty Brahmaputra flows along the northern boundary of the district. Killing, Kollong and Kapili rivers are the important tributaries that flow through the southern part of the district. The district has various wetlands such as the Charan bil, Dondua bil, Solmari bil, etc.

VEGETATION COVER

Morigaon district is endowed with rich natural vegetation which are of two types- Tropical moist and dry deciduous forest and grasses.

DEMOGRAPHIC PROFILE

The Morigaon district having an area of 1450.02 sq. km. accounts for about 1.85% of the state's total area. The district has a population of 9, 57,853 persons as per 2011 census (3.07% of Assam's total population), out of which 4,85,328 are male and 4,72,525 are female. The sex ratio in the district is 974. Population density in the district is 618 persons per sq. km. Most of the people in the district live in rural areas (about 92.35%) and only 7.65% are urban population. The literacy rate of the district is 69.37 %.

Flood Contingency Plan-2026-2027

ADMINISTRATIVE SET UP

Morigaon district has one Sadar Sub- Division and there are 5(Five) Revenue Circles as shown below with number of Revenue villages:

- 1) Morigaon Revenue Circle = 162 Revenue villages.
- 2) Mayong Revenue Circle = 177 Revenue villages.
- 3) Bhuragaon Revenue Circle = 122 Revenue villages.
- 4) Laharighat Revenue Circle = 103 Revenue villages.
- 5) Mikirbheta Revenue Circle = 65 Revenue villages.

There are 5(Five) Development Blocks in the District-

1. Bhurbandha Development Block
2. Kopili Development Block
3. Mayong Development Block
4. Laharighat Development Block
5. Bhuragaon Development Block

Flood Contingency Plan-2026-2027

CHAPTER II

FLOOD HISTORY OF MORIGAON DISTRICT

Morigaon being located in the flood plains of the River Brahmaputra and its tributaries i.e. Killing, Kollong and Kapili rivers is known for its ferocity and extent of floods. The details of the onset of the flood since 2014 is given below :-

Niz-GhaguaMouza	Arup kr Das	Secty, Garmari GP	7896494313
	Dipak kr Hazarika	Secty, Ghagua GP	9435065527

Duties and responsibilities of Sector Officers:-

1. The Sector Officers will keep a close watch over their respective areas and report to the Circle Officer regarding the status of the embankments, connecting roads and bridges, areas and population likely to be affected by flood.
2. The Lot Mandals will keep in constant touch with the Sector Officers of their respective areas along with the Lot Goanburas and GP Secretaries during the relief and rescue operations and ensure the proper posting of the country boats.
3. The Field Officer (DDMA) will collect report about conditions of the embankments, medical and veterinary needs, damage to communication, agriculture etc and shall report to the Circle Officer on a regular basis. They shall also submit their requirement of country boats or vehicles for requisition for relief and rescue operation.
4. The Field Officer (DDMA) shall liaise with the SDRF, police and also army for carrying out search and rescue operation.
5. Further, the teams should also co-ordinate amongst the line department and ensure that composite teams comprising of medical, veterinary, PHC personnel visit the affected areas as well as relief camps jointly for restoring normalcy at the earliest possible. They should also involve the community at all stages especially for day to day running of the relief camps.
6. They shall ensure that the procedure laid down under the District Disaster Manual is strictly followed and APRs for the GR etc. distributed are collected and submitted on time.
7. Detail report of Flood damage will be compiled for post flood reconstruction and rehabilitation. The Zonal Officer shall assess the extent of damages through the field staff for preparation of rehabilitation grant proposal etc.

Operating Procedure for relief and Rehabilitation:

The LR staff will assess the damages caused to the people and submit the list of partially and fully affected villages as per existing guidelines and submit the report to the Circle Officer for onward submission to the DDMA. The Gaon Pradhan and local PRI will also assist the LRA staff in the field level assessment of the damages.

LRA staff will prepare and submit proposal for assistance against house damage under SDRF immediately during the flood.

All line departments will prepare and submit proposal under SDRF for temporary restoration on

Flood Contingency Plan-2026-2027

immediate nature against the damage caused to the infrastructure for restoration of normalcy immediately as per SDRF norms.

All the departments will integrate their on-going departmental development projects / schemes where possible for restoration of the damages caused due to flood. All departments will incorporate flood mitigation measures in their developmental plans and schemes under SDRF by involving local community.

During flood, relief and other items and their quantity would be given according to the relief manual per adult and child. All staff of circle office have to stay in the circle jurisdiction for 24 hours during flood. In case of flood causality RG proposal by the LR Staff and the Field Officer (DDMA) would be proposed immediately.

(Circle Disaster Management Committee) under Mayong Revenue Circle

Members:-

1. Circle Officer, Mayong Revenue Circle (Chairperson)
2. Circle Officer (A), Mayong Revenue Circle
3. Field Officer, Disaster Management, Mayong Revenue Circle(Member-Secretary)
4. Supervisory Kanungo, Mayong Revenue Circle
5. The AEE- PWD(R) ,Jagiroad Sub-Division
6. The ADO-Agriculture, Rajamayong/Gosorguri/Jagibhakatgaon/Jagiroad
7. The AEE-PHED, Morigaon
8. The AEE-WRD- Jagiroad Sub-Division
9. The SDE-APDCL, Jagiroad/Jhargaon Sub-Division
10. The BEEO, Mayong Block
11. The SDM&HO-Jhargaon Medical
12. The Block Veterinary Officer, Bhakatgaon Veterinary
13. The BDO-Mayong Development Block
14. The Forest Ranger, Pobitora Wildlife Sanctuary
15. The CDPO, Mayong
16. The Station Officer, F&ES Mayong
17. The OC of Mayong/Jagiroad/Morigaon Police Station
18. Dealing Assistants of Mayong Revenue Circle
19. All Land Record Assistants of Mayong Revenue Circle

The Duties & Responsibilities of CDMC are as follows-

1. Design and implement awareness generation activities on Disaster Management.
2. Review and monitor the preparedness of Govt. departments and agencies on Disaster Management.
3. Provide feedback to DDMA and extend cooperation in implementation of Disaster Management activities.
4. Plan, implement and monitor relief and rehabilitation operation.
5. A whatsapp group of CDMC has been created for smooth co-ordination amongst all the line departments.

Flood Contingency Plan-2026-2027

FLOOD CONTAININGENCY PLAN - 2026-27 LAHARIGHAT REVENUE CIRCLE FOR 2026-2027

Introduction of Laharighat Revenue Circle

The Laharighat Revenue circle was established in 1971 by bifurcating Dhing Revenue Circle of Nagaon district. Later on, the Laharighat Revenue circle was again divided into two circles namely Laharighat Revenue circle and Bhuragaon Revenue Circle. The Circle office is situated 103 Kms. from state HQ and 27 kms north from district HQ Morigaon. The Circle is in the border of Morigaon district and Darrang district and bounded by Dhing Revenue Circle of Nagaon district and Mikirbheta Revenue Circle towards east, Bhuragaon Revenue Circle towards west, Morigaon Revenue Circle towards north and Brahmaputra River and Darrang district towards south. Altitude—64 meters above sea level. The land area under the Circle is **165484 Bigha 1 Katha 5.5 Lessa** and the land washed away by erosion is **51735 Bigha 4 Katha 3.5 Lessa** (which includes settlement land + Government land). The total Number of families under the Circle is **46445** and the total population is **256008** which consist of **138004 men and 118004 women**. The Circle office is situated in Government Dag No. 205 under Rajagadhua village of Laharighat Mouza.

Flood Hazard Zone

The river Brahmaputra is the main river which causes flood in Laharighat Revenue Circle. The river Brahmaputra is situated on the north of the Revenue Circle. There are 21 Nos. of fully vulnerable flood affected villages in Laharighat Revenue Circle. There are another 53 Nos. of vulnerable villages in case of flood if the existing embankment breaches.

Operating Procedure for relief and Rehabilitation:-

The LRA staff will assess the damages caused to the people and submit the list of partially and fully affected people as per existing guidelines and submit the report to the Circle Officer for onward submission to the DDMA. The Gaon Pradhans and local PRI members will also assist the LRA staff in the field level assessment of the damages.

The representatives from line department's viz. Agriculture, PWD, PHE, Water Resource, Animal Husbandry, Education, Health, Irrigation, Fishery and Social Welfare department of Morigaon will accompany LMs during damage assessment.

LRAs will prepare and submit proposal for assistance against house damage under SDRF within 15 days of receding of flood water.

The Agriculture, Fishery, Sericulture, Handloom and Textile, Diary department will submit proposal for assistants to the farmers & weavers under SDRF as per norms within 15 days of receding of flood for approval of DDMA. They will ensure insurance of the crops and live stokes.

Representative of Inspector of Schools, DEEO, Morigaon will approach the Circle Officer for assistance under SDRF against the damages caused to the school buildings.

All line departments will prepare and submit proposal under SDRF for temporary restoration on immediate nature against the damage caused to the infrastructure for restoration of normalcy in the district within one month from the date of occurrence.

Flood Contingency Plan-2026-2027

All departments will integrate their ongoing departmental development projects / schemes where possible for restoration of the damages caused due to flood. All departments will incorporate flood mitigation measures in their developmental plans and schemes under SDRF by involving local community.

CONTINGENCY PLAN FOR PROBABLE FLOOD DUE TO ACTIVE EROSION AT MIKIRGAON, LERUWAMUKH AND KATHONI POINT

As there is active erosion at Bogolipara gaon, Leruwamukh and Kathoni under Laharighat Revenue Circle it appears to be wise to prepare an evacuation and contingency plan. As per survey report of the LMs the affected areas may be categorized in of three.

Most Vulnerable villages:-

There are eight numbers of villages under this category: Rajagadhua, Bogolipara gaon, Bogolipara pather, Chetuaikhaity, Kathoni and Bhuyabari pather, Bhajkhaiti and Leruamukh.

Moderately Vulnerable villages :

There are ten numbers of villages under this category: Dhupguri, Sationtoli, Batobori, Jengorbori, Dewaguri, Titatola, Borangoni Pather, Lowbhurunga, Mahdola and Salsinga.

Vulnerable villages :

There are ten numbers of villages under this category: Kacharibori, Duwamari, Udkati, Buwalguri, Lelabori, Laharipam, Mohmora, goroimari, Chenimari and Dakhin Chenimari.

Evacuation Plan:

The evacuation plan primarily relates to the first category i.e. most vulnerable villages covering six villages. As such arrangement has been made for shifting of people of these villages to the following places.

1. Kathoni High School., 2. Kathoni M.E. School, 3.Sialmari High School, 4.Laharighat Junior College, 5. Rajagadhua L.P. School, 6.Rajagadhua Senior Madrasa, 7.Laharighat High Secondary School, 8.Laharighat L.P. School, 9.Moirabari College, 10.Any other high lands nearby.

Flood Contingency Plan-2026-2027

All the LMs have already been instructed to take necessary action to alert the people nearby river area through the Gaonbruha and VLMCC members. They are also instructed to take necessary action for shifting of the people when required to the high lands and other instruction through Gaonbruha and VLMCC members. They have also been directed to organize a meeting of VLMCC in connection with preparation of shifting of people to the safe places.

SDRF with their boats and other equipment's to be kept in ready position for rescue and relief operation. The support of local NGOs will be taken for rescue and relief operation. Medical teams are also in ready position with the required medicines. Veterinary officials have been instructed to take necessary arrangement for shifting of livestock to the safe places.

20 nos. of local boats (big and small) have already been identified for immediate rescue and relief operation. SDRF teams should be in ready position with rubber boats, divers etc. to immediate rescue operation

Relief Camps:-

30 numbers of relief camps have been identified with briefing to the Camp-in-charge

G.R. Stock and Distribution:-

Community hall, BDO office, Laharighat P.S. is identified for stock and GR distribution point.

Road for G.R. carrying:-Morigaon to Laharighat via Borchala and Moirabari.

This plan is not exhaustive and subject to change with situations.

Flood Contingency Plan-2026-2027

FLOOD CONTAINGENCY PLAN - 2026-27

MORIGAON REVENUE CIRCLE FOR 2026-27

Introduction of the Revenue Circle:-

The Morigaon Revenue Circle was established in 1968 after separation from Raha Circle Office of Nagaon District. The Circle is situated 100 meters East from District H.Q. and surrounded by Mayong Circle towards West, Mikirbheta Circle towards East, Bhuragaon Circle towards North-West, Laharighat Circle towards North and Raha Circle of Nagaon District towards South-East.

Brief Note about the Revenue Circle:-

Morigaon Revenue Circle consists of 4 (Four) Mouzas namely Uttarkhula, Niz-Tetelia, Dandua and Morigaon. Of these three Mouza i.e. Uttarkhula, Dandua and Morigaon are mainly flood affected. Flood in Uttarkhula Mouza is caused by river Kolong, Kapili while in Dandua and Morigaon it is due to River Brahmaputra.

To oversee the flood relief in Morigaon Rev. Circle, the entire flood affected areas are divided into 2 (Two) sections.

Circle Officer will be overall in charge of the entire Circle and she will be assisted by Sector Officers. The Sector Officers will keep close liaison with C.O. and report from time to time about the area flooded and people affected. On the basis of their reports requisition of G.R. etc. will be prepared and procured from D.C. Morigaon accordingly. They will perform their duties in coordination with various cells. All Lot Mandals will look after their respective lot area along with concern Gaonpradhan.

Sector – I : Sector Officer B.D.O, Kapili Dev. Block

Sector – II : Sector Officer B.D.O, Bhurbandha Dev. Block

Flood Contingency Plan-2026-2027

Flood Hazard Zone :-

The rivers Kolong, Kapili and Brahmaputra are the main rivers which causes flood in the Morigaon Revenue Circle. Kolong and Kopili rivers flow through the southern part of the Revenue Circle, the Kolong joins Kopili at the Jagi Dui Khuti Mukh and from there they flow into the Brahmaputra river which flows through northern part of the Revenue Circle.

- (A) **Most Vulnerable villages:-**If the Brahmaputra river overflows or embankment breaches occur in Laharighat or Bhuragaon revenue circle areas then 15 (Fifteen) nos.of most vulnerable and low-level villages under Morigaon Rev. Circle will get submerged by flood and it will affect approx. 15,500 nos. of population of 2,808 nos. of families. The most vulnerable villages are listed below –

Sl. No.	Villages	Population			
		Family	Adult	Minor	Total
1	Kanfolabori	220	1010	162	1172

Circle Level Relief Committee:-

Sl.No.	Name	Designation	Contact No
1.	Sri Kongkon Jyoti Saikia	ACS, Circle Officer, Morigaon Revenue Circle	9859366776
2.	Sri Hareswar Das	SK, Morigaon Revenue Circle.	7578081755
3.	Sri Bhaben Chandra Das (OC)	OC, Morigaon Police Station	9954173858
4.	Sri Partha Pratim Dutta	I/C, Nellie Out Post	8638361331
5.	Dr. Nilutpal Kakati	Morigaon District Vety. Officer	9435060382

Operating Procedure for relief and Rehabilitation:-

The LR staff will assess the damages caused to the people and submit the list of partially and fully affected people as per existing guidelines and submit the report to the Circle Officer for onward submission to the DDMA. The Gaonpradhan and local volunteers will also assist the LR staff in the field level assessment of the damages.

The representatives from line department's viz. Agriculture, PWD, PHE, Water Resource, Animal Husbandry, Education, Health, Irrigation, Fishery and Social Welfare department of Morigaon will accompany LRAs during damage assessment.

LRAs will prepare and submit proposal for assistance against house damage under SDRF within 15 days of receding of flood water.

Field Officer will collect data from the affected areas and submit the daily flood report according to reporting format and also upload the same on DRIMS portal.

The Agriculture, Fishery, Sericulture, Handloom and Textile, Dairy department will submit proposal for assistants to the farmers & weavers under SDRF as per norms within 15 days of receding of flood for approval of DDMA. They will ensure insurance of the crops and livestock.

Representative of Inspector of Schools, DEEO, Morigaon will approach the Circle Officer for assistance under SDRF against the damages caused to the school buildings.

All line departments will prepare and submit proposal under SDRF for temporary restoration on immediate nature against the damage caused to the infrastructure for restoration of normalcy in the district within one month from the date of occurrence.

Flood Contingency Plan-2026-2027

All departments will integrate their ongoing departmental development projects / schemes where possible for restoration of the damages caused due to flood. All departments will incorporate flood mitigation measures in their developmental plans and schemes under SDRF by involving local community.

IRT (Incident Response Team) members

The Circle Level Incident Response Team (IRT) is hereby constituted for Morigaon Revenue Circle with the following members with immediate effect.

Sl. No	Name	Designation	Contact No.
1	Kongkon Jyoti Saikia, ACS Circle Officer, Morigaon Revenue Circle	Responsible Officer	9859366776

Flood Contingency Plan-2026-2027

FLOOD CONTAINGENCY PLAN - 2026-27 BHURAGAON REVENUE CIRCLE FOR 2026-27

Introduction of Bhuragaon Revenue Circle:-

The Bhuragaon Revenue Circle was created in the year 1981 Vide Govt. Notification No.R.L.R 45/73/pt./56 dated 28/5/1981, by bifurcating 122 villages from Laharighat Revenue Circle. At present it consists of 14 nos. of revenue lots. The H/Q of the Office is situated at Bhuragaon Revenue town, under Bhuragaon Mouza which is situated 28 km. South of District H/Q Morigaon.

- **Geographical Area of the Circle**

The total Geographical area of the circle is 1,58,509 bigha-2 katha- 5lessa of which **75129B-3K-5L** has been eroded till date and at present, existing land is only **83379B-4K-0L**

Mouzas: There are two Mouzas in the Circle they are- 1) Bhuragaon & 2) Bokoni. The Bhuragaon Mouza comprises of 55 villages and the Bokoni Mouza comprises of 67 villages.

Belts & Block in the Circle :- There are two tribal belts in the Circle, they are Jamadari and Barangani Tribal Belts formed vide Govt. Notification No. 9146/312 dated 29/6/58 and 91/6/313 dated 29/6/58 respectively.

-Jamadari Belt covers the following villages:- 1.Jamadari, 2.Naljari, 3.Banmuri beel, 4. Dighaliati,5.Salmarapam, 6. Banmuri gaon

-Barangani Belt covers the following villages:-1.Amaraguri, 2.Gorapar & 3.Haria Beel.

Circle Boundary

North:- Darrang District & Mighty Brahmaputra.

South:- Mayong Circle and Morigaon Circle.

East:- Laharighat Circle.

West:- Mayong Circle.

The details of villages eroded till date is given below:

Flood Contingency Plan-2026-2027

Vulnerable road & alternative Road for relief Distribution:-

During heavy flood, the road transport from Basanaghat to Bhuragaon is completely disrupted. At that time, alternative route to transport GR materials is through machine boats either from Gerua Chariali or Udari or Basanaghat whichever is convenient.

Storage Facilities (Godowns) available in Bhuragaon Revenue Circle :-

Sl. No	Name of GPSS/ WCCS	Address of Godown	Capacity In M.T/Qtls	Telephone No.

Operating Procedure for relief and Rehabilitation:-

The LR staff will assess the damages caused to the people and submit the list of partially and fully affected people as per existing guidelines and submit the report to the Circle Officer for onward submission to the DDMA. The Gaonburha and local PRI will also assist the LR staff in the field level assessment of the damages.

The representatives from line department's viz. Agriculture, PWD, PHE, Water Resource, Animal Husbandry, Education, Health, Irrigation, Fishery and Social Welfare department of Morigaon will accompany LMs during damage assessment.

LMs will prepare and submit proposal for assistance against house damage under SDRF within 15 days of receding of flood water.

The Agriculture, Fishery, Sericulture, Handloom and Textile, Dairy department will submit proposal for assistants to the farmers & weavers under SDRF as per norms within 15 days of receding of flood for approval of DDMA. They will ensure insurance of the crops and live stocks.

Representative of Inspector of Schools, DEEO, Morigaon will approach the Circle Officer for assistance under SDRF against the damages caused to the school buildings.

All line departments will prepare and submit proposal under SDRF for temporary restoration on immediate nature against the damage caused to the infrastructure for restoration of normalcy in the district within one month from the date of occurrence.

All departments will integrate their ongoing departmental development projects / schemes where possible for restoration of the damages caused due to flood. All departments will incorporate flood mitigation measures in their developmental plans and schemes under SDRF by involving local community.

FLOOD CONTAINGENCY PLAN - 2026-27

MIKIRBHETA REVENUE CIRCLE FOR 2026-27

INTRODUCTION

Mikirbheta Revenue Circle was established in the month of October, 1981 in Mikirbheta revenue village in Morigaon District of the state of Assam. It is located 18KM North-East of the District Headquarter Morigaon. Mikirbheta is surrounded by Dolongghat (Part) Dev. Block towards East, Bhurabandha Dev. Block towards West, Kapili (Part) Dev. Block towards South and Batadrava Dev. Block towards North.

Morigaon, Nagaon are the nearby cities to Mikirbheta. This place is located in the border of the Morigaon and Nagaon District.

Brief Note about the revenue Circle

1	Geographical Area	18579.55 Hectors
2	Population	137213 (As per 2011 Census)
3	No.of Villages	65 Revenue Villages
4	Development Blocks	1.Dolonghat Development Block(part) 2.Kopili Development Block(part) 3.Bhurbandha Development Block(part) 4. Laharighat Development Block(part)
5	Mouza	1.Silpukhuri 2.Mikirbheta 3.Charaibahi
6	Nos. of G.P.s	14 Nos.

Flood Contingency Plan-2026-2027

Climate and Rainfall

Sub-tropical with semidry hot in summer and cold in winter.

Annual rain fall	Ranges between 1500mm.to2600mm.
Average humidity	75%
Max.temp.	37-39degree C.
Min.temp.	6-7degree C.

Rivers

There is only one river namely Sonai in the Mikirbheta Revenue Circle.

Occurrence of Flood in Mikirbheta Revenue Circle

There is only one river namely Sonai in Mikirbheta Revenue Circle. Annual floods are caused due to monsoon showers and the increased volume of water of Brahmaputra. Apart from that the Wetlands under Laharighat Revenue Circle are overflowed by the back channels of River Brahmaputra that causes flood in areas of Mikirbheta Revenue Circle adjacent to Laharighat Revenue Circle viz Kalikajari, HatibatSimaluguri,SukdalBorbori,Sukdal Sarubori, Silpukhuri and Dewarabori. Moreover, due to intense rainfall in the hill areas of West Karbi Anglong and Meghalaya water coming down to the plains through over flowing rivers of Kalong and Kapili causes floods in the villages of Niz-Mikirgaon, Kapahera, Bamunbori, Palahguri, Majgaon, Kahibari, Barbhagia, Kachadhara- Satgaon, BaramaraPathar, Tokunabori and parts of Jaluguti in the southern parts of the revenue circle.

During flood, relief and other items and their quantity would be given according to the relief manual per adult and child. Private NGOs can distribute the relief items and food with the permission of the Circle Officer. All staff of circle office has to stay in the circle jurisdiction for 24 hours and will be denied leave till the flood is over. In case of flood causality RG would be processed within three days according to the norms.

The Field Officer (DM) with co-operation with LR staff will assess the damages caused to the people and submit the list of partially and fully affected people as per existing guidelines and submit the report to the Circle Officer for onward submission to the DDMA. The Gaonpradhan and local PRI will also assist the LR staff in the field level assessment of the damages.

Therepresentativesfromlinedepartment'sviz.Agriculture,,PWD,PHE,WaterResource,Animal Husbandry, Education, Health, Irrigation, Fishery and Social Welfare department of Morigaon will report the damages after assessment and extend cooperation to the Circle Officer.

The Field Officer (DM) with co-operation with LMs will prepare and submit proposal for assistance against house damage under SDRF immediately of receding of flood water.

The Agriculture, Fishery, Sericulture, Handloom and Textile, Diary department will submit proposal for assistants to the farmers &weavers under SDRF as per norms within15days of receding of flood for approval of DDMA. They will ensure insurance of the crops and live stokes.

Flood Contingency Plan-2026-2027

Representative of Inspector of Schools, DEEO, Morigaon will approach the Circle Officer for assistance under SDRF against the damages caused to the school building.

All line departments will prepare and submit proposal under SDRF for temporary restoration immediate nature against the damage caused to the infrastructure for restoration of normalcy in the district within one month from the date of occurrence.

All departments will integrate their on-going departmental development projects / schemes where possible for restoration of the damages caused due to flood. All departments will incorporate flood mitigation measures in their developmental plans and schemes under SDRF by involving local community.

Sector and Sector Officers

For prompt and smooth relief and rescue operation Mikirbheta Revenue Circle is divided into 3 Zones. The name of Zonal Officers and their respective G.P. are as follow.

Name of Zone	Name of Zonal Officer	Name of Sector	Name of Sector Officers (BDO's)	Contact No
Zone:- Mikirbheta Revenue Circle Zone	Ajitabh Bhaumick, Circle Officer (7896554289)	Dolonghat Block Area	Shalini Parashar (I/C)	8403885515
		Bhurbandha Block Area	Monita Das Rahang	7636020430
		Kapili Block Area	Shalini Parashar	8403885515

Duties and responsibilities of Sector Officers:-

1. All the Zonal Officers will keep a close watch over their respective areas and report to the Circle Officer regarding the status of the embankments, connecting roads and bridges, areas and population likely to be affected by flood.
2. The Zonal Officers are to keep in constant touch with the Lot Mandals of their respective areas along with the Lot Goanpradhans and GP Secretaries during the relief and rescue operations and ensure the proper posting of the country boats.
3. The Zonal Officer will collect report about conditions of the embankments, medical and veterinary needs, damage to communication, agriculture etc and shall report to the Circle Officer on a regular basis and submit the indent for relief materials timely on the basis of field level assessment of affected population. They shall also submit their requirement of country boats or vehicles for requisition for relief and rescue operation.
4. The Zonal Officers shall liaise with the SDRF, police and also army for carrying out search and rescue operation.
5. Further, they should also co-ordinate amongst the line department and ensure that composite teams comprising of medical, veterinary, PHE personnel visit the affected areas as well as

Flood Contingency Plan-2026-2027

Relief camps jointly for restoring normalcy at the earliest possible. They should also involve the community at all stages especially for day to day running of the relief camps.

6. They shall ensure that the procedure laid down under the District Disaster Manual is strictly followed and APRs for the GR etc. distributed are collected and submitted on time.
7. Detail report of Flood damage will be compiled for post flood reconstruction and rehabilitation. The Zonal Officers shall assess the extent of damages through the field staff for preparation of rehabilitation grant proposal etc.

Flood Contingency Plan-2026-2027

CHAPTER –IV

LINE DEPARTMENTAL FLOOD CONTAINGENCY PLAN - 2026-27

SUPERINTENDENT OF POLICE, MORIGAON.

FLOOD CONTINGENCY PLAN FOR MORIGAON DISTRICT.

INTRODUCTION : Morigaon District is flanked on the North by River Brahmaputra and South by hilly features bordering Meghalaya Plateau. Morigaon district is a flood prone area naturally inundated by Brahmaputra and its tributaries Kapili, Kolong and Killing river.

The geographical area of Morigaon District is about 1551 Square Kms. comprising of 5(five) Nos. of Revenue Circles, 7(seven) Nos. of Development blocks, 17(seventeen) Nos. of Mouzas, 85(eighty five) Nos. of gaon panchayats, 632 (six hundred thirty two) Nos. of villages, 9(nine) Nos. of Police Stations, 2(two) Nos. of Police Outpost, 2(two) Nos. of Patrol Posts, 3(three) Nos. of Fire & Emergency Stations, 1(one) No. of Civil Hospital and 6(six) Nos. of SHCs. The population of the district is 9,57,853 as per census of 2011.

OBJECTIVE :The main objective of the plan is to prepare contingency action plan to maintain law and order and to provide necessary assistance to the concerned departments /agencies in rehabilitation & restoration of telecommunication, road communication, water supply and in providing logistic support to the flood and other natural calamity victims in the district and to rescue flood affected persons trapped in flood water.

INSTRUCTIONS :

- (1) The plan will come into operation as and when any disaster occurs.
- (2) Natural calamities like flood /earthquake /storm /cyclone etc. are unpredictable, and may take place at any moment. Concerned officers and men are to remain alert for any eventuality so that prompt assistance is extended to the distressed people without any inordinate delay.
- (3) At the time of major natural disaster like earthquake or flood, the power supply may get completely disrupted for days together. So it is imperative to keep items like petromax light, battery operated torch, lamps, candles etc readily available in sufficient quantities for using in rescue and relief operations.
- (4) A register of “Missing Persons” is to be maintained at each police station and the same should be updated after each rescue trip.

The main challenges posed during or flood and earthquake of severe magnitude can be summed up as follows to assist departments concerned in various activities.

- (i) To rescue the trapped people.
- (ii) To provide first aid to the injured.
- (iii) To take care of children, old and disabled people who might have lost their family members.
- (iv) To arrange for immediate shifting of the injured to the nearby state dispensary/ medical centre.
- (v) To maintain Law & Order and to prevent forcible occupation of land and building by anti – social elements.

DIVISION OF PLAN :- In order to ensure operational efficiency of this plan, the entire district is divided into 3(three) zones (Northern, Southern and Central) and the zones are further divided into 9(nine) sectors. Further the sectors are sub divided into 4(four) sub-sectors.

ZONES : (A) Zone-1 :- Comprising Jagiroad /Dharamtul and Mayong P.Ss area.

(B) Zone-2 :- Comprising Morigaon/ Mikirbheta & Moirabari P.Ss area.

(B) Zone-3 :- Comprising Laharighat /Bhuraogaon and Bhelowguri P.Ss area.

Flood Contingency Plan-2026-2027

(A) **ZONE – 1** :- (Jagiroad /Dharamtul and Mayong P.Ss area) : **Bijit Dadhara, APS, I/C CDSP, Jagiroad** will remain in-charge of this zone. He will be assisted by O/C Jagiroad PS, O/C Dharamtul PS, O/C Mayong PS and I/C Nellie OP with their available man power and resources.

The zone is divided into 3(three) sectors & 1(one) sub-sectors.

Sector - I :- Jagiroad PS area.

Sector – II :- Dharamtul PS area.

Sector – III :- Mayong PS area.

Sub-sector – 1 :- Nellie OP area.

SECTOR - I : (Jagiroad PS area) :- **O/C Jagiroad PS** will remain in-charge of this sector. He will maintain law and order in this area with available PS staff. The sector is sub-divided into following one **sub sector**.

SUB-SECTOR :- 1 : (Nellie OP area) : **I/C Nellie OP** will remain as I/C of the Sub-sector. He will maintain law & order in this area with his available staff.

SECTOR – II :- (Dharamtul PS area) : **O/C Dharamtul PS** will remain in-charge of this sector. He will maintain law and order in this area with his available PS staff.

SECTOR – III :- (Mayong PS area) : **O/C Mayong PS** will remain in-charge of this sector. He will maintain law and order in this area with his available PS staff.

(B) **ZONE – 2** : (Comprising Morigaon /Mikirbheta and Moirabari P.Ss area) : **Pritom Saikia, APS, Dy. SP(HQ), Morigaon** will remain in-charge of this zone. He will be assisted by O/C Morigaon PS, O/C Mikirbheta PS, O/C Moirabari PS, I/C Boribazar PP, and I/C Jaluguti PP with their available men power and resources.

The zone is divided into the following 2(two) sectors & 2(two) sub-sectors:

Sector – I : Morigaon PS area.

Sector - II : Mikirbheta PS area.

Sub-sector :1 : Boribazar PP area.

Sub-sector : 2 : Jaluguti PP area.

Sector - III : Moirabari PS area.

SECTOR – I : (Morigaon PS area) : **O/C Morigaon PS** will remain in-charge of this sector. He will maintain law and order in this area with his available staff.

SECTOR - II : (Mikirbheta PS area) : **O/C Mikirbheta PS** will remain in-charge of this sector. He will be assisted by the following Sub-Sector Officers and men. Further the sector is sub-divided into the following sub-sectors.

SUB-SECTOR : 1 : (Boribazar PP area) : **I/C Boribazar PP** will remain as in-charge of the Sub-Sector. He will maintain L/O in this area with his available staff.

SUB-SECTOR : 2 : (Jaluguti PP area) : **I/C Jaluguti PP** will remain as in-charge of the Sub-sector. He will maintain L/O in this area with his available staff.

SECTOR – III : (Moirabari PS area) :- **O/C Moirabari PS** will remain in-charge of this sector. He will maintain law and order in this area with his available staff.

(C) **ZONE-3** :- (Laharighat /Bhelowguri and Bhuragaon P.Ss area.) : **Amarjyoti Saikia, APS, I/C CDSP, Laharighat** will remain in-charge of this zone. He will be assisted by O/C Laharighat PS, O/C Bhelowguri P.S., O/C Bhuragaon P.S. and I/C Borchala OP with their available men power and resources.

The zone is divided into the following 4(four) sectors & 1(one) sub-sector.

Sector - I :- Laharighat PS area.

Flood Contingency Plan-2026-2027

Sector – II :- Bhelowguri PS area.

Sector – III :- Bhuragaon PS area.

Sub-sector - 1 : Borchala OP area.

SECTOR - I : (Laharighat PS area) :- **O/C Laharighat PS** will remain in-charge of this sector. He will maintain law and order in this area with his available resources. The sector is sub-divided into the following sub-sector.

SUB-SECTOR - 1 : (Borchala OP area) :- **I/C Borchala OP** will remain as in-charge of the sub-sector. She will maintain law and order in this area with his available staff.

SECTOR – II : (Bhelowguri PS area) :- **O/C Bhelowguri PS** will remain in-charge of this sector. He will maintain law and order in this area with his available staff.

SECTOR – III : (Bhuragaon PS area) :- **O/C Bhuragaon PS** will remain in-charge of this sector. He will maintain law and order in this area with his available staff.

Q.R.T. : **R.O. Police Reserve, Morigaon** will keep ready one QRT Party to meet any emergency. He will also be in co-ordination with O.C. Fire & Emergency Service Station, Morigaon so that, in case of any emergency he can send SDRF team to meet the necessity.

FIRE & EMERGENCY SERVICE : O.C. Fire & Emergency Service Station, Morigaon /Bhuragaon and Moirabari will keep all the boats and SDRF in full readiness during the flood. Also to keep in readiness all the fire tenders in case of any fire outbreak due to earthquake. The SDRF personnel should be briefed and alerted from now onwards. He should also keep all other fire fighting equipments in readiness after proper checking. The firemen and staff should be adequately briefed to meet any emergency.

WIRELESS COMMUNICATION :In the event of any natural disaster all means of communication barring wireless communication may get disrupted. **O.C. APRO Morigaon** will ensure that all the VHP stations of the district remain on air round the clock for collection and dissemination of important information /instructions.

RELIEF CAMPS : Usually it is seen that during flood or any other natural calamity like flood, earthquakes etc. affected people are shifted to the relief /shelter camps. The Zonal Officers and Sector Officers shall ensure guarding of the relief /shelter camps. The In-charge of the relief camp shall ensure uninterrupted communication by means of wireless sets with the HQ. In this regard, O/C APRO shall issue suitable handsets along-with operators. The Os/c & I/Cs should well in advance liaise with local Circle Officers and identify such probable locations and submit the list to HQ well in advance.

SUPERVISION :

In the event of a natural disaster, the zonal officers will promptly guide his sector/ sub-sector officers according to the demand of the situation, keeping in mind the above instructions. They should remain in constant liaison with their counterparts in civil administration and departments for ensuring well coordinated action without any delay. They should move to an affected area to assist their sector/ sub-sector officer as and when situation demands.

I shall remain over all in-charge of the duty plan.

Flood Contingency Plan-2026-2027

DEPARTMENT OF OF SCHOOLS, MORIGAON FOR 2026-27

DEEO CUM DMC, MORIGAON, ASSAM.

INTRODUCTION

Pre-disaster planning is an integral part of preparedness and leads towards a holistic disaster approach management. The District Flood Contingency Plan, 2025-26 of DEEO Morigaon District cum DM covers the planned activities to be undertaken in the year 2025-26 With Scenario for the likely occurrences of disasters based on disaster history and its forecast.

MORIGAON DISTRICT AT A GLANCE

Morigaon District is one of the smallest districts of Assam having an area of 1450.02 sq. Km. created in the year 1989 curving out erstwhile Morigaon Civil Sub-division of Nagaon district and has traditionally been the symbol of the ferocity and extent of flood in Assam. The Morigaon district is bounded by the mighty Brahmaputra River on the North, Karbi Anglong district on the South, Nagaon district on the East and Kamrup district on the West. It extends from 26° 15' N lat. to 26° 5' N lat. and 92° E log. to 95° 5' E longitude.

THE OFFICE OF THE DEEO CUM DMC, MORIGAON

The present address of the office of the DEEO cum DMC is in front of Morigaon Police Station .The Office of the DEEO cum DMC, Morigaon is the district head and mandate to ensure proper care and creation of an environment which is conducive to the all-round development of the children between the age group of 6 to 14 and physically challenged children both by providing care and protection and by giving intensified fillip to the non-government initiatives aimed at reaching out to them. The department exercises control over scheme implementation in the district.

Profile of the Department:

The Present position of staff of DMC is as follows-

DEEO cum DMC	DPE	DPO	District Programmer	FAO	Junior Engineer	Programme Associate	Cashier	Accountant	EDP	LDA	Receptionist	Gr. IV
1	1	3	0	1	3	3	0	1	2	1	1	2

Director of Elementary Education as well as MD, SSA, Assam is the Head of the Department. Next step from them is the DEEO cum DMC. Setup there by goes to Head of Educational institutions of Elementary Schools. From the Head of Schools set up has been framed towards School Management Committees. In schools Disaster subcommittees are there to work along with.

Under the Jurisdiction of the DEEO cum DMC, here are numbers of Elementary schools and the count is as follows:

Flood Contingency Plan-2026-2027

NUMBER OF GOVT. /PROVINCIALIZED SCHOOLS IN MORIGAON DISTRICT

Sl. No	Block	LP	UP	Secondary	Higher Secondary	Total
1	BHURBANDHA	233	59	22	10	324
2	KAPILI	50	13	10	4	77
3	LAHARIGHAT	388	104	27	11	530
4	MAYONG	358	68	35	18	479
TOTAL		1029	244	94	43	1410

OBJECTIVE OF THE DISASTER MANAGEMENT (FLOOD) PLAN

The key objectives of the Departmental Disaster Management (FL) Plan are:

1. To identify the vulnerable section or group of population which require special attention during disaster.
2. To create pre-disaster awareness and capacity building of the community including the already identified vulnerable section of community to face disaster in case of any eventuality.
3. To provide physio-psychological care and protection to the community specially the children, differently abled children at different phases of disaster.
4. To develop proper resource inventory in the district and mechanism for effective use of the resources during disaster and identification of resource gap.
5. To provide effective support and resources in systematic way to the concerned in time so that the response time can be reduced.
6. To develop effective training and capacity building programme on disaster management for the stakeholders and community.
7. To take care that the regularity of various on-going schemes will not hamper during disaster.
8. To develop action plan to rehabilitate the scheme that may affect in disaster in normal situation.
9. To improve the mechanism of rescue, relief and any essential services at the time of disaster.
10. To develop mechanism for involvement of field functionaries, voluntary organizations, NGO's and community in disaster management process.
11. To prevent spreading of post disaster epidemics.

VULNERABILITY OF THE DEPARTMENT TO FLOOD HAZARDS

Flood Hazard: Every year flood creates a great havoc in Morigaon district affecting people's welfare, mobility, wellbeing, psychosocial resilience, relationship and mental health. The vulnerability of Flood may be accessed through the following points:-

1. The vulnerable school buildings and infrastructure may damage due to flood.
2. The Children's normal routine may be disrupted.
3. The homes and school building may be damaged.
4. Accessing school may be difficult or completely stopped due to broken or washed away roads or bridges.
5. Loss of parents, siblings. Relatives, friends.
6. Dropouts of school may be increase.
7. Physical disability or major to minor injury of beneficiaries may occur.
8. Children and women may face problem in safety and security basically in shelter places.
9. Cases of missing specially women and children.
10. They may be going through psycho-social distress or trauma.

Flood Contingency Plan-2026-2027

11. Food poisoning, ware borne diseases increase in contagious diseases, Snake bites may occur.
12. The other on-going schemes may affect.
13. Increase in child labour.
14. Inter village or district migration.
15. Increase of malnutrition.
16. Increase of crimes.
17. Livelihood of the vulnerable group of people may be lost.
18. The infant mortality and maternal mortality rate may increase due to lack of suitable delivery place as the health Centres and road connectivity may be under water.
19. Problems of referral during extreme medical emergency.
20. Difficulty in getting food staff.
21. The physically disable and old aged may be injures.
22. They will face difficulties in rescue.

DEPARTMENTAL TASK AND INTEGRATION OF DISASTER MANAGEMENT ASPECTS

The main task of the DEEO cum DMC, Morigaon is to ensure proper care of the uncared, protection of the most vulnerable section of the children, and creation of an environment which is conducive to the all-round development of the children, physically challenged person both by care and protection and by giving intensified fillip to the non-government initiatives aimed at reaching out to them. The department carryout a lot of awareness meetings, trainings, reviews meetings etc. with the Head of educational Institutions as well as regular activities. The disaster management aspects can be integrated with the regular tasks in various phases of disaster.

POST DISASTER (FLOOD)

Recovery Plan (Rehabilitation and Reconstruction Plan): School buildings and logistics, records gets affected by flood, storm. The Deputy Commissioner, Morigaon have been entrusted the authority to sanction Rehabilitation Grant for the affected beneficiaries and for repair and for restoration of damaged infrastructure. The department will submit list of affected beneficiaries or damaged infrastructure. The Deputy Commissioner and the Deputy Commissioner will approve and recommend the list in DDMA meeting for to the govt. for funding under SDRF. The concern department will prepare plan estimate as per SDRF department guideline and submit to the Rev. and DM department for necessary action.

A district level committee as well as 4 nos. Block level committees are available to face the flood situation under the district chairmanship of The Deputy Commissioner, Morigaon.

Flood Contingency Plan-2026-2027

DISTRICT FISHERY DEVELOPMENT OFFICE MORIGAON

FLOOD CONTINGENCY PLAN FOR THE YEAR 2026-27

INTRODUCTION

Most of the fish production resources of Morigaon district are vulnerable to the natural hazards especially flood which are common phenomenon in the district. Out of 85 nos of GP in the district, 20nos are severely affected by flood and 5nos of GP are moderately affected by flood. Due to natural hazards, partially or fully damage of dykes, wide spread fish crop loss and deterioration of water quality of ponds are usual effect in fisheries sector.

To mitigate the ill effect of disaster, to reduce the risk of life and economic losses of fish farmers, a perspective plan is imperatively necessary in fisheries sector. In short, it is the remedial measure to compensate the loss and damage.

HAZARD AND VULNERABILITY SCENARIO

Morigaon district is very much exposed to flood. Every two or three years the district experiences a moderate to severe intensity flood. Flood had caused wide spread loss and damage of fishery resources in the past few years, as indicated in the table below,

Sl. No.	Year	Water area affected (Ha)	Approx Loss (Rs. In Lakh)

Flood Contingency Plan-2026-2027

MAIN TASKS OF THE DEPARTMENT

Pre Disaster Situation

1. For capacity building of fish farmers, disaster mitigation camp of fish farmers is to be organised in vulnerable areas during the months of May/ June of every year. Important key persons will be identified from each village to keep in touch with block level officer regarding the awareness programme in any kind of disaster. In this programme, a villager including PRI members will be invited. Relevant posters, leaflets in local language will be distributed to all persons in this programme.
2. One of the long term sustainable aspect of disaster management is to development of skill and capacity building at all level in vulnerable areas to make people aware about different consequences. Extensive awareness programme will be organised in flood prone areas to purchase net to surround the pond embankment so that fishes cannot escape from the pond during inundation.
3. Raising of pond embankment to high flood level is imperatively essential in flood prone areas. Most of the fish farmers dug their ponds without giving importance on height of pond embankment. So this issue is to be sensitise among the farmers.
4. Bamboo bana is also effective to protect the fishes during inundation. Farmers should be aware to keep ready with adequate quantity of bamboo bana.
5. Selective harvesting and selling of table size fishes just before the flood will minimise the loss. The technology is to be made familiar to the farmers of flood prone areas.
6. Farmers should be advised to stock adequate quantity of fish feed, so that fishes will not be kept in starvation due to interrupted road communication during flood.
7. An up to date asset register containing name of the pond owner with contact details of vulnerable areas will be prepared by field staff so that disaster forecasting message can be delivered to fish farmers within short time.

During Disaster Situation :-

The following activities have to be performed:

1. On the previous day of flood, depending on the height of pond embankment, farmers will expeditiously fix bamboo bana or net with the help of bamboo poles surrounding the entire pond. Monitoring is required from pond owner so that erected net cannot be damaged by crab, snails etc.
2. Farmers will be advised to raise the pond water level so as to prevent pressure of flood water from outside that may reduce the chance of damage of the embankment.
3. Farmers will be advised to transfer fishes to another pond located in flood free zone.

Post Disaster Situation

1. Field staff of Fisheries Department will motivate the victimised farmers to adopt fish culture as per scientific technology by organizing awareness, field level training, demonstration programme etc at farmers door step.
2. Wide spread motivation for damaged pond preparation , liming in proper dose to prevent fish disease after flood, desilting etc will be required and such motivation will be carried out by organizing awareness, field level training, demonstration programme etc at farmers door step.

Flood Contingency Plan-2026-2027

3. Repairing of pond embankments should be carried out before the rainy season and farmers will be advised accordingly.
4. Predatory and weed fishes which are entered during flood and may compete with the cultured fishes are advised to be removed and the farmers will be motivated for the same.
5. A through victimised list depicting the magnitude of loss will be prepared by conducting door to door survey and such list will be submitted to higher authority for compensation in cash or kind.

PHASE WISE DESCRIPTION OF DEPARTMENTAL RESPONSIBILITIES/ ACTIVITIES

Pre Disaster Situation

Disaster preparedness involves forecasting and taking precautionary measures prior to an imminent threat. Preparedness planning involves the response to the effect of disaster by organising the delivery of timely and effective rescue, relief and assistance. In this regard, the following measures may be taken.

Sl No	Particulars	Measures required
1	Strengthening of Control Room	A control room at district HQ will be opened with communication facilities like telephone, internet, computer, printer etc.
2	Coordination	Movement of departmental personal to affected area is highly essential. For this purpose vehicle and fuel to be kept ready.
3	Emergency stock	Emergency stock of lime, CIFAX etc will be ascertained at district HQ.

During Disaster Situation

After getting warning from District Administration, information will be disseminated to all fish farmers as per the prepared asset register. Control room will be activated to function round the clock.

Trigger mechanism to response

After issue of early warning, DFDO will ask all the field staff to remain present at their respective Head Quarter with necessary preparation as per standard operating procedure. A mobile **Incident Response Team (IRT)** will be constituted headed by one nodal officer to perform emergency support function. An Incident Response Team is hereby constituted with the following members of Fishery Department, Morigaon:

Sl no	Name	Designation		Contact No.
1	Smti Naznin Firdousie	Fisheries Development Officer	Nodal Officer	8133094485

Flood Contingency Plan-2026-2027

Incident Response Team (IRT):

<p><u>Zone-I: Mayong Revenue Circle:</u></p> <ol style="list-style-type: none"> 1. Smti Naznin Firdousie, FDO 2. Sri Chiranjib Das, FD 3. Sri Dulal Saikia, FD 	<p><u>Zone-II: Laharighat Revenue Circle:</u></p> <ol style="list-style-type: none"> 1. Sri Utpal Kalita, FDO 2. Sri Moni Mirza, FA 3. Sri Mosfi Hussain Faruki, MM
<p><u>Zone-III: Morigaon Revenue Circle:</u></p> <ol style="list-style-type: none"> 1. Sri Utpal Kalita, FDO 2. Sri Dilip Saikia, FD 3. Sri Pinku Das, FD 	<p><u>Zone-IV: Bhuragaon Revenue Circle:</u></p> <ol style="list-style-type: none"> 1. Sri Hrishikesh Bhuyan, FDO 2. Sri Syed Ariful Hussain, FD 3. Sri Mosfi Hussain Faruki, MM
<p><u>Zone-V: Mikirbheta Revenue Circle:</u></p> <ol style="list-style-type: none"> 1. Sri Gopal Ch. Patuuary, AFO 2. Sri Pinku Das, FD 3. Sri Milon Hira, MM 	

Role of IRT are:-

- a. To coordinate with Directorate and District authority.
- b. To manage overall response activities in the field
- c. To activate Disaster Management Plan
- d. To prepare fishery aid plan

Reporting Procedure :-

The report collected at field level will be compiled and will be submitted to higher authority. The first choice of sending report is through e-mail. The following regular reports are to be collected,

- a. Pre assessment of village wise vulnerable areas.
- b. Fisheries ponds affected and loss
- c. Relief measure like lime medicine etc.

Post Disaster Situation :-

The following works to be initiated in post disaster situation

- a. Visit all affected areas to access loss and damage
- b. Render advice to adopt short term fish culture technique
- c. Conduct sensitization programme at affected areas.

Budget Requirement :-

Budget requirement for Pre-disaster Capacity Building Programme

Sl no	Name of Programme	Responsibility	Venue	Unit Cost in Rs	Total No. of Programme [^]	Total Cost in Rs
1	One Day training cum awareness programme at Block level	FDO	Development Block	5000.00	6	30,000.00
2	One Day training cum awareness programme at District level	DFDO	District Head Quarter	5000.00	1	5,000.00
3	One Day training cum awareness programme at village level	FDO & FD	GP office	5000.00	20	1,00,000.00
TOTAL COST (A)						1,35,000.00

Flood Contingency Plan-2026-2027

Budget requirement for Relief/ Rehabilitation during disaster :-

Sl. No.	Description	Responsibility	No. of Unit	Cost (Rs)	Total Cost (Rs)
1	Strengthening of Control Room	DFDO	1	5,000.00	5,000.00
2	Arrangement of additional vehicle & POL for mobile team	DFDO	5	2000.00	10,000.00
TOTAL COST (B)					15,000.00

Budget requirement for Relief/Rehabilitation in Post Disaster programme

Sl. No.	Description	Responsibility	No of Unit	Unit cost (per Ha)	Total cost (in Rs.)
1	Procurement of Lime and CIFAX	DFDO	20 Ha	1600.00	32,000.00
2	De-silting and repairing of ponds	DFDO	20 Ha	18,000.00	3,60,000.00
TOTAL ©					3,92,000.00

GRAND TOTAL A+B+C = 5,42,000/-

Morigaon is predominantly an agrarian district where table fish and fish seed production plays a pivotal role in the socio economic life of people. The mitigation, preparedness and preventive actions are to be taken to reduce the level of damage expected from possible occurrence of flood.

DISTRICT AGRICULTURE OFFICE, MORIGAON

Flood Preparedness Plan 2026-27

1. INTRODUCTION :-

Morigaon is the chronically flood affected district which witnessed several waves of flood in each and every year in Morigaon District of Assam. Its intensity has increased over the years which lead to destruction of crops, human settlement, roads, bridges etc and the loss of human and animal lives. Every year the large areas of Morigaon District are inundated and considerable tracts of land are swallowed up by the erosion.

Flood Scenario Recorded in the District for last Eleven years –

Sl. No.	Year	Nature of the Calamities	No. of Village	Farm Family affected	Area (Ha)
1	2015-16	Flood	199	25546	1024
2	2016-17	Flood	234	29505	10531
3	2017-18	Flood	382	58247	28476
4	2018-19	Flood	-	-	-
5	2019-20	Flood	-	-	-
6	2020-21	Flood	328	20831	9374.47
7	2021-22	Flood	97	14677	5871.19
8	2022-23	Flood	315	11823	4729.2
9	2023-24	Flood		411	164.4
10	2024-25	Flood	197	7000	2800
11	2025-26	Flood	76	3228	765.06

Flood Contingency Plan-2026-2027

2. Objective :-

To mitigate the crop loss caused by floods a work plan is prepared to enable the department to implement before, during and after the floods for supporting small and marginal farmers of the district with the fund provision of SDRF and other Govt. Schemes.

3. Departmental activities :-

I) Pre Flood :

A) Preparedness Plan :

- Skill up-gradation, training programmes for field functionaries (ADOs & AEAs) and farmers organizations (FMCs).
- Creating awareness amongst farmers on hazards.
- Distribute leaflets / pamphlets for needful precaution to be taken by farmers in case of flood.

B) Prevention and Mitigation Plan :

- Keeping alert all field functionaries to regularly monitor i case of any flood and to promptly transmit the information to DAO for onward transmission to the District Administration and the Directorate. A duty schedule for the Control Room at DAO office is to be prepared and strictly adhered to.
- Undertaking pest monitoring surveys for any incidence of crop pest / diseases attack. A district level training programme for AEAs and farmers will be organized.
- Providing information for availing KCC and Crop Insurance policies. The KCC holders are eligible to get the benefit of insurance cover as per the guideline of KCC.
- Maintaining an early warning mechanism with the help of departmental / District Administration sources.
- Checking and updating the availability of inputs, implements, machineries etc. to meet the need in case of flood.
- Encourage adoption of flood / draught tolerant, new flood tolerance varieties of field crops.

Emergency Response Plan during disaster (Flood) : Trigger Mechanism for response through training

Sl. No.	Farmers Training Programme on	Participants details	Nos. of Participants	Date of training	Resource Person
1	Flood and weather hazards in Agril. Development and Management	ADO, AEA, FMC	100	To be scheduled	RARS, AAU, Shillongani & District Officials
2	Nursery Technique	FMC & Farmers	100		DAO Officials
3	Agronomic practice for raising short duration variety of different crops	FMC & Farmers	100		DAO Officials
4	Pest Monitoring Survey and Management in flood and deficit rainfall situation	FMC & Farmers	200		RARS, AAU, Shillongani & District Officials

Flood Contingency Plan-2026-2027

- Assessment for damage of crop will be done by the ADO, AEAs with the help of the Revenue Department, PRI & FMCs.
- Preparation of estimate for flood specific rescue plan.
- Technology support for early recovery.
- A Core Team of District Agricultural Office will work to recover the damage.
- Assessment for damage of crop will be done by the ADO, AEAs with the help of the Revenue Department, PRI & FMCs.
- Preparation of estimate for flood specific rescue plan.
- Technology support for early recovery.
- A Core Team of District Agricultural Office will work to recover the damage.

III) Post Flood:

A. Recovery Plan :

- Provide technology support to prevent further damage and help the needy farmer to restart Agriculture.
- Provide relief inputs to assist in recovery.
- Quantity loss estimate due to occurrence of calamities by the ADO, AEAs and FMCs with the help of revenue official.
- Arrangement to compensate the loss due to flood a massive Rabi Crop Plan will be implemented amongst affected farm families in the District.
- Provide weather based cropping pattern combinations to farmer for utilizing the area under various crops in a particular point of time to keep the cropping intensity indices of the district progressing.
- Arrangement for market linkage for sale of farm produce at Government support price, wherever possible.
- Provide all information to farmer to deal with natural calamities through T&V (Training and Visit) system of extension.

4. Special Measures:

Activity	Norms
1. Establishment community nursery and Sali Seedling distribution	Nursery will be prepared in flood free area by the ADOs and at the State Seed Farm, Oujari & in other flood free areas of different ADO Circles.
2. Distribution of short duration variety Paddy Seeds (Var.- Kapili, Luit)	Each beneficiaries will be provide 2 bighas benefit @10 kg / bigha
3. Distribution of Nitrogenous Fertilizer	Each beneficiary will get benefit of 0.3 ha
4. Arrangement of Rabi Programme	As per the Guide Line

Flood Contingency Plan-2026-2027

Govt. of Assam

OFFICE OF THE DISTRICT AGRICULTURAL OFFICER

MORIGAON :: ASSAM (email :- daomorigaon@gmail.com, daocssatmamorigaon@gmail.com)

NOTIFICATION

As per direction of the District Commissioner, Morigaon on District Level flood preparedness plan, 2025-26, the Incident response team of Agriculture Department is hereby constituted as under for Disaster Management.

SL. No.	Name of Officer	Designation	Contact No
1	Sri. Dilip Bora DAO, Morigaon	Responsible Officer	6003068838
2	Ashim Kumar Nath, ADA	Incident Commander	7002588241
3	Sri Padum Bora Sr.ADO	Nodal Officer	9101481941
4	Mehdi Arif Hussain , SDAO , Morigaon	Assisting Officer	8471987419
5	Luna Baruah ,ADO , Bhurbandha	Assisting Officer	9707463936
6	Jayshree Tamuli , ADO , Rajamayong	Assisting Officer	9101116355
7	Birensing Pegu , ADO , Jagibhakatgaon	Assisting Officer	8638656732
8	Debasis Hazarika , ADO , Morigaon	Assisting Officer	8811878273
9	Parinita Khargharia , ADO , Bhuragaon	Assisting Officer	6003685189
10	Amal Jyoti Debnath , ADO Gossarguri	Assisting Officer	7086457263
11	Bidyut Pritom Gogoi , ADO , Moirabari	Assisting Officer	7086560319
12	Anindita Saikia , ADO , Mikirbheta	Assisting Officer	7635910544
13	Mrinmoi Jyoti Nath , ADO , Laharighat	Assisting Officer	8474092098
14	Richa Saikia , ADO , Jaluguti	Assisting Officer	7896357858
15	Anirban Dutta , ADO , Gerua	Assisting Officer	6001834406

The District level incident response team will be activated by the responsible officer in the event of occurrence of any major emergencies/disaster.

This will come into force with immediate effect from the date of publication of this notification

NOTIFICATION

As per direction of the District Commissioner, Morigaon the Following personal is hereby appointed as Nodal Officer for smooth functioning during any Disaster/ Calamities.

SI No	Name of Personal	Designation	Phone No
1	Sri Padum Bora Sr.ADO , Morigaon	Sr.ADO Morigaon	9101481941

Flood Contingency Plan-2026-2027

Component of the Plan :

1. Creating Awareness Programme amongst farmers on hazard.
2. Distribution of Leaf lets for needful precaution to be taken by farmers in case of flood.
3. Raising Community Nursery for distribution among flood affected farmers.
4. Procurement of direct seeded short duration & submergence tolerant Sali paddy seeds and distribution amongst the affected farmers at free of cost.
5. For smooth implementation of the programme , provision of contingency expenditure is also kept.

Details of the Scheme for Raising Community Nursery :

A. Cost of Raising Nursery for One hectare area :

Sl.No	Items	Unit	Quantity/Unit	Rate (Rs)	Amount (Rs)
1	Certified HYV Paddy Seeds	Qtl	4	4570.10	18280.00
2	Seedbed Preparation	Time	4	1500.00	6000,00
3	Fertilization in seeded				
	Urea	Kg	64	7.00	448.00
	SSP	Kg	64	8.00	512,00
	MOP	Kg	32	18.00	576.00
4	Seed treatment, Sowing ,Fertilizer & PP chemical application,	Mandays	15	250.00	3750.00
5	Irrigation	Hour	15	70.00	1050.00
6	PP chemicals for seed treatment, Foliar application	Litre	3	300.00	900.00
7	Miscellaneous				582.00
				Total A	32098,00
				=	32098,00

B. Estimated production of seedlings (18 inch girth) is 2250 bundles in 1 ha Nursery :

- i) Cost of uprooting of 2250 bundles by taking 20 nos of man days per ha
@ Rs.250/-per mandays = Rs. 5000.00
- ii) Transportation cost @ Rs. 1/ Bundle per ha (L.S) Rs. 2250.00

Total (B) = Rs. 7250.00

Total Cost per hectare (A + B)=Rs. 39348.00/-

B. Salient points of the Scheme :

1. Cost of production per bundle of seedlings = Rs. 17.50 /
2. Area to be covered by 2250 bundles for transplanting main field =10 ha
3. Profit that can be allowed per bundle = Rs. 5.00/-
4. Maximum selling price per bundle = Rs 23.00/

(N.B : Distribution will be made free of cost to flood affected farmers)

Flood Contingency Plan-2026-2027

Financial Outlay :

Sl No	Particulars	Physical	Area to be covered	No of beneficiary	Amount (in Lakh)
1	Raising of CN (Cost per ha = Rs. 39348/)	200 ha	2000 ha	15000 Nos	78.69
2	Procurement of short duration paddy seed like Luit , Kapili @ Rs. 4570.10 /qtl	100 qtls	133 ha	500 Nos	4.58
3	Procurement of submergence paddy seeds like Ranjit- Sub @ Rs. 4570.10/qtl	100 qtls	133 ha	500 Nos	4.58
4	Free Tractorization 2 2 bigha double harrowing @ Rs. 300/bigha for single harrowing Rs. 1200/-	800 ha	800	3000	72.00
5	Awareness Programme @ Rs.5000/ camp				1.2
				Total	161.05

(Rupees One core sixty one lakh five only)

PUBLIC HEALTH ENGINEERING DEPARTMENT (PHED), MORIGAON

Flood Contingency Plan 2026-2027

INTRODUCTION

PHE department plays a key role in alleviation of problems related to drinking water and sanitation during various emergency situations. The steps generally taken up by the department during flood is relocation /rejuvenation of public source, installation of hand pumps in relief camps, disinfection of sources and distribution of chemical packets for preparation of potable water. During the post flood period besides disinfection of public sources, IEC activities are also taken up to educate the people regarding the steps to be adopted for disinfection of sources & the does and don'ts to rule out outbreak of diseases.

INFRASTRUCTURE

The Division has one Sub – Division which is manned by an Assistant Executive Engineer. For flood relief measure in Morigaon District, there are 74 Gaon Panchayat under Morigaon PHE Division and 11 Gaon Panchayat under Dhing PHE Division which are headed by a sectional officer of the rank of Asstt. Engineer / Junior Engineer. Each GP has a number of sectional Assistant and Khalasi, who are actively engaged to assist the Sectional in- charge for flood relief measures at the field level (list of field level officer with telephone nos. enclosed). In case of flood, the sectional officers will co- ordinate with the respective Circle officers and apprise the Executive Engineer and the AEE on a regular basis about the requirement of flood relief measures as per the ground conditions prevailing in his jurisdiction.

Inventory of materials which can be used for flood relief measures for this year:

The Morigaon Public Health Engineer Division is at present in possession of the following materials which can be utilized for flood relief measures.

- (i) 1 No Tata Truck
- (ii) 6 Nos. of PVC tanks for supply of drinking water .(Capacity 1000L(2 Nos), 500L(4 Nos.)).
- (iii) 1250 KG Bleaching Powder (5 bags) in stock and 30 MT alum .
- (iv) Halazone Tablets- 448 bottle (Each bottle contain 1000 nos of capsule)
- (v) Chemical packets- Out of Stock and will be kept ready before flood.
- (vi) One truck Mounted Mobile Treatment Plant which will be subsequently utilized for water

Flood Contingency Plan-2026-2027

Packaging pouch.

(vii) Roll for water pouch- 40 Nos. (Each roll can be use for making 5000 water pouch).

(viii) Toilet plate- 200 Nos.

(xi) Lime- 30 MT

xii) **2 No.s of Floating Toilets with Floating Deck.**

Modalities for flood relief measures

Temporary water supply arrangement:- Normally Hand Tube Wells are installed to provide safe drinking water facilities for the population sheltered in the relief camp at flood affected area. Now, this division has no any set of Hand Tube Wells currently available at store. But contractors are ready to install HTW after getting pin point from District Administration during flood.

Disinfection- The materials required for disinfection of water sources are Bleaching Powder, Lime, Alum and Halogen tablets. At the time of flood some packets are made by PHED with Bleaching Powder, Lime and Alum to distribute to the affected house hold to disinfect the water sources. The public water sources are disinfected by our field staff. At present, this Division has a normal stock of the aforesaid materials. If additional amount required to tackle the situation, the undersigned will inform the District Administration in time besides taking up the matter with the higher authorities to arrange for the materials on an emergency basis. During the post flood period disinfection of public sources which were submerged will be required and disinfection of such sources will be undertaken as required. Moreover IEC activities will also be taken up on a limited scale to educate the public about the modalities for disinfection of their sources and the importance of doing so to avoid outbreak of diseases.

Sanitation - In some cases, if the situation arises the department also takes up the task of construction of temporary pit latrines in relief camps. However in such cases necessary funds will have to be arranged and the number and location of such temporary toilets will be provided as per list provided by the District authorities.

The list of our field staff with their head quarter and contact no is enclosed herewith for any emergency during flood situation

Pre flood preparedness and action to be taken

i) Repairing of spot sources in probable relief camps

1.	Nos of spot sources required minor repairing=	20 Nos.	@Rs.800.00 (Each)	Rs.16000.00
2.	Nos of spot sources required major repairing=	30 Nos.	@Rs.4500.00(Each)	Rs.135000.00

During Flood

(ii) Requirement of materials for Procurement of Chemical for preparation of Chemical Packets

1	Lime	300 Kg	@Rs.50.00	Rs.15000.00
2	Alum	200 Kg	@Rs.60.00	Rs.12000.00
3	Polythine Packets	50000 Nos.	@Rs.120.00	Rs.60000.00
4	Leaflets	50000 Nos.	@Rs.150.00	Rs.125000.00
5	Labour	LS	@Rs.8000.00	Rs.8000.00
6	Sundries	LS	@Rs.2000.00	Rs.2000.00
				Rs.222000.00

(iii) For distribution among flood affected people, the quantity of Chemical packets to be kept ready. 50000 Chemical Packets will be kept ready for immediate distribution after getting chemicals.

Flood Contingency Plan-2026-2027

Moreover water purifying Halazone tablets will be distributed for water purification in the event of flood in flood affected area.

(iv) Procurement of Hand Pumps from local market –

Hand Pumps required for temporary installation in flood relief camps (As per Annexure 1) and flood affected areas are assumed to be:

- i) Materials Considering 428 nos. hand Pumps @ Rs.5870.00/ each = Rs. 25,12,360.00
- ii) Labour Considering 428 nos. hand Pumps @ Rs.5302.00/ each = Rs. 22,69,256.00

Total= Rs. 47,81,616.00

v) Assessments of construction of Toilets in probable relief camps

1.	Toilets	428 Nos.	@Rs.2437.00	Rs.10,43,036.00
-----------	---------	-----------------	--------------------	------------------------

D) Post Flood Activities

i) Awareness activities

It is mandatory to disinfect the drinking water sources submerged immediately after receding of flood water. Massive awareness will be made amongst the rural people involving NGO/PRI, Local Social Network etc. to generate awareness towards purification of drinking water, sanitation facility and proper hygiene.

ii) Permanent repairing of PWSS and Spot sources Just after flood, the damaged caused to the PWSS and spot sources will be assessed properly and proposal for the same will be submitted to the higher authority with the approval of Civil Authority.

E) Any other

A contingency plan is already made allotting the duties of the officers and field staff to mitigate the problem faced by the affected people and on the basis of information provided by the Civil authority

Action Plan for Flood Mitigation

Abstract of cost

SI No.	Activity	Amount required
	Pre flood preparedness and action to be taken	1,51,000.00
	Procurement of Chemical for preparation of Chemical Packets	2,22,000.00
	Procurement of Hand Pumps from local market	47,81,616.00
	Assessments of construction of Toilets in probable relief camps	10,43,036.00
Total=		61,97,652.00

Flood Contingency Plan-2026-2027

Morigaon-Lagarighat-Jagiroad Division (Irrigation), Morigaon

Flood Contingency Plan for the year 2026-27

This division is well prepared to mitigate the emergency situation that may arise due to flood in the upcoming times. The flood management plan is formulated in three stages viz., Pre Flood, During Flood and Post Flood.

Pre Flood:

- The Section Officer (SO) along with Section Assistant (SA) and Khalasis will visit the schemes under jurisdiction regularly, identify the vulnerable areas and types of measure to be taken up, mapping them and prepare estimates after proper survey and submit to Assistant Executive Engineer for onward disposal.
- The Section officer will prepare a list of response materials and machineries which will be or may be required to minimize flood damages or impacts well ahead of flood.
- The Assistant Executive engineer will forward the estimates to the Executive engineer for necessary action.
- The Executive engineer will scrutinize the same and subsequently forward to competent authority through proper channel.

During Flood:

- The Executive engineer (E.E) will issue notification during flood and assign routine flood monitoring duty engaging Section Officers (S.O), Section Assistants (S.A), Khalasis and Chowkidars in two shifts (day shift and night shift) with copy to Assistant Executive engineer as supervisor.
- The Assistant Executive engineer (A.E.E) will instruct the Section Officer to ensure regular duty of S.A and khalasis and keep fully open the gates of barrage and closure of head regulators of scheme when no need of use. He will also ascertain their close vigil to canal, embankment and other structures etc.
- On getting any symptoms of damage due to flood, the concern S.A and khalasis will immediately inform it to the S.O and promptly take protection measures with materials in hand. The S.A and Khalasis of Lift Irrigation schemes, on rise of water as seemed to endanger for machineries will keep the machineries in high land. They will also ensure of barges in LIS being properly tied during flood season.
- The S.O will immediately visit the site and for mapping the impact and report the Circle office, A.E.E., E.E., Water Users Association (WUA) and District control room if necessary.
- The A.E.E and E.E. will immediately visit the site and instruct the S.O. to take measures. The S.O will take measures accordingly.

Post Flood:

- The section officer along with Section Assistant and Khalasis will visit the schemes under jurisdiction, identify the extent of damages, mapping them and prepare estimates after proper survey and submit to Assistant Executive Engineer for onward disposal.
- The Assistant Executive Engineer will forward the estimate to the Executive Engineer for necessary action.
- The Executive engineer will scrutinize the same and subsequently forward to competent authority through proper channel.

During all the stages, the Executive Engineer will maintain close coordination with the Office of the District Commissioner and DDMA authorities, providing regular updates.

Flood Contingency Plan-2026-2027

Departmental Control Room

In connection to the ensuring flood and other disaster management activities, a divisional control room has been formed with the following personnels in the rank of Nodal officers.

Sl No.	Name of the Nodal Officers/Officials	Designation	Contact Number
1	Mr. Mrinal Talukdar	AEE(TC),Morigaon-Laharighat-Jagiroad Sub-division,Morigaon	9435364909

ACTION TAKEN REPORT

This division has taken proactive measures to mitigate flood-related emergencies for the upcoming monsoon season. The following actions have been undertaken in line with the approved Flood Emergency Management and Preparedness Plan 2026:

1. Awareness and Preparedness of Staff

- All office and field staff have been briefed on potential flood situations and instructed to follow prescribed safety measures.
- Field staff have been equipped with torch lights and mobile phones to ensure continuous communication during emergencies.
- Instructions were issued for monitoring barges at ELIS points, ensuring they are properly tied up to prevent damage during flood conditions.
- Guidelines issued from this Division to AEE and Field officials is enclosed herewith for your kind information in ANNEXURE-I
- List of identified vulnerable schemes are enclosed herewith for favour of your ready reference in ANNEXURE-II

Flood Contingency Plan-2026-2027

2. Pre -Flood Measures:

- The Section Officer (SO) along with Section Assistant (SA) and Khalasis will visit the schemes under jurisdiction regularly, identify the vulnerable areas and types of measure to be taken up, mapping them and prepare estimates after proper survey and submit to Assistant Executive Engineer for onward disposal.
- The Section officer will prepare a list of response materials and machineries which will be or may be required to minimize flood damages or impacts well ahead of flood.
- The Assistant Executive engineer will forward the estimates to the Executive engineer for necessary action.
- The Executive engineer will scrutinize the same and subsequently forward to competent authority through proper channel.

3. During Flood Measures:

- The Executive engineer (E.E) will issue notification during flood and assign routine flood monitoring duty engaging Section Officers (S.O), Section Assistants (S.A), Khalasis and Chowkidars in two shifts (day shift and night shift) with copy to Assistant Executive engineer as supervisor.
- The Assistant Executive engineer (A.E.E) will instruct the Section Officer to ensure regular duty of S.A and khalasis and keep fully open the gates of barrage and closure of head regulators of scheme when no need of use. He will also ascertain their close vigil to canal, embankment and other structures etc.
- On getting any symptoms of damage due to flood, the concern S.A and khalasis will immediately inform it to the S.O and promptly take protection measures with materials in hand. The S.A and Khalasis of Lift Irrigation schemes, on rise of water as seemed to endanger for machineries will keep the machineries in high land. They will also ensure of barges in LIS being properly tied during flood season.
- The S.O will immediately visit the site and for mapping the impact and report the Circle office, A.E.E., E.E., Water Users Association (WUA) and District control room if necessary.
- The A.E.E and E.E. will immediately visit the site and instruct the S.O. to take measures. The S.O will take measures accordingly.

4. Post- Flood Measures:

- The section officer along with Section Assistant and Khalasis will visit the schemes under jurisdiction, identify the extent of damages, mapping them and prepare estimates after proper survey and submit to Assistant Executive Engineer for onward disposal.
- The Assistant Executive Engineer will forward the estimate to the Executive Engineer for necessary action.
- The Executive engineer will scrutinize the same and subsequently forward to competent authority through proper channel.

5. Continuous Coordination

Throughout all stages—pre-flood, during flood, and post-flood—the Executive Engineer remained in close contact with the Office of the District Commissioner and DDMA authorities, providing regular updates on the situation and response measures.

Flood Contingency Plan-2026-2027

6. Departmental Control Room

In connection to the ensuring flood and other disaster management activities, a divisional control room has been formed with the following personnels in the rank of Nodal officers.

Sl No.	Name of the Nodal Officers/Officials	Designation	Contact Number
1	Mr. Mrinal Talukdar	AEE(TC),Morigaon-Laharighat-Jagiroad Sub-division,Morigaon	9435364909

6	Azizur Rahman	Jagiroad Sub-division,Boha	9864450407	Mayang Rev. Circle

8. Conclusion:

The Morigaon-Laharighat-Jagiroad Division (Irrigation) has successfully implemented preventive, monitoring, and mitigation measures for the 2026 flood season. All staff are vigilant, infrastructure and machinery have been secured, and departmental coordination is maintained through the control room and nodal officers to ensure rapid response during emergencies.

Flood Contingency Plan-2026-2027

DISTRICT SOCIAL WELFARE DEPARTMENT, MORIGAON

Flood Contingency Plan 2026-27

Disaster in Morigaon

The District of Morigaon is vulnerable to numerous hazards. The Morigaon district is situated in the flood plains of the Brahmaputra River and its tributaries, which begin in Meghalaya and include the Killing, Kollong and Kapili rivers. Every year, these rivers' rising water levels flood the district's low lying flood plains and chars due to high rainfall in their upper and lower catchment areas during the monsoon season, causing enormous losses in terms of property, human lives and the economy.

Flood Readiness: 2026–2027

Introduction:

The Department of Women and Child Development in Morigaon has been carrying out a number of programs for women's empowerment, Beti Bachao Beti Padhao, older people, disabled people, orphaned and impoverished children, and children & mothers. One of the main initiatives for enhancing the health and nutrition of mothers and children is the ICDS, which is carried out by five (5) ICDS projects in Morigaon i.e. Bhurbandha, Mayong, Kapili, Laharighat and Moirabari through a total of 2137 operational AWCs in Morigaon that cover every development block under the Morigaon District.

FLOOD PREPAREDNESS

1. A mobile maternity facility is designed to care for pregnant women who will be at an advanced stage during floods. ASHA, AWW, local expert women (Dhai), ANM, and members of the MSG of the local AWC make up the team. They will move from one pregnant person to another and provide them with all services within the team's capabilities, such as
 - (a) Transporting pregnant women who are in labor or experiencing other difficulties to the closest hospital by calling (108) to a reachable location or by using any other safer method of communication.
 - (b) If institutional delivery is not possible, making a safe home delivery using all hygienic procedures.
 - (c) In order to prevent the newborn from losing the chance to consume colostrum due to flooding, the team will assist the pregnant women with all necessary care during labor and after delivery
 - (d) The team will also weigh the newborn as soon as it is born (if at home or in a camp).

2. In order to provide children with all the amenities they need during the flood, child-friendly spaces are also set up in certain places. Supervisors and the C.D.P.O. will assist in setting up the CFS. Various items are donated in order to prepare the center.

All of the ICDS services listed below will be given to the kids.

- a) The CFS will have toys, play materials, comics, and other items.
- b) The CFS can serve as a location for both SNP and preschool if the local AWC is damaged by flood.
- c) The CFS will have clean drinking water.
- d) The CFS will have a first-aid box.

Flood Contingency Plan-2026-2027

- e) Kids can relax in the CFS.
 - f) Children can be weighed and immunized using CFS.
 - g) Children will receive medical examinations at the center from doctors.
3. The Supplementary Nutrition Program is implemented across the ICDS Project in the Morigaon District. Should a flood occur, the SNP will continue in the same manner, however feeding schedules may change. With the assistance of circle Supervisors, Local Gaon Burha, the C.D.P.O. Would provide RTE food products to Children, Pregnant women, and nursing mothers.
 4. With the assistance of NGOs and medical professionals in the relief camp, AWWs and AWHs will care for the elderly, orphans, and impoverished. The impoverished and orphans will be assisted by our AWW/Helpers in moving them to an impoverished or elderly home.
 5. Voluntary organizations are found, and a list of the few AWWs who may not be residents of the flood-affected areas is chosen to provide assistance during the storm.
 - A) Gramya Unnayan Sangstha, Vill & PO-Moirabari, Phone: 9435010306
 - B) Morigaon Mahila Mehfil, Civil Hospital Road, Morigaon, 9435164216
 - C) North East Child Welfare, Morigaon, Ward No. 3Morigaon, Phone: 9085936829
 - D) Morigaon Zila Gramya Puthibharal Santha, Rajagaon, Morigaon; phone number: 7002161249
 - E) Barchala Gramya Sakharata Samity, Borchala, Morigaon; phone number: 840393959
 - F) Uttaran Sanmilita Mahila Gushthi, Baghchap Chariali, Morigaon; phone: 7002198570

IN THE FLOOD:

All C.D.P.O.s will be alerted and asked to be in regular communication with D.S.W.O. as soon as the flood warning is received. In the event of a flood, the same will stay in close contact with D.C. Morigaon .

1. The Orphan, Old, infirm and impoverished will be taken care by our AWW/AWHs, whether they are given proper accommodation or not in the relief camp.
2. The voluntary organizations whose names are attached herewith will be notified and asked to provide their services in regions impacted by flood .
3. If it becomes essential, the impoverished will be moved to a destitute home.
4. The closest Nutrition Rehabilitation Centre will receive the severely malnourished children.
5. Within an hour of the baby's birth, the mobile maternity unit will make sure they are breastfed.
6. AWWs will make sure that children up to the age of two receive complimentary feeding.
7. Children will receive RTE food items.
8. AWWs will guarantee that malnourished children receive both supplemental and complementary feeding.
9. AWW and ASHA will provide extra attention to expectant and nursing mothers.
10. Vitamin – A solution as well as deworming medicine for children 1 to 5 years will be given at proper time in immunization camp during flood by AWW and ASHA.
11. Concerned AWWs, ASHA, and ANM will make sure that mothers and children, particularly those who are pregnant, consume iodized salt.
12. With the assistance of health professionals, the AWW and ASHA will provide necessary items, such as sanitary napkins, to assist teenage girls in maintaining personal hygiene during floods.
13. The Voluntary organization along with AWWs will ensure that no trafficking of adolescent girls take place during flood , If any of such incidents occur , they will report to concern police station , Circle officer, DSWO, CDPO, DCPO and Supervisors.

Flood Contingency Plan-2026-2027

Following the flood:

- (a) AWCs damaged during the flood will be listed and forwarded to the relevant authority for prompt repair
- (b) The closest old age home and destitute home will receive elderly people who are homeless and penniless.
- (c) Children who are found to be malnourished will be reassessed and transferred to the NRC, which falls under the SAM category.
- (d) If any trafficking of children and adolescence take place during the flood, it will be informed to the DCPO, Morigaon immediately and constant contact will maintain with the same.

Flood Contingency Plan-2026-2027

DISTRICT ANIMAL HUSBANDRY & VETERINARY OFFICE FLOOD CONTINGENCY PLAN FOR 2026-27

ACTION IMPLEMENTATION AND FLOOD CONTINGENCY PLAN OF AH & VETY. DEPARTMENT, MORIGAON DISTRICT

This contingency plan covers the planned activities to be undertaken during floods in the monsoon in the district. It is found that most parts of Morigaon district receive normal to above rainfall in between the month of May and October. The Contingency Plan is based on the previous experiences of flood and action taken for mitigation. The Contingency Plan shall be implemented at three stages i.e. before the flood, during and after the flood. The objective of the Contingency Plan is to effectively minimise the impact of flood on human and livestock population.

LIVESTOCK AND POULTRY POPULATION IN MORIGAON DISTRICT

Sl. No	Species	Population
1	Cattle	2,16,374
2.	Buffalo	1,453
3.	Sheep	4,557
4.	Goat	95,258
5.	Pig	20,520
6.	Poultry	8,59,203
7.	Others	1,538

Problems that may be faced by the district during disaster :

1. Nineteen nos of institutions under Dist. A.H &Vety. Office, Morigaon is identified at-risk infrastructures.
2. Unavailability of flour mills in Morigaon district for which contacts have been made to registered flour mills of nearby Kamrup District to supply feed during floods.

Immediate actions to be carried out by District Vety. Office-

1. An Incident response team has been formed for probable flood of 2026-27. They shall be responsible for immediate reporting and taking actions during probable flood of 2026-27.
2. 14 Nos. of Rapid Response Team has been constituted as per the nos. of dispensary in Morigaon district. All the contact details of the team leaders and members have been submitted earlier.
3. Arrangement of pre-flood vaccination has been completed. Medicine camps such as Pashu-Swasthya mela has been organized and flood awareness camps under the supervision of DDMA Morigaon shall be completed within 1st week of April, 2026.
4. Meeting with all the VO/BVOs of Morigaon district in regards to flood activities has been conducted. High land areas under each and every SVD/BVDs has been identified.
5. 5 bighas of land in the District AH. &Vety. Office Campus have been cultivated with Napier and seasonal grass. This shall be utilized as fodder during the upcoming flood season.
6. Identification of 22nos of registered rice mills has been completed which will be utilized as stock of food grains and cattle feed for 2026 flood vulnerable areas.
7. Collaborations are made with Mahabahu FPC, Charaibahi for supply of maize to be given to livestock inflood affected areas. Private paddy straw sellers have also been identified for supply of dry fodder as feed to livestock during floods.
8. For supply of wheat bran as feed to livestock, contacts have been made with the registered feed mills of Kamrup district.
9. 5nos of Mobile Veterinary Units (MVU)s has been fully equipped with medicine stocks and shall be utilized to provide aids to livestock during flood.

Flood Contingency Plan-2026-2027

Requirement of feed during disaster –

Sl. No	Species	Population	Daily requirement/animal bird (kg)	Total daily requirement (quintal)	Stock Position (quintal)	Remarks
1	Cattle	2,16,374	4kg(straw)+1kg(concentrate feed)+ 8 kg grass	13 kg approx / animal	About 200 quintals of stock present	The total daily requirement has been estimated taking the minimum daily feed requirement as per animal.
2.	Buffalo	1,453	6kg(Straw)+4kg(concentrate) + 10 kg grass	20 kg approx /animal		
3.	Sheep	4,557	230gm(concentrate) + 1.5 kg grass	1.73 kg /animal		
4.	Goat	95,258	250 gm (concentrate)+2kg (grass)	2.25 kg approx./animal		
5.	Pig	20,520	Varies from 100gm/kgBW to 1500 gm/ kg BW as per the age of animal	100gm-1500gm/kg bwt		
6.	Poultry	8,59,203	Varies from 100-150 gm/ day/bird	100-150 gm/day/bird		

Contingency plan for flood-

The following actions may be taken up by the District office

Before flood -

Sl. No	Action to be taken	Status
1	Formation of Control room at Dist. HQ	Completed
2	Formation of Incidence Response Team (IRT) headed by one VO/BVO & Other Para vet stuff	Completed
3	Pre-vaccination of livestock and poultry	Ongoing
4	Fodder cultivation at departmental land for use during flood	Completed
5	Identification of high land to protect the affected animals during flood	Completed
6	Awareness among livestock owners for various measures to be taken before , during and after flood	Completed
7	Storage of sufficient medicines, vaccines	Distributed dispensary wise, buffer stock required
8	Coordination with the concerned circle officer, Gaonburah for any emergency	Communicated

During flood-

1. To assist in rescue of livestock and poultry to suitable highland/raised platform by local Incident Response Team.
2. Mobilization of Mobile Vety Team if necessary.
3. Treatment, vaccination and all possible relief operation to be carried out by 14 nos. of IRT.
4. Supply of Cattle feed/fodder to the animals of the affected areas in consultation with the Civil administration.
5. To assist in disposal of carcass if any.
6. Reporting of flood situation daily to Circle Officer, District Administration and Director A.H & Vety.
7. Reporting of loss and damage of livestock and infrastructure to District Administration within 24 hours through Circle Officer.

Flood Contingency Plan-2026-2027

After flood-

1. Treatment, vaccination & other possible measures to be taken upto combat the situation by the dispensaries and sub centres for health coverage of livestock and poultry.
2. To assist in disposal of carcass.
3. Assessment of loss and damage of livestock and infrastructure as per SDRF norms.

Flood Contingency Plan-2026-2027

MORIGAON ELECTRICAL CIRCLE APDCL(CAR) MORIGAON

FLOOD CONTINGENCY PLAN 2026-2027

Introduction

Profile of the Department: The primary purpose of Assam Power Distribution Company Limited is to undertake distribution, trading and supply of electricity in the state of Assam or outside it in accordance with provisions of Applicable Law. It has also the mandate to develop, maintain and operate the power distribution system in the state of Assam. The company is serving the people of Assam with a consumer base of more than 67 lakhs, which is growing with every passing year.

Flood Hazard and Vulnerability Scenario

- a. Damaging to electrical Poles and Lines, Transformers due to floods
- b. Loss of human and animal life due to coming in contact with flood waters which is in contact with live electrical wire
- c. Isolation of electrical spur lines, feeders and Shutdown of sub stations incase of heavy flooding inside the premises.

Departmental Flood Preparedness Plan:

In order to mitigate the loss of life which may arise due to combination of Flood and Electricity, the following are to be undertaken.

Close monitoring of areas under jurisdiction of respective sub divisions for any probable damage due to flood.

Cut off electricity in areas which have been flooded/ vulnerable, for safety of public/animals. Identifying the level of requirement, span disconnection, transformer disconnection or feeder disconnection will be carried out.

Heightening of Transformers at various locations has been carried out and the SDEs have been asked to identify vulnerable locations and make arrangements for heightening of the same.

Illegal electrical connections are likely to pose threat to human/animal lives and have to be removed.

After flood restoration work is very vital for safety purpose. Proper safety checks of the electrical network have to be conducted by the concerned sub-divisions before charging of the lines.

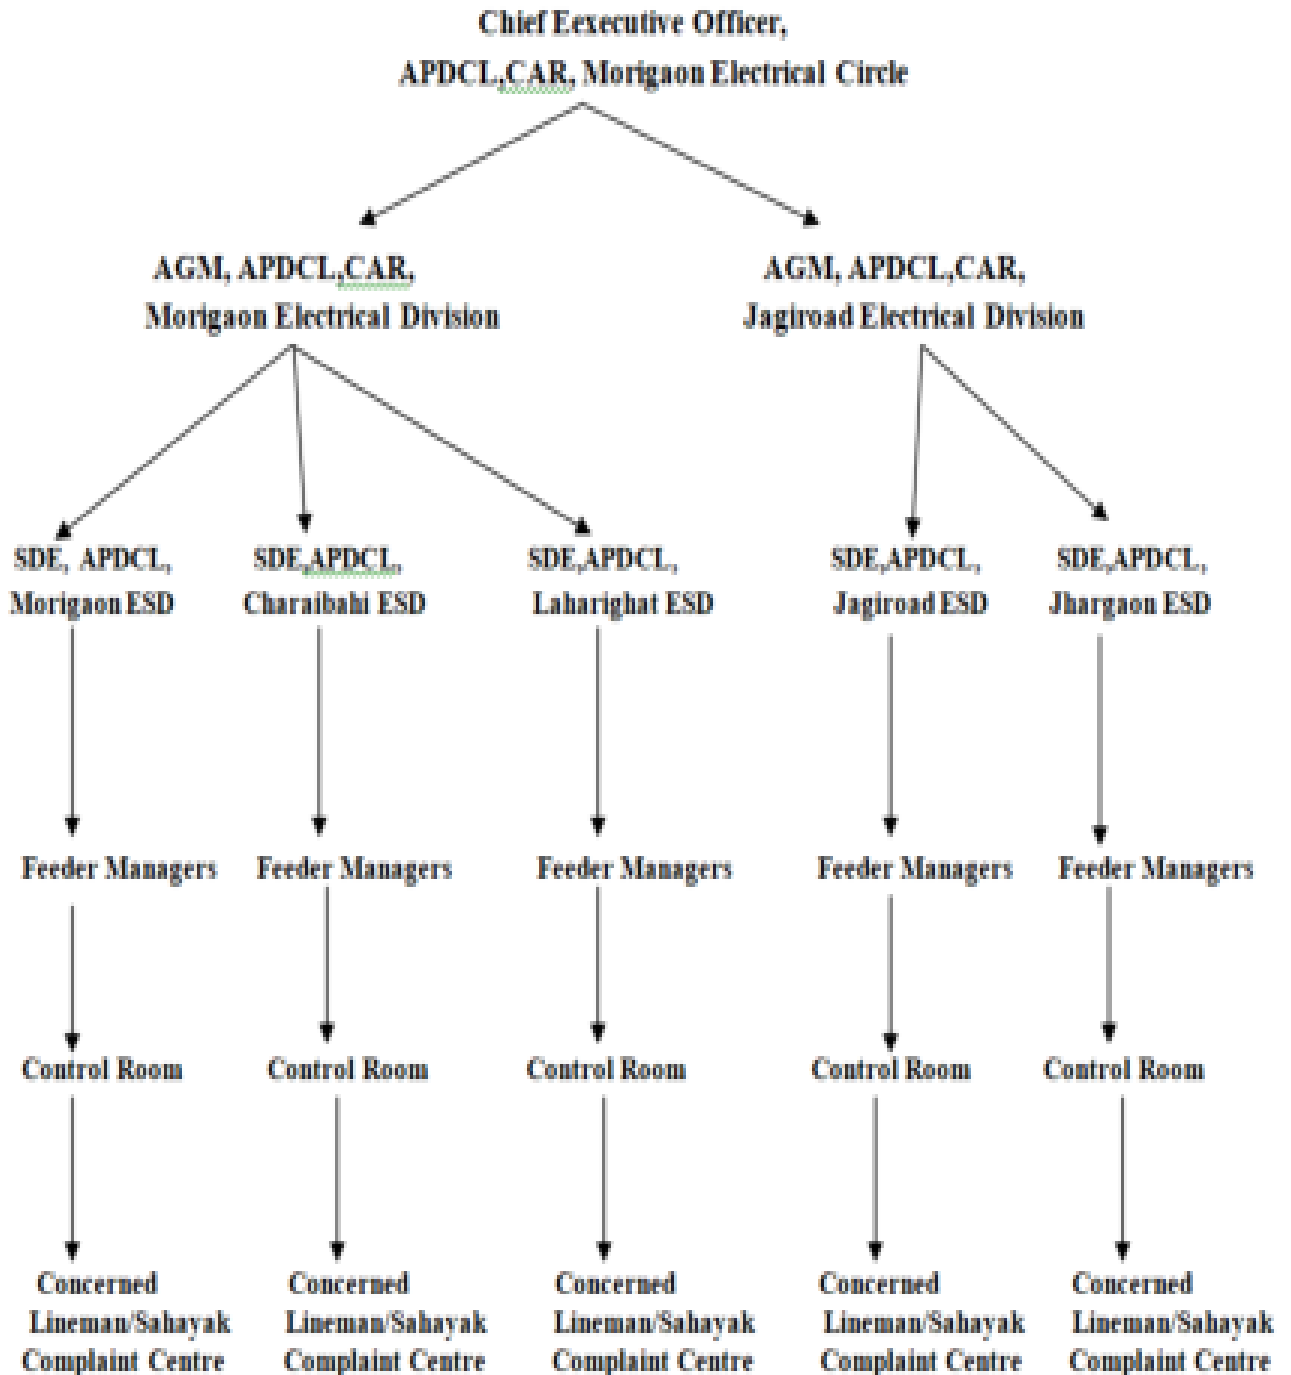

The respective sub-divisions will check areas under their jurisdiction for detection of any defect of electrical network and take damage control measures wherever necessary.

Replacement of poles, conductors, transformers etc. which has been damaged during flood has to be carried out.

Making sure that electricity is provided in areas only after flood water is below danger level and after proper checking of electrical network.

Flood Contingency Plan-2026-2027

a. Functional Organizational Structure at District and Local Levels

Flood Contingency Plan-2026-2027

a. Details of Incident Response Team (IRT) and Flood Nodal Officer for flood, 2026-27:

Flood Nodal Officer:

Sl. No.	Name of Flood Nodal Officer	Designation	Contact No.
1.	Sri Pallab Das	AGM, Morigaon Elect. Division, APDCL	8822424713

5(Five) Nos. Incident Response Teams and 1(One) No. Flood Nodal Officer are formed under Morigaon District for flood, 2026-27 as below:

Sl. No.	Name of Incident Response team	Name of team head	Designation	Contact No.
1.	Morigaon	Dhanesh Barman	SDE, Morigaon Elect. Sub-Division, APDCL	8876464707
2.	Charaibahi	Shah Alam	SDE, Charaibahi Elect. Sub-Division, APDCL	9706594490
3.	Laharighat	Pranab Kr. Mandal	SDE, Laharighat Elect. Sub-Division, APDCL	9435401514
4.	Jagiroad	Rchitradeep Rajkumar	SDE, Jagiroad Elect. Sub-Division, APDCL	8638899703
5.	Jhargaon	Nilutpal Borah	SDE, Jhargaon Elect. Sub-Division, APDCL	8638212403

b. Inventory of Departmental Resources

- i. Safety tools: Safety belt, Gum boot, Rain coat, Hand gloves, Helmets available and distributed to centers of action.
- ii. Bamboo Ladder: Available.
- iii. Voltage detector: Available
- iv. O&M spare materials of line: Available
- v. Other related equipment's: Available

c. Details of district level departmental Officials

Flood Contingency Plan-2026-2027

MORIGAON MUNICIPAL BOARD, MORIGAON

FLOOD CONTINGENCY PLAN 2026-2027

ULB LEVEL DISASTER MANAGEMENT PLAN MORIGAON MUNICIPAL BOARD

PROFILE OF THE CITY :

HISTORY OF THE ULB : Morigaon is one of the developing town and district headquarters of Morigaon district in the state of Assam in India. Initially Morigaon Town Committee was established in the year 1973 comprising 4 nos. Of wards. In the year of 2008, Morigaon Town Committee was upgraded to Morigaon Municipal Board comprising 8 nos. of wards covering population 20801. At present Morigaon Municipal Board have total 11 nos. of wards vide Govt. notification no. UDD (M) 73/97/73 Dated: 14/02/2014 with a population of 36697 (approx.).

LOCATION & ADMINISTRATIVE FEATURES NAME OF CITY/TOWN:

Name of District: Morigaon Name of the ULB: Morigaon MB

Longitude & Latitude: 26°15'01.4"N 92°20'25.5"E

Location Details of City:

City surrounded By	North	South	East	West
District	Darang	Karbi- Anglong	Nagaon	Kamrup
Taluka	Morigaon	Morigaon	Morigaon	Morigaon
City/Town/Village	Morigaon	Morigaon	Morigaon	Morigaon

Geography:

Morigaon Municipal Board is located at 26°15'01.4"N 92°20'25.5"E. Morigaon M.B. is a single ULB in Morigaon district of Assam with 4 Sq.km. geographical area. This ULB is bounded by Morikolong Beel in SouthWest and headquarters of the Tiwa Autonomous Council (TAC), Tiwa Shong Assam that was constituted by the Government of Assam on 14th April, 1995.

Demography:

As of 2011 India census, the Morigaon Municipal Board has a population of 29164 of which 14846 are Males while 14318 are females as per report released by Census India 2011.

The population of Children between the ages of 0-6 is 3247, which is 11.14% of the total population of Morigaon town. In Morigaon district, the Urban Sex Ratio is 971. The literacy rate of Morigaon city is 89.42% higher than the state average of 72.19%.

Morigaon Municipal Board has total administration of over 158 houses out of total 8235 households to which it supplies basic amenities like water and sewerage. It is also authorized to build roads within municipal board limits and impose taxes on properties coming under its jurisdiction.

Most of the residents are members of Scheduled Tribe (P), Schedule Cast (SC) then other communities.

Flood Contingency Plan-2026-2027

DEMOGRAPHY :

GOALS/AIMS

- a) To reduce morbidity and mortility due to desease usually common during flood like water born disease, malaria, reaspiratory infection Viral disease from usually common disease in the community.

Flood Contingency Plan-2026-2027

- b) To maintain all the Other Health Programme like J.S.Y, RNTCP, NVBDCP in functioning state as per as predictable.

STRATEGIES:

1. A district control room is established at office of Joint Director of Health Services with round the clock function with telephone no.
2. Block PHC will be overall in charge of the zones. Sectoral Medical Officer, Paramedical staff including ASHA will support him.
3. Four Nos. of rapid action team will be constituted, 2 nos. will be places at district headquarter for round the clock rapid response to combat any adverse situation & one will be placed at Jhargaon and another at Bhuragaon SHC & Laharighat.

Nodel Officer : Dr. Pabitra Sarkar, Sr. M&HO

Rapid Action Team

Team A

1. Dr. Binayak Sarma.
2. Dr. L.N Bora.
3. Nazima Begum, G.N.M
4. Lukumoni Hazarika, G.N.M
5. Matin Ali, Grade IV

Team B

1. Dr Jutika Baidya.
2. Dr. Samim Ahmed.
3. Purnima Devi, G.N.M
4. Dreamy Kakati, G.N.M
5. Rubul Ali, Grade IV.

Team C

1. Dr. Dichen Bordoloi .
2. Dr. Chimoy Baruah.
3. Ranjulata Roy, G.N.M.
4. Nirmali Saikia, G.N.M
5. Mannan Ali, Grade IV

Team D

1. Dr. Chandra Singh Dewri.
2. Dr. Partha Sarathi Hazarika.
3. Charumoni Deka, G.N.M.
4. Jyoti Rekha Bora, G.N.M
5. Milan Ali, Grade IV.

4. The Civil Hospital is allotted to meet any epidemic situation arise.
5. A buffer stock of essential medicines, Halogens tablets for water purification,ORS, Phenyl, Anti snack venome etc will be available. A need based supply of medicines wills done up to peripheral and sub-center. Last year expenditure of Phenyl, ORS, Water Purifier,etc is enclosed herewith.
6. Support for alternative transport like Machine Boat , Country Boat and other slow moving vehicle to be sanctioned from District Administration. Preferably 4,5 Boats per block shall be required.
7. Inter sectoral convergences of different department like civil adminstration PHE,PWD,Education, Social Welfare etc. are needed for maintain sanitatioms and hygiene in the relief campus and in the area surrounded by the flood water.
8. Proper IEC/BCC activities for preventions of disease common during flood will be displayed.

Flood Contingency Plan-2026-2027

ACTIVITIES

The activities are planned in three phases

- a) Before flood situation.
- b) During flood situation.
- c) After flood situation.

The block PHC will prepare a duty roster indicating who is responsible for What of activity as well as explore alternate mode of services delivery by boat etc as when require and identify resources coping with the available resources.

A. Activities before flood situation:-

1. Sansitization of all ASHA workers & ANM about the “Do & Do not” for prevention of common disease flood.
2. All sub center will be adeqately stocked with
 - a. Halogen Tablets
 - b. ORS
 - c. Blood Slides for B/S collection of fever cases
 - d. Rapid diagnostic Kits for Malaria
 - e. Drugs for minor Aliments
 - f. DDSM will ensure adequate stock of medicine & uninturrept supply to campus when needed. He will also submit in advances to the O/O Morigaon list of items that are not available in Govt stock.
3. All sactoral Health institution will be adequately stocked with required medicines & other logistic sectoral Medical offices will be incharge sector of preventive curative and promotional aspect of health.

B. Activities During Flood Situation

1. Depot holder for halogen tablets, ORS will be preferably with ASHA workers.
2. Safe drinking water,proper sanitations will be maintained as associated with concerned department.
3. Un hygienic food vendor in the relief camp will not be associated with concerned department
4. Health education for maintain personal hygiene sanitations will imparted by distribution of leaflet, making, poster, demonstration of hand washing etc.
5. Sectoral Medical Officer will keep surveillance for early detection of detection of epidemic like situation ad arrange for promt treatment
6. Beside Sectoral Medical Officer will continue regular visit to the camp after urative treatment for any ailments
7. Need based health check up will be organized in the relief camp.
8. 4 Nos of Bolero vehicles to carry medical team to camp areas.
9. Special medical Boat 1(one) for Jhargaon and 1(one) for Bhuragaon.(For Medical Camp Purpose)

C. Activity after flood situation:

1. Both activity and passive surveilance for the post flood epidemic like diarrhoea, dysentery, viral, infection, RTI etc. will be maintained at all level of from periphery to district head quarter
2. Health education through IEC activity and Health data observation
3. Need Based Health Camp will be organized.

INPUT NEEDED

1. Required transportation with POL
2. Motor Boat = 3 Nos
3. Slow moving vehicle =20 Nos
4. Country Boat = 10 Nos
5. Fund for health check-up campus = (cost of petrol+ light refreshment)
6. IEC matarial for Health education = leaflet, poster, booklet, fund etc.

Flood Contingency Plan-2026-2027

BLOCK LEVEL MONITORING TEAM :-

Jhargaon team

1. SDM&HO - Incharge
2. Sr. M&HO - 1 Nos (from Nakhola)
3. M& HO (Child Specialist) - 1 Nos (Dr. Alpana Pegu)
4. SI (PH) - 1 Nos
5. HE - 1 Nos
6. G.N.M - 1 nos
7. A.N.M - 1 nos
8. Gd IV - 1 nos

Bhurbandha Team

1. SDM&HO - Incharge
2. M&HO - 1 Nos
3. Sr. M& HO (Child Specialist) - 1 Nos
4. SI (PH) - 1 Nos
5. HE - 1 Nos
6. G.N.M - 1 nos
7. A.N.M - 1 nos
8. Gd IV - 1 nos

Laharighat Team

1. SDM&HO - Incharge
2. Sr. M&HO - 1 Nos
3. M& HO (Child Specialist) - 1 Nos (Dr. Goutam Yadav)
4. SI (PH) - 1 Nos
5. HE - 1 Nos
6. G.N.M - 1 nos
7. A.N.M - 1 nos
8. Gd IV - 1 nos

Boat Clinic will cover Brahmaputra CHAR area by

1. Doctor - 2 nos
2. GNM - 2 nos
3. ANM - 2 nos
4. Pharmacist - 2 nos
5. L.T - 2 nos

One District Mobile Team Unit will be covered by

1. Doctor - 2 nos
2. GNM - 2 nos
3. ANM - 2 nos
4. Pharmacist - 2 nos
5. L.T - 2 nos

Where needed flood effected area

District Monitoring supervision team will comprised of :-

1. Joint Director of Health Services, Morigaon
2. The Addl Chief Medical & Health Officer, Morigaon
3. S.D.M& H.O (HQ), Morigaon
4. DMO
5. DPM, NHM

DMP will ensure to going inside noted camp and DDT Spraying in the effected villages when the inmates returns home.

The Joint Director of Health Services will be overall in-charge of all activities.

Flood Contingency Plan-2026-2027

REPORTING

The daily report will be submitted by each of the health institutions under Morigaon District directly H.Q with a copy to the concerned block PHC irrespective of all activities outbreak of epidemic death case & requirement of drugs and other logistics.

<u>Medicine Stock</u>	<u>Essential Medicines Requirement</u>
General Medicine Available	<u>Requirement</u>
	1. Phenyl 400 Gallon
	2. Bleaching Powder
	3. Sanitary Napkin
	4. Helogen Tablets
	5. Gention Violet
	6. Benziyl Benzate

Camp approach for flood relief camp

1. Fixed medical team 24x7 with medicine & staff.
2. Sweeper.
3. Waste disposal = BMW bins
4. Referral ambulance
5. Separate room for physical handicapped or disabled person and bed ridden cases.
6. Napkins & their disposals.
7. Provision for vaccination(RI) if camp duration is prolonged,

Flood Contingency Plan-2026-2027

Flood Contingency Plan-2026-2027

Submitted by

Morigaon / Bhuragaon / Moirabari /Jagiroad

Fire & Emergency Services, Morigaon.

1. INTRODUCTION:-

Morigaon district has traditionally been the symbol of the ferocity and Extent of floods in Assam. The annual floods used to leave silt on the agricultural Fields making them more fertile every year and were a boon for the farmers. However, its intensity has increased over the years which lead to the destruction of Crops, human settlements, roads, bridges etc. and loss of human and animal life. Every year large areas in the district are inundated and considerable tracts of land Is swallowed up by erosion. The tributaries of the Brahmaputra on both banks have Considerable hill catchments especially in upper stream. The heavy monsoon rains that fall on these hills soften the top soil on the steep slopes. The streams and rivers carry these sediments down the steep hill slopes and these sediments are deposited on their beds, thus choking the channels. The resultant rising of the bed naturally Reduced the volume of the channels making the rivers shallow. The heavy monsoon Rains that fall on these hills soften the top soil on the steep slopes. The streams and rivers carry these sediments down the steep hill slopes and these sediments are Deposited on their beds, thus choking the channels. The resultant rising of the bed Naturally reduced the volume of the channels making the rivers shallow. The heavy water and silt discharges occurring in upper region of the rivers during the peak Monsoon find their way through numerous streams and rivulets resulting in Excessive spilling over on the banks of the rivers and their tributaries and Consequent water logging in extensive areas of the plains of the district.

2. MORIGAON AT A GLANCE:-

- ✓ LOCATION: It is situated between 26.15 degrees North & 26.5 degrees North latitude and between 92 degrees East and 95.5 degrees East Longitude.
- ✓ POPULATION: 9.57 Lakhs (as per 2011 Census) Morigaon district population in 2022 is 1,051,007
- ✓ AREA: 1704 Sq. Kms.

3. ADMINISTRATIVE UNITS:-

- The district has only 01(one) Head Quarter Sub-division i.e. Morigaon.DDMA,Morigaon. the Morigaon district has five revenue circles namely Morigaon, Mayong,Bhuragaon, Laharighat & Mikirbheta.The District has five Developments Block i.e. Bhurbondha, Kopili,Mayong, Moirabari & Laharighat.

4. CLIMATE:-

- ✓ Sub-tropical with semi dries hot in summer and cold in winter.
- ✓ Annual rainfall: 'Ranges between 1500 mm. to 2600 mm.
- ✓ Average humidity: 75%
- ✓ Max. tamp.: 37-39 degree C.
- ✓ Min. temp.: 6-7 degree C.

5. TOPOGRAPHY: -

The district is bound by the mighty Brahmaputra river on the North Karbi Anglong district on the South, Nagaon district on the East and kamrup district on the west.

6. RIVERS:-

The mighty Brahmaputra flows along the northern boundary of the district. Killing, Kollong & Kapile rivers flows through the southern part of the district.

Flood Contingency Plan-2026-2027

7. OCCURRENCE OF FLOODS:-

Flood occurs generally in the low lying areas of the district during May to August every year. Late flood during the latter part of September & October is also a possibility.

8. SAMPLE FLOOD WARNING MESSAGES ARE:-

- ✓ Flood Alert- Flooding is possible.
- ✓ Flood Warning- Flooding of homes, businesses and main roads is expected.
- ✓ Severe Flood Warning - Severe flooding may cause imminent danger
- ✓ All Clear - No Flood Alerts or warning are force
- ✓ Possible outbreak of flood - Prolonged or intensive rainfall, Abnormally high river levels.

9. REASONS FOR VULNERABILITY:-

▶ Annual Rainfall: - Ranges between 1500 mm. To 2600mm and is concentrated in 4 months of June to September.

▶ The occurrence of flood in the district is due to the river Brahmaputra and its tributaries- Killing, Kopili & Kollong etc.

▶ Morigaon district is located on the banks of the mighty river Brahmaputra. As a result of large-scale erosion in the increasingly agricultural land, deposition of the sediments in the riverbed takes place and as a result the channel's carrying capacity is reduced and flash out of rain water in the catchments areas.

▶ Population concentration in the most vulnerable areas. Even char areas are densely populated despite harsh living conditions.

10. DISASTER MANAGEMENT:-

- ❖ Primary Disaster Management responsibilities:----
 - Coordinate local resources and use of equipment.
 - Liaison with relevant emergency Services.
 - Provide communication facilities.
 - Advise residents of flood prone areas to obtain sandbags.
 - Advise on weather, water flow, warnings and evacuation.
 - Issuing warning messages to local authorities.
 - A single point of contact for information.
 - Issue media statements.
 - Issue situation updates.

11. ADVICE FOR PUBLIC:-

- ❖ FLOOD WARNING: 'GO IN, STAY IN, TUNE IN'
 - Stay calm
 - Ensure that neighbours know of the warning, and be prepared to help them.
 - Keep a list of useful telephone numbers.
 - Monitor local radio.
 - Make a flood kit: medications, warm clothing, sealed food, blankets, matches, candles, flashlights, portable radio, spare batteries, rubber gloves, personal Documents.

12. PERSONAL FLOOD PLANS:-

- Discuss a plan with family members, friends and neighbours.
- Know how to disconnect gas, electricity and water supplies.
- Know where to move vehicles in and emergency.
- Store valuable property in a raised secure location.
- Fill containers with clean water (Avoid using flood waters or local water).
- Care for the needs of pets and domestic animals.

Flood Contingency Plan-2026-2027

13. REMEMBER:-

(If you live in a flood risk area, have)

- ✓ Sufficient sandbags or other devices to block doors, ventilators and openings.
- ✓ Appropriate insurance cover.
- ✓ Essential sealed foods, as food supplies may become limited If evacuated, you may not be able to return to your property for some time.

14. IF FLOODING IS IMMINENT:-

- Turn off electricity and gas.
- Move family members, pets and supplies upstairs.

15. SANDBAGS:-

- Fill sandbags not more than $\frac{3}{4}$ full
- Lay them in layers with each row tight to each other, end to end
- Stamp them down before laying another row on top
- If a wall is more than two sandbags high, place a double line of bottom sandbags followed By a second double line, then a single line on top.
- Make sandbags with compost bags, carrier bags or pillowcases filled with sand or earth
- put a plastic sheet down first to act as an extra seal.
- Protect all water entry points including air bricks, air vents and utility openings
- If gas vents are sealed, disconnect any gas supply Seals around doors and windows should be made watertight.
- It can take 60 sandbags to correctly seal an external door.

16. GENERAL HEALTH AND SAFETY:-

- Do not walk, drive or swim through floods
- Be aware of hidden dips in a road
- Floods often contain sewage - avoid food that may have been contaminated by floodwater
- Avoid wet electrical equipment
- Ventilate your property as much as possible, while maintaining security If evacuation is necessary follow police advice.

17. ROLES AND RESPONSIBILITIES:-

When a flood warning message is received, the District Disaster Management Authority will alert relevant agencies/departments. Depending upon the scale of potential flooding may possibly occur, the main difficulties are:-----

- Care of evacuated, hurt or homeless people.
- Protecting of utilities.
- Availability of transport Flood alleviation e.g. clearing blocked culverts and drains.
- Providing emergency health advice.
- Providing road barriers and signs coordinating emergency support.
-

18. LOCAL AUTHORITIES:-

Primary responsibilities:

- Assist evacuation.
- Provisionally identify deceased victims (SAPS) .
- Restore normality.

19. ROLE OF FIRE & EMERGENCY SERVICES MORIGAON:-

Primary fire & Emergency service responsibilities:

- Rescue trapped casualties.
- Control fires, released chemicals and other hazards.

Flood Contingency Plan-2026-2027

- Assess hazards consuming evacuation.
- Ensure safety of rescue personnel.
- Minimize environmental dangers.
- Recover dead in conjunction with the police.
- Stand by during recovery Deploy sandbags for flood defence.

FLOOD EVACUATION PLAN:--

A flood evacuation plan in Morigaon district should include securing your home, turning off utilities if instructed, and following designated evacuation routes. It's crucial to be prepared and evacuate immediately. If instructed by authorities, taking essential items and pets if safe to do so. Remember to heed warnings from Officials and avoid walking or driving through floodwaters.

➤ **Here's a more detailed breakdown:---**

1. Prepare for Evacuation:

Secure your home: If possible, bring in outdoor furniture and move essential items to an upper floor. Turn off utilities: If instructed by authorities, shut off gas, electricity, and water at the main switches or valves.

Disconnect appliances: Disconnect electrical appliances to prevent shock when power is restored. Prepare an emergency kit: Include essentials like water, food, medications, a first-aid kit, a flashlight, a radio, and important documents.

Plan your evacuation route: Know the designated routes and where you will go if evacuated. Arrange transportation: If you don't have a vehicle, make arrangements with friends or family for transportation.

2. During Evacuation:

Evacuate immediately if instructed: Do not delay if ordered to evacuate by authorities.

Take essential items: Pack your emergency kit and any other necessary items.

Follow evacuation routes: Do not drive or walk through flooded areas.

Turn Around, Don't Drown: Avoid walking or swimming through floodwaters.

Stay in your vehicle if trapped: If your car is trapped in rapidly moving water, stay inside and seek refuge on the roof if necessary.

Listen to local media: Stay informed about updates and instructions from local authorities.

3. After Evacuation:

Shelter in place: If instructed, shelter in place and listen to local media for updates.

Return home only when safe: Do not return to your home until local officials declare it safe.

4. Additional Tips:

Know your evacuation zone: Be aware of the areas that are at risk of flooding.

Check for disaster sirens and warnings: Be aware of potential warning signals.

Consider the welfare of pets and livestock: Have a plan for their evacuation if needed.

Flood Contingency Plan-2026-2027

20. RESOURCES AVAILABLE FOR FLOOD RESPOND IN MORIGAON DISTRICT:-

Fire& Emergency Services Stations: There are 4 (four) Nos. of F&ES Stations in the District of Morigaon.

- **Morigaon F&ES Station at pachatia, Bhutnath mandir, Morigaon.**
--ContNo. 101,03678-240318.6026726163
- **Bhuragaon F&ES Station at Bhuragaon, Morigaon.**
--Cont. No. 03678-259999
- **Moirabari F&ES Station at Moirabari,Morigaon.**
--Cont. No. 03678- 255885
- **Jagiroad F&ESS at jagiroad town,Morigaon.**
--Cont.No-101, 9181977721

➤ **Available Manpower of Morigaon Fire & Emergency Services Station---**

- ✓ Senior Station Officer= 1
- ✓ Station Officer=Nil
- ✓ Sub-officer=02 nos. (Attachment-01)
- ✓ Havildar(SDRF)=nil
- ✓ Leading fireman (L/FM)= 07 nos.
- ✓ Fireman= 08 nos.
- ✓ Emergency rescuer (SDRF) = 10 nos.
- ✓ Driver=04 nos.

➤ **Available Equipment for Flood Respond of Morigaon F&ES station (Vehicles and Boats)**

- ✓ IRB INFLATABLE RUBBER BOATS) with accessories = 10 Nos. (02 (two) nos. without OBM)
- ✓ Water tender Pump=02 nos.
- ✓ Rescue Tender=01
- ✓ Mini/water tender pump=01(off road)
- ✓ Foam tender= nil
- ✓ MM/WTP=01(off road)
- ✓ Truck =01
- ✓ RBC=01
- ✓ Life buoy=10 (ten) nos.
- ✓ Life Jacket=20 (twenty) nos.
- ✓ Emergency tents= 01(one) no.
- ✓ Emergency tower light=03(three) nos.
- ✓ Fire fighter bike=01(one0 no.
- ✓ Pulsar=01 (one) no.

➤ **Available Manpower of Buragaon F&ES Station-----**

- ✓ Station Officer=01 no.
- ✓ Sub-officer=01.(dept.=01)
- ✓ Havildar=Nil
- ✓ Leading fireman=03 nos.
- ✓ Fireman=05 nos.
- ✓ Emergency rescuer (SDRF)= 06nos.
- ✓ Driver=03 nos.

➤ **Available equipment for Flood Respond of Bhuragaon F&ES station (Vehicles and Boats)**

- ✓ IRB(INFLATABLE RUBBER B BOATS) with accessories = 04 Nos.
- ✓ Water tender Pump=01
- ✓ Mini/water tender pump=01
- ✓ Mini mist Water tender pump=01
- ✓ Bolero (Rescue vent)=01

Flood Contingency Plan-2026-2027

- ✓ Life buoy=10
 - ✓ Life Jacket=10
 - ✓ Emergency tents=02
 - ✓ Emergency tower light=01
-

➤ **Available Manpower of Moirabari F&ES Station:-**

- ✓ Station Officer=Nil
- ✓ Squad. Commander=NIL
- ✓ Sub-officer=02 nos.
- ✓ Havildar=01 no.
- ✓ Leading fireman=01 no.
- ✓ Fireman=04 nos.
- ✓ Emergency rescuer (SDRF)= 08 nos.
- ✓ Driver=03 nos.
- ✓ Safai karmasari(S/K)=01 no.

➤ **Equipment for Flood Respond of Moirabari F&ES station (Vehicles and Boats):-**

- ✓ IRB (INFLATABLE RUBBER BOATS) with accessories = 02
- ✓ Water tender Pump=01 no.
- ✓ Mini/water tender pump=01 no.
- ✓ Life buoy=10 nos.
- ✓ Life jacket=10 nos.
- ✓ Emergency tents=02 nos.
- ✓ Emergency tower light=NIL
- ✓ MM/WTP=01 no.

➤ **Available Manpower of Jagiroad F&ES Station:-**

- ✓ Leading fireman-02 Nos.
- ✓ Fireman-06 nos.
- ✓ Driver-01

➤ **Equipment for Flood Respond of Jagiroad F&ES station(Vehicles and Boats):-**

- ✓ IRB (INFLATABLE RUBBER BOATS) with accessories = nil
- ✓ Water tender Pump=01 no.
- ✓ Life buoy= 03 nos.
- ✓ Life jacket=03 nos.

21. **ACTION STRATEGY:-**

- ❖ Overall Monitoring by Morigaon Fire & Emergency Services Station (with equipment, vehicles & Manpower of F&ESS personnel).
- ❖ Morigaon F&ES STATION with staffs and available cover the following flood affecting area during flood disaster.
 - ✓ Morigaon circle.
 - ✓ Mayang circle.
 - ✓ A part of Mikirbheta circle.
- ❖ Bhuragaon F&ES STATION with staffs and available cover the following flood affecting area during flood disaster.
 - ✓ Bhuragaon circle.
 - ✓ Laharighat circle.
- ❖ Moirabari F&ES STATION with staffs and available cover the following flood affecting area during flood disaster.
 - ✓ Mikirbheta circle.
 - ✓ A part of Laharighat Circle.

Flood Contingency Plan-2026-2027

- ❖ **Jagiroad F&ES STATION with staffs and available cover the following flood affecting area during flood disaster.**
 - ✓ Mayang circle.

P.W.D. MORIGAON DISTRICT TERRITORIAL ROAD DIVISION
MORIGAON FOR 2026-27
FRAMED BY P.W.D. (ROADS)
MORIGAON DISTRICT TERRITORIAL ROAD DIVISION.

Pre Flood	<p>1. <u>Work before flood</u> : The Executive Engineer, P.W.D. Morigaon District Territorial Road Division will visit the probable flood affected areas as per previous data within his jurisdiction by 31st March' 2025 and will ensure that –</p> <p>a) The road side debris/materials are stacked in proper places so that they will not be washed away if flood occurs.</p> <p>b) The passage of all cross drainage works (bridges and culverts) are clear and free from obstructions to allow easy flow of flood water.</p> <p>c) The existing protection works, at culverts/ bridges and approaches will be repaired where ever necessary.</p> <p>d) Soundings will be taken as necessary for structure, situated below the water level during April'2025 and necessary drawings will be prepared for subsequent reference during floods.</p> <p>Duties and responsibilities will be assigned to the staff of different categories to work during flood emergency.</p> <p>Arrange reserve stock of tools and plants and other materials prescribed by the Chief Engineer, P.W.D.(R)</p>
During Flood	<p><u>Work during Flood</u> :-</p> <p>a) Under emergent condition and on receipt of flood warning. Executive Engineer shall keep vigil on the road and bridges and will in contract with the District Administration.</p> <p>b) Report immediately to the higher authority such as Commissioner, Chief Engineer, Deputy Commissioner, Superintending Engineer etc. about the submergences/ damages by W.T. message</p> <p>c) Alert his subordinate for floods.</p>

Flood Contingency Plan-2026-2027

	<p>d) Draw up tentative programme to take:-</p> <p>(i) Immediate visit to the flood affect areas.</p> <p>(ii) Assess requirement and deploy staff to Keep round the clock vigil of the roads and bridges, threatened by floods, Restore communication within the shortage time as possible in all the state roads and district road in consultation with the Superintending Engineer. In case of village roads at least pedestrian traffic will be restored.</p> <p>(iii) Render technical assistant as required by the District Commissioner for taking temporary measures of damages of Roads and Bridges for carrying Relief materials to the designated relief camps.</p>
Post Flood	<p><u>Post flood work :-</u></p> <p>i) Restore tools and plants</p> <p>ii) Repairs/Replace damaged tools and plants</p> <p>iii) Take step to repair damaged roads, culverts, bridges building and other structure borne in the books of P.W.D.</p> <p>iv) Report DC,SE,CE and Secretary to the Govt.of Assam, P.W.D. soon after restoration of communication and also intimate the expenditure liability incurred thereof.</p> <p>v) Prepare plan and estimates for immediate restoration of damaged infrastructure and place it before DDMA for forwarding it to the Government (for SDRF)</p>

A meeting was held on 12th March' 2026 chaired by Executive Engineer, P.W.D. Morigaon District Territorial Road Division, Morigaon. As per the agenda, he welcomed all the members present in the meeting and gave a overview on the flood situation in Morigaon District as per his last year's experience and also explained the purpose of the meeting. Most of the members had shared their views and ideas regarding preparedness and preparation of flood contingency plan and finally after discussion following decisions were taken –

1. Nodal Officer	The house has unanimously decided to depute Sri Kabir Prasad Deka, A.E. (Mob. No.9435009232) as Nodal Officer. He will coordinate and supervise regarding any kind of emergency during flood.
2. Quick Response Team	The house has decided to constitute 3(three) no.s of quick response team at three sub-divisional levels headed by Asstt. Executive Engineers of the respective P.W.D. Sub-Divisions in Morigaon District. The Asstt. Engineers and Junior Engineers will be the members of each team as per their jurisdiction. In case of submergence and damages thereof. They will communicate the message to the Executive Engineer. via Asstt. Executive Engineer. The Executive Engineer, P.W.D.then forward the messages immediately to the authorities via W.T.
3. Identification of Vulnerable road/infrastructure	The Executive Engineer, PWD(R) & his team already identified the critical vulnerable locations within the jurisdiction of the Division and entisted as below- 1) Auguri to Chanaka Road at 5th km under Mayong Revenue Circle. 2. Brahmaputra Embabnkment cum road from Solmari to Ujagaon under Laharighat Rev.Circle. 3. Two locations of Bhakatgaon H.S. School to Jagigaon road under Mayong Rev,Circle.

(v) Prepare plan and estimates for immediate restoration of damaged infrastructure and place it before DDMA for forwarding it to the Government (for SDRF)

Flood Contingency Plan-2026-2027

SERICULTURE DEPARTMENT FLOOD CONTINGENCY PLAN **FOR THE YEAR 2026-27**

The following contingency plan for the year 2025-26 have been taken by Sericulture Department, Morigaon to tackle upcoming flood situations during the year 2025-26.

The plan have been divided into three phases-

- 1) Pre flood measures
- 2) During flood measures and
- 3) Post flood measures.

1) Pre flood measures: Before flood The Asstt. Director of Sericulture, Morigaon along with field staffs i.e. E. O., & Inspector of Department of Sericulture shall identify the flood prone areas within Morigaon District, inhabited by Sericulture rearer families.

The Sericulture plantation established in flood prone areas shall have to be provided necessary drainage system. For this activity the field level staffs shall motivate the rearer to make ridge & furrows systematically.

New plantation in these (flood Prone) areas shall have to be done upon raised plot, so that plants do not get submerged under water.

Rearers shall be motivated to take up silkworm rearing upon raised platform houses.

2) During flood measures: All the E. O. (Seri), Seri. Inspector and Seri. Demonstrator asked to remain in vigilance for taking up prompt action in occurrence of flood in their respective Sericulture Circles/ Farms.

The S.D.s will visit the flood affected villages frequently and report immediately if any damage occurs.

All the staffs asked to remain ready for relief duty needed. All the requisition of flood requirement will be made thorough the District officer, Morigaon.

3) Post flood measures: post flood situation is most challenging. Plant damaged by flood shall have to be renovated by new plants.

Rearer who lost crop during flood, shall have to be provided with free silkworm seed Dusting with slaked lime (to reduce excess humidity near rearing cum dwelling houses) and rearing kits (rearing trays) to be done accordingly. The damaged rearing houses need to be repaired.

The Muga rearer who lost plantation during flood shall be given facility of using Som plants for rearing in Govt. farms/centres.

During all phases the Sericultural staff shall work in hand with Gaon burhas/G.P. president/Secretary and lot Mandal etc.

In Govt farms/centres:

- 1) High land shall be raised for Eri food plants.(Castor,Tapioca, Kesseru & Mulberry)
- 2) The field level staffs shall motivate the rearer to make ridge & furrows systematically for Eri & Mulberry food plants.
- 3) In Taptola, where Amrit Sarovar has been constructed, but the pond is still not filled with water. Hence digging shall be done again, by which extra soil could be used for earth filling for preparing high land in farm.

The whole District is divided into six flood zones for taking measures in Pre flood and post flood situations.

1. Taptola flood zones
 - a) Sonjib Kr. Gogoi, SD

Flood Contingency Plan-2026-2027

- b) Lukendra Bora, (Gr-IV)
- 2. Jaluguti flood zone
 - a) Dhruvajyoti Bora, SD
 - b) Jatindra Deka, (Gr-IV)
- 3. Lukakuchi Flood zone
 - a) Budhen Ch.Nath, SD
 - b) Pradip Pator (Gr-IV)
- 4. Nellie flood zone
 - a) Khargeswar Das, SD
 - b) Abhijit Devnath (Gr-IV)
- 5. Dhupguri food zone
 - a) Dipankar Das, SD
 - b) Bitu Lahan,(Gr-IV)
- 6. Garmari flood zone
 - a) Soneswar Bordoloi , SD
 - b) Maneswar Kelleng, (Gr-IV)

Besides the above six flood zones, there will be two more squads-

- 1) Central flood Squad-
 - a. Lina Dutta, Asstt. Director of Sericulture, Morigaon
 - b. Ashiqur Rahman(Gr-IV)
- 2) Control Room Squad-
 - a. Lina Dutta, Asstt. Director of Sericulture, Morigaon
 - b. Ashiqur Rahman(Gr-IV)

The Nodal Officer to take measures in Pre flood and post flood situations will be

- 1. Soneswar Bordoloi, Asstt. Manager, Morigaon

All the above leaders shall keep close contact and co-operation during time of disaster as well as during disaster period. Necessary reports shall have to be submitted from time to time in prescribed format. Occurrence of flood & damage must be reported immediately by the field staffs to the Asstt. Director of Sericulture, Morigaon for onward submission to the District Disaster Management team.

Flood Contingency Plan-2026-2027

FLOOD CONTINGENCY PLAN

PWD (BUILDING)YEAR-2026-27

OFFICE:- EXECUTIVE ENGINEER, PWD, MORIGAON DISTRICT TERRITORIAL BUILDING DIVISION

INTRODUCTION

Pre-disaster planning is an integral part of preparedness and leads towards a holistic approach to disaster management. The District Flood Contingency Plan 2025-26 of PWD(Building), Morigaon covers the planned activities to be undertaken in the year 2025-26 with scenario for the likely occurrences of disasters based on disaster history and its forecast.

MORIGAON DISTRICT AT A GLANCE

Morigaon District is one of the smallest districts of Assam having an area of 1450.02 sq. Km. created in the year 1989 curving out erstwhile Morigaon Civil Sub-division of Nagaon district and has traditionally been the symbol of the ferocity and extent of flood in Assam. The Morigaon district is bounded by the mighty Brahmaputra River on the North, Karbi Anglong district on the South, Nagaon district on the East and Kamrup district on the West. It extends from 26° 15' N lat. to 26° 5' N lat. and 92° E log. to 95° 5' E longitude.

OFFICE OF THE EXECUTIVE ENGINEER, PWD, MORIGAON DISTRICT TERRITORIAL BUILDING DIVISION.

The present address of the office of the **EXECUTIVE ENGINEER, PWD, MORIGAON DISTRICT TERRITORIAL BUILDING DIVISION** is adjacent to the Khirud Baruah Stadium, Morigaon.

This Office of the PWD Morigaon District Territorial Building Division is to ensure proper technical supervision of Infrastructure Development works for both Govt., Semi Govt as well as Non Govt. Structures in the district.

Profile of the Department:

The present position of staff of the office is as follows-

EE	AEE	AE	JE	SA	Jr. Asst.	Comp. Operator	Driver	Gr. IV
01	03	07	14	03	10	4	1	35

OBJECTIVE OF THE DISASTER MANAGEMENT (FLOOD) PLAN

The key objectives of the Departmental Disaster Management (FL) Plan are:

1. To identify the vulnerable section or group of population which require special attention during disaster.
2. To create pre-disaster awareness and capacity building of the community including the already identified vulnerable section of community to face disaster in case of any eventuality.
3. To provide physio-psychological care and protection to the community specially the children, differently abled children at different phases of disaster.
4. To develop proper resource inventory in the district and mechanism for effective use of the resources during disaster and identification of resource gap.

Flood Contingency Plan-2026-2027

5. To provide effective support and resources in systematic way to the concerned in time so that the response time can be reduced.
6. To develop effective training and capacity building programme on disaster management for the stakeholders and community.
7. To take care that the regularity of various on-going schemes will not hamper during disaster.
8. To develop action plan to rehabilitate the scheme that may affect in disaster in normal situation.
9. To improve the mechanism of rescue, relief and any essential services at the time of disaster.
10. To develop mechanism for involvement of field functionaries, voluntary organizations, NGO's and community in disaster management process.
11. To prevent spreading of post disaster epidemics.

VULNERABILITY OF THE DEPARTMENT TO FLOOD HAZARDS

Flood Hazard: Every year flood creates a great havoc in Morigaon district affecting peoples' welfare, mobility, wellbeing, psychosocial resilience, relationship and mental health. The vulnerability of Flood may be accessed through the following points:-

1. The vulnerable Govt. buildings and infrastructure may damage due to flood.
2. The homes and school building may be damaged.
3. Accessing of people may be difficult or completely stopped due to broken or washed away roads or bridges.
4. Physical disability or major to minor injury of beneficiaries may occur.
5. The other on-going schemes may affect.
6. Increase of crimes.
7. Livelihood of the vulnerable group of people may be lost.
8. The infant mortality and maternal mortality rate may increase due to lack of suitable delivery place as the health Centers and road connectivity may be under water.
9. Problems of referral during extreme medical emergency.
10. Difficulty in getting food staff.
11. The physically disable and old aged may be injures.
12. They will face difficulties in rescue.

DEPARTMENTAL TASK AND INTEGRATION OF DISASTER MANAGEMENT ASPECTS

The main task of the PWD Morigaon District Territorial Building Division, Morigaon is to ensure proper Fitness, stability & Durability of the Govt. & Non Govt. buildings as well as other infrastructures in the District. The department carryout a lot of Field Inspection, awareness meetings,, review meetings etc. with the Head of Institutions as well as stakeholders. The disaster management aspects can be integrated with the regular tasks in various phases of disaster.

POST DISASTER (FLOOD)

Recovery Plan (Rehabilitation and Reconstruction Plan): school, Hospital and other office buildings and logistics, records gets affected by flood, storm . The District Commissioner, Morigaon have been entrusted the authority to sanction Rehabilitation Grant for the affected beneficiaries and for repair and restoration of damaged infrastructure. The department will submit list of affected or damaged infrastructure to the Deputy Commissioner and the Deputy Commissioner will approve and recommend the list in DDMA meeting for to the govt. for funding under SDRF. The concern department will prepare plan and estimate as per SDRF guideline and submit to the Rev. and DM department for necessary action.

Flood Contingency Plan-2026-2027

MORIGAON WATER RESOURCES DIVISION MORIGAON CONTINGENCY PLAN FOR THE YEAR 2026-27

A BRIEF NOTE ON ACTIVITIES OF MORIGAON

The Morigaon Water Resources Division is dealing with flood and erosion problem since its inception in May 1989. Earlier it was functioning as Morigaon E & D Sub-Division under Nagaon E & D Division.

JURISDICTION OF MORIGAON WATER RESOURCES DIVISION-

The river system of Morigaon Water Resources Division consists of river Brahmaputra on the North and the Tributary Rivers Kollong, Kopilli and Killing flows from the North towards the South. The tributaries cross the N.H. 37 Raha, Dharamtul and Amlighat respectively. River Killing joins with river Kopilli at Naldhara and Kopilli joins with Kollong at Jagi Bhakatgaon. River Sunai and Pakaria are two small tributaries flowing across Morigaon from East to West.

The Morigaon Water Resources Division comprises of two nos. of Sub-Division.

1.Morigaon-Lahorighat Water Resources Sub-District, Morigaon.

2.Jagiroad Water Resources Sub-District, Jagiroad.

The embankment system of river Brahmaputra and Tributaries were constructed under this Division are as follows-

- Brahmaputra embankment = 50.00 Km.
- Kopilli embankment = 41.40 Km.
- Kollong embankment = 63.71 Km
- Killing embankment = 37.807 KM (Including Borkuloi, Sotabari and Dimaruguri bund)
- Sluice= 17 Nos.

The reach of Brahmaputra under jurisdiction of Morigaon Water Resources Division start from Dhing and ends at Hilloikhunda, out of which the reach from Dhing to Malahu is under Morigaon Water Resources Sub-Division and the portion from Baralimari to Hilloikhunda is under Jagiroad Water Resources Sub-District.

The dyke system of Kollong River starts from Raha in its right bank and ends at Jagi and from Azarbari to Railway bridge on its left bank. The entire dyke is under jurisdiction of Morigaon – Lahorighat Water Resources Sub-District.

The dyke system of Kopilli and Killing is under jurisdiction of Jagiroad water Resources Sub-District. The dyke system of river Kopilli starts from Basundhari hill to Ahatguri Amsoi P.W.D. road and Ahatguri Amsoi PWD road to Killing, Kopilli junction in left bank. The dyke system in the right bank starts from Chapurmukh to Ahatguri Amsoi PWD road and connected to Ahatguri Amsoi PWD to Railway Bridge. The embankment system of Killing river start from Amlighat and ends at Baghjap on its left bank.

Flood Contingency Plan-2026-2027

CONTINGENCY PLAN FOR THE YEAR 2026-27

1. NAME OF PLAN- CONTINGENCY PLAN FOR FLOOD FIGHTING WORKS.

2. NAME OF DIVISION- Morigaon Water Resources Division, Morigaon.

HEAD QUARTER- Morigaon.

NAME OF EXECUTIVE ENGINEER- Er. Lochan Kumar Choudhury, PHONE NO- 03678-240226, (Office), 9435065021.

3. NAME OF SUB-DIVISION- 1. Morigaon-Lahorighat Water Resources Sub-District, Morigaon.

2. Jagiroad Water Resources Sub-District, Jagiroad.

NAME OF ASSTT. EXECUTIVE ENGINEER- 1. Dr. Juran Ali Ahmed, Morigaon-Lahorighat WR Sub-District, Phone No- 9435101544.

(Section under each Sub-Division in Annexure-A)

HEAD QUARTER- Morigaon.

2. Shri Dipankar Roy, Jagiroad WR Sub-District, Phone No- 8812993964,

HEAD QUARTER-Jagiroad. (Section under each Sub-District in Annexure-A)

4. Vulnerable reach under this Division are shown Annexure-B

5. Stock of flood shown in Annexure- B

6. Responsibility – Responsibility of Officers enclosed in Annexure- A

7. Sluices- Sluices under this Division is shown Annexure-D

8. Gauge Sites-

1. Dharamtul (Kopilli) (CWC)

2. Amlighat, (Killing) (Departmental)

3. JagiBhakatgaon (Kopilli) (CWC)

4. Telahi (Kollong) (Departmental)

5. Ulubari (Brahmaputra) (Departmental)

Flood Contingency Plan-2026-2027

6. Bhuragaon (Brahmaputra) Gauge sites under this Division are at Details is at Annexure-C

9. Danger level/Earlier recorded levels of major rivers of Morigaon District. Annexure-E

10. Approaches-

A. Morigaon to Basundhari Section-

- Route-
1. Morigaon to Kachua via Bebejia, Chaparmukh and Kachua to Basundhari = Distance-70 Km (Approximate)
 2. Morigaon to Basundhari via Amsoi Distance = 80 Km.
 3. Morigaon to Basundhari via Jagiroad, Ahatguri, Amsoi, P.W.D. road Distance = 180 Km.

B. From Morigaon to Kachua Section-

- Route-
1. Morigaon to Kachua via Bebejia Raha, Chaparmukh Distance = 90 Km.
 2. Morigaon to Kachua via Telahi, Ahatguri Amsoi P.W.D. road Distance =75 Km.
 3. Morigaon to Bamunijan via Raha Distance = 80 Km.
 4. Morigaon to Kachua via Jogirad, Raha, Chaparmukh Distance = 90 Km.

C. From Morigaon to Dharamtul-I Section-

- Route-
1. Morigaon to Dharamtul via Teahi Distance = 40 Km.
 2. Morigaon to Dharamtul via Jagiroad Distance = 75 Km.

D. From Morigaon to Dharamtul-II Section-

Route- Same Route mentioned in (C).

E. Morigaon to Baghjap Section.

Route- Morigaon to Bhakatgaon

Condition to Road-

Roads from Morigaon to Raha via Jagiroad and via Bebejia are in good condition. Though road from Morigaon to Dharamtul via Telehi is in good condition, except approach road. Other roads towards embankments are mainly earthen or sand gravel. The roads during flood time are in deplorable condition.

Flood Contingency Plan-2026-2027

F. Morigaon to Telahi Kollong

- Route
1. Morigaon to Telahi Monipuratup Section via Sidha Morigaon, Satgaon to Monipuratup.
 2. Morigaon to above Section via Dondua, Patrabori.
 3. Morigaon to Section via Dolbori to Telahi P.W.D. road.
 4. Morigaon to Damal P.W.D. road.
 5. Morigaon to Tengaguri via MoraKollong.
 6. Morigaon to Jerengagaon via Baghara
 7. Morigaon to Tetelia via Kumoi.
 8. Morigaon to Jagi via Mayong Development Block.

Condition to Road-

Roads from Morigaon to Monipuratup Bazar and Morigaon to Telahi is in good condition. Through road from Morigaon to Dandua Patrabori is not in good condition. Other roads toward embankments are mainly earthen. These roads during flood time as in deplorable condition.

Morigaon to Damal P.W.D. road is Pucca road.

Morigaon to Tengaguri road is not good condition.

Morigaon to Jerengagaon- Morigaon to Baghara is District road and it is in good condition. From Baghara to Kalbari is pucca road to Jerengagaon earthen road.

Morigaon to Tetelia -Morigaon to Kumoi is District roads and in good condition, and from Kumoi to Tetelia is earthen road.

Morigaon to Jagi- It is District road and in good condition.

9. Water vehicle-

20 Nos. of Boats are required for smooth function of flood fighting work under Morigaon Water Resources Division.

10. Control Room-

Divisional Control Room started functioning in the Office of the undersigned from 15/05/2026 to 15/10/2026.

11. Messaging-

Gauge data from different gauge sites will be collected by field staff to Control Room and these data in specified format dispatched to various Department.

12. Flood prone area-

Flood prone area likely to be flooded under this Division is shown in enclosed map.

13. High land-

Some high land are assessed and shown in enclosed map.

Flood Contingency Plan-2026-2027

CONTINGENCY PLAN FOR FLOOD FIGTHING WORKS 2025-26.

DEVELOPMENT BLOCK LEVEL FLOOD CONTINGENCY

PLAN (2026-27)

Bhurbandha Development Block for 2026-27

Introduction:

The Bhurbandha Development Block is situated in the District of Morigaon. It is about 09 KM away from the Morigaon H.Q. It was established in the year 1962. It has been playing a vital role in economic development of the poor people. The Bhurbandha Development Block is expanded in an area of 268.54 Sq KM. There are about 31929 Nos. of total household and total population of this Block is about 147886 nos. (as per G.P wise 7th Finance Commission.)

This Block surrounded by District H.Q. of all head of the Department in East, Mayong Dev. Block and also identified that Kapili Development Block in North side and both Bhuragaon & Laharighat Development Block in West. There are 15 Nos of Gaon Panchayat included after Delimitation consisting with 108 nos. of revinue villages under Bhubadha Development Block.

Goal : Reduction of loss of properties from any kind of disaster.

Objective : (1) The people is disaster from areas empowered to cope with and take action to effectively reduce the adverse impact of flood, earthquake and cyclone disaster.

(2) With the help of Block Level and Gaon Panchayat Level functionaries village wise or ward wise meeting should be organized for awareness how they in touch with the community during, before or after the disaster.

BHURAGAON DEVELOPMENT BLOCK FOR 2026-27

Preface: The Block Level Flood Contingency Plan 2026-27 is a detailed document signifying the preparedness and modalities to cope up with floods that may ensue at the time of monsoon in the areas under Bhuragaon Development Block. This plan has highlighted the role and responsibilities of all Gaon Panchayats involving PRI functionaries and office staff, who shall cater as the first responders before, during and after the floods.

This document shall further address the disaster risk mitigation and management issues against the ensuing floods that may occur in different areas under Bhuragaon Development Block.

Also, this document categorically signify the Gaon Panchayats (12 nos.) based on their vulnerability to floods as:

- a. High Risk Gaon Panchayat (Red)
- b. Moderate Risk Gaon Panchayat (Yellow)
- c. Low Risk Gaon Panchayat (Green)

Formation of Gaon Panchayat Level Damage Assessment Committee (GPLDAC):

The Gaon Panchayat Level Damaged Assessment Committee for 2026-27 is hereby constituted for all 12 Gaon Panchayats with the following members as notified below:

Sl No	Gaon Panchayat	Name of Officer	Designation
1	Balidunga/Baralimari/Bhurgaon/Gagalimari/Katahani/Lehpati/Haiborgaon/Dhumkura/Rajagadhuwa/Tengaguri/TinisukiaMahmara/Tulsibori	GP Secretary	Chairman
2		Accredited Engineer	Member Secretary
3		GRS	Member
4		GPC	Member
5		Tax Collector	Member
6		Computer Assistant	Member

	Paghali		
	Barchila Bhakatgaon Chabukdhara		

This Committee shall report to the Nodal Officer (Block Level) Mrs. Bhaswati Nath, Junior Engineer, on a daily basis regarding if any asset(s)/work(s) created under different schemes of PNRD have been damaged/partially damaged by the floods.

This Committee shall also work as IRT (Incident Response Team) members with immediate effect as has been mentioned above. Furthermore, the ASLRM team under Kapili Block against each GPs are hereby entrusted to render their services during the flood emergency against their respective Gaon Panchayat.

Moreover, for Block level Functionaries J.E., Kapili Dev. Block is appointed as Nodal Officer to accumulate proper data regarding flood.

The GP wise details of Household and Population under Kapili Dev. Block as follows:

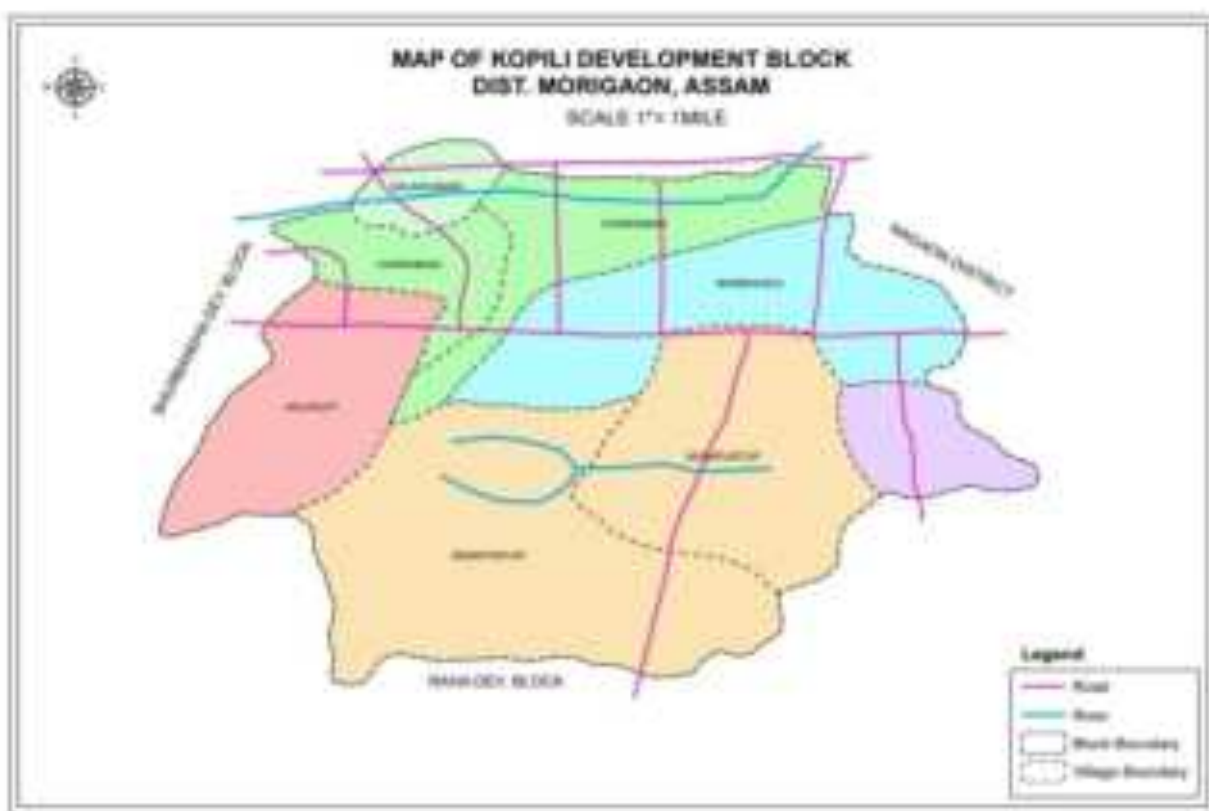

Sl. No	Gaon Panchayat	Population
1	Borbhagia	9101
2	Charaibahi	10952
3	Mikirgaon	7782
4	Bhakatgaon	7708
5	Chabukdhara	11943
6	Paghali	6172
7	Barchila	8414
8	Gopalghat	7145
9	Mikirbheta	7070
10	Habi-Barangabari	7256

Flood Contingency Plan-2026-2027

Marking of GPs with respect of vulnerability to floods.

The GP wise marking in respect of Vulnerability to Foodshare as follows:

Zone	Name of GP
High Risk	
Moderate Risk	Paghali /Barchila
Low Risk	Borbhagia /Charaibahi /Mikirgaon /Mikirbheta /Habi-Barangabari /Gopalghat /Bhakatgaon /Chabukdhara

Flood Contingency Plan-2026-2027

Handloom & Textile, Morigaon Flood Contingency Plan-2026-2027

CONTINGENCY PLAN TO MITIGATE THE LOSS AND DAMAGE

1. Emergency Contact facility:

Database of Mobile number of Registered Weavers under Swanirbhar Naari will be prepared Revenue Village/Block wise and during high times of flood our staff will be able to contact weavers by Phone call.

2. Publicity and Awareness:

Awareness and training camp will be organized in the flood prone village of Morigaon district by the Handloom & Textile Department. The weavers will be advised to keep themselves alert to take necessary and quick action so that looms and accessories, raw materials and finishing product are transferred to safe places.

3. Develop a network of Self-Help Group's (SHG):

All SHG's members active with Handloom activity will be in continuous touch with our field staff and they will be treated as our Ground Level Assistant to face the flood.

4. Frequent visit to vulnerable areas

During high flood period all the field staff as well as staff of the District Office will make frequent visit to flood prone areas and will keep continuous surveillance on the vulnerable areas during and after flood.

5. Intimation to District Authority

The staff of the Handloom & Textile, Morigaon will keep vigilance on any development during flood and same will be informed to the District authority through the Circle Officer

Assam Police Radio Organisation (APRO), MORIGAN Contingency Plan-2026-2027

With view to ensure uninterrupted & smooth VHF communication across the Morigaon district during the time of flood by providing full proof VHF communication in maintaining law & order and passing of information, a detail communication plan has been prepared as follows:

1. DEOC CONTROL MORIGAON

One no. of temporary fixed VHF station will be installed at DEOC MORIGAON with 3(three) nos. men power (operator) with low-power high band set for round the clock communication to carrying out the wireless communication and exchange important information during the flood time with the help of district HF/VHF control Morigaon which is directly connected with disaster control Guwahati round the clock

Flood Contingency Plan-2026-2027

2. ALL PS AREA

All VHF stations of 9 Police station, 2 Out Post and 2 Police Picket under Morigaon district will be on-air for round the clock and keep alert. They will strictly maintain the radio discipline and fully co-operate to district VHF control Morigaon for ensuing smooth and uninterrupted communication and one operator will keep ready with low-power hand held VHF set for police wireless communication and quick clearance of information during the flood.

The following APRO officers and men are posted in various PS, OP and PP for Police Communication duty as below:-

Sl No.	Name of Police Station	Name of APRO personnel	Contact no.
1.	Mayang PS	ASI Dhrubajyoti Das	9954694567
		C/N Ripunjoy Gogoi	8135803997
2.	Bhuragaon PS	H/C Udit Narayan Deka	9401401223
		H/C Papumoni Nath	6901747553
3.	Lahorighat PS	ASI Prsanta Barua	8753092683

Flood Contingency Plan-2026-2027

CHAPTER –V

SALIENT GUIDELINES FOR ADMINISTRATION

- All officers/staffs are to report for flood duty in the respective areas as soon as floods occur..
- Doctors will proceed to the affected areas with medicines etc.
- G.R/RG . shall be provided immediately and would be distributed only by govt officials
- Relief and Rescue operation to start immediately by the Zonal and Sector Officers
- Veterinary doctors will keep a track of the bovine population and they will assess the actual loss of cattle lives during the flood. They will also assess the requirement of cattle feed and place requisition to the District Administration. They should also keep sufficient stock of medicines/vaccines etc.
- All the Officers of the district shall have to be present in the Head Quarters and should be available for duty as soon as the flood occurs.
- Ignorance of occurrence of flood shall not be an acceptable excuse for any Government functionary to dodge relief/rescue duties.

DUTIES AND RESPONSIBILITIES OF THE ZONAL OFFICERS.

- (a) The zonal officers shall remain in close contact with their respective sector officers. They will convey all decision taken by the DC/ Sub-divisional Officer to the sectors officers immediately.
 - i. They shall liaise with the Circle level flood relief committee and the concerned officials of the District/ Sub-divisional
 - ii. They shall visit the sectors along with the Sector Officers and suggest measures to the District Administration.
 - iii. They shall co-ordinate the rescue and relief operations
 - iv. They will identify the proposed relief camps along with the sector officers and appoint relief camp in-charge
 - v. Survey & assessment of flood affected areas shall be carried out only by authorized Govt. officers. Any other agencies conducting similar exercise shall to do so at their own expenses.

DUTIES OF SECTOR OFFICERS

- (b) The sector officer will visit the respective areas and collect the basic data of the sectors. He will assess the requirement of GR/other flood relief materials/POL for boats and submit the same to the concerned Zonal Officer/Addl. Zonal Officer.
- (c) He will maintain register of GR etc. for boats (both country & engine with capacity)/ POL issued etc.
- (d) He will collect the necessary annexure-IV/ requirement forms etc. from the relief Branch, DC's office well ahead.
- (e) He will identify & arrange the relief camps & appoint in-charge of camp. Head of institutions, where camps are established, should be the first option for appointing as camp in-charge.
- (f) He will ensure the fair & proper distribution of GR etc. and maintain the APRs simultaneously in duplicate. He will also contact, before the flood/during the flood the concerned officers of Medical/ Vety/ PHED/ Local police/Army & Para military forces and collect their address & telephone numbers.
- (g) He will maintain a population register village-wise and do the exercise to divide the village population into adult & minor population. He will identify the pin points for HTW installation
- (h) He will identify all the roads/ bridges/ culverts, standing crop areas/ habitation structures, embankments, dykes and keep records of everything to report in Annexure-IV in time.
- (i) He will form a sector level/flood relief committee in consultation with his zonal officer/addl. zonal officer immediately with the following members:

| 5. The local VLEW, VFA, local head masters of school, active NGOs, nearest police station/out Post personnel as members | |

The Sector Officers shall keep all records and hand over the records to the zonal officer as soon as the flood relief operation is over.

- B. VILLAGES NOT INCLUDED IN ANY SECTORS WILL HAVE TO BE LOOKED AFTER BY THE CONCERNED CIRCLE OFFICERS, IF FLOOD OCCURS.**
- C. Medical/ PHED/ Vety/ PWD (RR)/ Forest (T) departments should post one personnel in the D.C's flood control room on rotation basis.**
- D. Actions to be performed by all Heads of the Line Departments**
- i. All District/ sub-divisional heads of the department will supervise, control and give guidance regarding services to be rendered and relief measures to be undertaken by his department.
 - ii. He will coordinate the matters relating to flood amongst the zonal officers and district officers under his control.
 - iii. Coordinate with the DC/SDO in rendering assistance in relief work by his subordinate officers.
 - iv. Issue detailed instructions to the subordinate regarding duties and responsibilities at different levels and at different stages of flood relief operations viz., before, during and after flood, nature and extent of initial preparation for the flood, built up and maintenance of tools, equipment and other stores.
 - v. Send the daily/ weekly/ fortnightly/monthly report about the flood situation and measures taken by the department to the DC's Control Room at 03678-251000 or 1077(DM toll free no.) or Mobile No. 60001-96907

Flood Contingency Plan-2026-2027

GUIDELINE FOR RELIEF CAMP MANAGEMENT

Relief Camp Management: Camp management is dynamic in nature and strives for promoting a holistic approach for physical, psychological, cultural, social and emotional well-being of camp inhabitants by establishing and maintaining an inclusive overview of many aspects and stakeholders involved in the life of a camp.

Therefore the following guidelines have been formulated to assist district and sub-divisional civil administration and also to non-state sector and civil society for effective and smooth management of relief camps. These guidelines are illustrative and decisions may be taken by the Camp Authorities as per demand of the situation, within the larger framework of guiding principles incorporated in the manual.

Setting up of a Relief Camp:

- (a) On receipt of report from Revenue officials, the DC/SDO(C) will order to setup a relief camp at pre-decided location as per District/ Sub-divisional disaster management plan. As far as possible, relief camps should not be set up in educational institutions.
- (b) In case new location is to be selected for the camp due to unavoidable circumstances, following points should be considered for arriving at a decision.
 - Camp should preferably be set up in an existing built up accommodation like a community hall.
 - It should be located at a safe place which are not vulnerable to landslides, flood etc.
 - It should be accessible by motor vehicles, if possible.
 - Adequate space for roads, parkings, drainage, should also be there.
 - The area should not be prone to endemic disease like malaria.
- (c) Wide publicity should be given about the location of the camp and affected people should be evacuated and brought to the camp directly.
- (d) Emergency relief materials which include drinking water, food, bedding (mattress, sheets & blankets), baby food, mosquito repellents etc should be arranged as early as possible.
- (e) Control room/ help desk should be setup in the relief camp immediately.
- (f) Proper planning and preparedness to make the arrangement smoother.

Shelter

- (a) The shelter should be such that people have sufficient space for protection from adverse effects of the climate.
- (b) Ensure sufficient warmth, fresh air, security and privacy for their health and well being.

Flood Contingency Plan-2026-2027

- (c) The covered area available per person should be on an average 3.5 to 4.5 square meter.
- (d) Each family should be provided separate tent, if possible.
- (e) In warm & humid climates, proper ventilation & protection from direct sunlight must be ensured.
- (f) If plastic tents or sheeting are available, provision of an insulating layer or a double skinned roof may be considered.
- (g) Tents should not be constructed too closely together and reasonable distance should be kept between the camps to provide some form of privacy.
- (h) Priority should be given to widows and women headed households, disabled and elderly people in tent/room distribution.
- (i) Temporary shelter should neatly be planned and made.
- (j) Tents with slanting sides should be avoided as they leave no space for mobility. Tents with ventilation facilities may be provided to the people.

General Administration of the Camp

- (a) One responsible officer preferably ADC, SDO or CO should be designated as Camp Officer by the DC/SDO(C) who will ultimately be responsible for general management of the Relief Camp. He will co-ordinate & supervise the works of other officers in the camp.
- (b) One Assistant Camp Officer should be designated to help the camp officer.
- (c) Administrative structure of the camp should be as follows:

**Camp Officer(ADC/SDO/CO)
Assistant Camp Officer**

**All relevant line departments for camp management like PWD (B),
PHE, Health, ASEB etc**

- (d) Camp Officer will co-ordinate with all the officers detailed for management of various facilities in the camp.
- (e) A separate order should be issued by DC/SDO(C) to detail the above officers in the camp with clear defined roles & responsibilities.
- (f) Officers of line department detailed in the camp may be allowed to further engage the assistants from their officers to help them.
- (g) An inspection and observation register should be maintained in the camp and it should invariably be made available to visiting team of the senior authorities.
- (h) Deputy Commissioner/SDO(C) should visit the camp as frequently as possible and hold meeting with all the officers responsible for management of the camp. They should record their observation about management of the Camp in inspection register for future reference.
- (i) As per Disaster Management (DM) Act 2005, district authority can direct any Government officer to assist in providing relief to the person affected by natural calamities. If the officer fails to comply the order he may be prosecuted and punished as per provision of the Act.
- (j) District Authority as per DM Act 2005 can requisition any resources, premises

Flood Contingency Plan-2026-2027

- & vehicles needed for rescue & relief of disaster affected persons and suitable compensation may be provided to the owners of the same.
- (k) Negligence in assigned work should not be tolerated and immediate action should be taken against the erring officer.
 - (l) One spare vehicle should be kept on standby basis for 24 hrs in the camp.
 - (m) One help desk/ control room/ officer room should be designated where inhabitants can register their complaints
 - (n) Loudspeaker system should be installed in the camp. Announcement may be made from camp office regarding distribution of relief aid, food, arrangement of medical and other facilities etc.
 - (o) BSNL may be asked to arrange offer telephone/ mobile facilities in the camp for inhabitants.
 - (p) Camp Officer will maintain a Master Register in the Relief Camp in the prescribed format
 - (q) GaonBurah, School Teacher, Lot Mondal or any trust worthy local person may be asked to prepare the preliminary list which can be scrutinized and cross checked by the camp officer.
 - (r) Each head of family should be given a ticket as prescribed in Annexure B, at the time of entry/ registration of the family in the relief camp. Any adult member of the family will have to produce the Ticket to receive any article or aid of relief. Distribution Officer will enter the amount given along with date of issue in the Ticket and put his signature on it.
 - (s) All the Expenditures for setting up Relief Camp and providing facilities to the camp population is admissible under the norms prescribed by the National Disaster Response Fund (NDRF) and State Disaster Response Fund (SDRF).

Guiding principles for Management of the Camp

- a) Camp Officer should easily be accessible to the camp inhabitants.
- b) Treat every inhabitant of the camp with dignity and respect.
- c) Ideally camp management should strive to provide facilities so that inhabitants feel comfortable
- d) Make effective arrangement for distribution of food and aid to the people in the camp
- e) Special care should be taken to ensure that vulnerable people like disabled, elderly, pregnant women and children get adequate aid and supply of food and other facilities.
- f) Sufficient nos of women officers should be engaged in management of the camp and they should interact with women inhabitants to assess their special needs.
- g) Arrangement should be made to prevent abuse against women and children in the camp.
- h) Voluntary Organization & leading citizens may be encouraged and involve in management of relief camp.
- i) Psychological counselling must be arranged for the families who have lost their family members.
- j) Inhabitants should be involved in management of camp.
- k) Inhabitants should be kept engaged by arranging for TV, Books, News Papers,

Flood Contingency Plan-2026-2027

Carom Board and other means of entertainment.

- l) It should be ensured that no officer is required to work for unreasonably long hours.
- m) Officers responsible for management may be made aware that misappropriation of money or materials meant for the relief will invite prosecution and
- n) Special drive should be taken against illicit liquor sale in and around the camp.
- o) Press Release should be issued by giving contact nos of Nodal Officer who will accept and co-ordinate with NGOs & public regarding donation in cash & kind.
- p) People should be made aware about rehabilitation program, financial support and other compensation to be provided against the loss of house, crop, cattle etc.
- q) People should also be educated about NREGA & other employment generating schemes which are available in their locality as they need not migrate to cities for Job opportunities.

Basic Facilities

(a) Lighting Arrangement and Generator Set

- A technical person, preferably from electricity or PWD(E) department should be detailed to supervise the proper lighting arrangement in and around the camp and operation and maintenance of the generator set.
- One big candle and one match box should be provided in every room/tent.
- Petromax or emergency light should be arranged in sufficient numbers in the camp.
- Approach to toilet and water source should properly be illuminated.
- Generator set of required capacity should be installed in the Relief Camp and operator must be detailed for 24 hours.
- A register should be maintained by the operator in the prescribed Format
- Adequate arrangement for illumination inside and outside of camp should be made.

(b) Water Facilities

- Total requirement of drinking water, water for toilets, bath & washing of clothes and Utensils should be assessed and proper arrangement should be made accordingly.
- Most of the diseases in the camps spread due to lack of purified and sufficient drinking water. Therefore serious effort should be made to ensure to supply adequate clean & purified water to the camp population. Permissible standard of TDP & other parameters for water must be maintained at any cost.

Flood Contingency Plan-2026-2027

- 20 Ltrs of water should be provided to per person per day.
- One Sr. Officer of PHE Deptt. should be detailed for maintaining water supply in the camp.
- One bucket, one Jeri can or water container and one mug should be provided to every family to store the water for drinking, cooking etc.
- Ideally one hand pump should be installed for every 200 persons.
- Hand pumps or water tanks should be minimum 20 ft away from the toilets.
- Daily sample of water from tanks, taps 7 other sources should be collected and analysed in the district lab of PHE Deptt. Corrective measures should be taken as per result of water analyses.
- Commercially available water filter should preferably be installed. Makeshift arrangement for water purification may be avoided.
- Separate bathing units must be constructed for male & female.

Sanitation:

- Ideally there should be one toilet for 20 persons.
- Toilet should be minimum 10 mtrs and maximum 50 mtrs away from shelter/tent/room.
- For waste disposal, one communal pit of 2mX5mX2m of size should be dug for 500 persons.
- Each family should be provided one soap of 100 gram per week.
- Separate toilets should be constructed for men & women and these toilet blocks should be separately be located at reasonable distance.
- Sufficient light arrangement should be made in toilets.
- Approach from camp to toilets should be also properly illuminated.
- Sufficient stock of bleaching powder, harpic and others item should be maintained.
- One officer must separately be detailed to supervise regular cleaning and maintenance of the toilets.
- Requirement of disinfectants should be assessed regularly & sufficient stock of it week should be maintained in the camp.

Flood Contingency Plan-2026-2027

d) Food- Storage & Distribution

- Initially for few days, cooked should be provided to the camp inhabitants. Utensils and cook may be hired from open market for cooking of the food.
- Preferably disposable plates and glasses may be used to serve the food and water for hygienic reasons.
- As far as practicable and as per available space cooked food may be served in hall or at one place for convenience of cleaning, hygiene, disposal of waste and smooth arrangement.
- Distributed food must be of appropriate quantity and fit for human consumption.
- Food must meet nutritional needs and include pulse, cereals, egg& fats sources.
- Food should be culture specific and as per food habits of the community. People of rural area may not like bread & butter.
- Packed food like biscuit, tinned food, ready to eat meals, noodles etc. should be properly checked that they are not expired before distribution.
- As far as practicable Food Inspector must be detailed to certify the food items before they are served.
- Reputed and trusted Voluntary Organizations may be allowed to assist in cooking and distributions of meals but the relief Officer / Camp Officer will remain ultimately responsible for all arrangements.
- If cooked meal is not served, dry food like, rice, salt, pulse etc. may be distributed for one week at a time as per prescribed scale
- Even if cooked meal is provided to the inhabitants, above mentioned scale may be maintained.
- Sufficient counters with strong barricade may be made for distribution of relief articles and dry food like rice pulse, salt, etc. as it is made during general election for distribution of election materials.
- Display board should be hanged on each of the counter showing village name or ticket serial numbers of Ticket already distributed to the families during the registration.
- Separate queue may be allowed for women infirm & elderly people to collect relief aid.
- For storage of food items following guidelines should be followed-
 - Dry and well-ventilated area may be designated in the Relief Camp for storage of Food items.

Flood Contingency Plan-2026-2027

- Storage should be free from rodents and insects.
- Boxes/bags must not lie directly on floor. Use pallets, boards or heavy branches, or bricks underneath piles.
- Keep products at least 40-cm away from the wall and do not stock them too high.
- Pile the bags/boxes two by two crosswise to permit ventilation. In this way, they are steadier and easier to count.
- Keep damaged boxes/bags away from the undamaged ones.
- Observe First In-First Out Expiry First Out Principle.
- Food stock and storage should personally be inspected by the Camp Officer on alternate days.
- Updated stock register should be maintained in a format as prescribed.

c) Clothing

- People in the camp should be provided sufficient clothing to protect themselves from the adverse effects of the climate.
- People should have one full set of clothing in roughly the correct size, appropriate to the season and the climate.
- Culturally appropriate clothing should be made available.
- Women and girls should be provided necessary sanitary protection.
- Mattress, bed sheet, gamosha, dhoti, lungi, mekhlachadaretc may be provided to the people in the camp.

(f) Medical Facilities & Psycho-social Support

- One Doctor along with team of paramedical staff should be detailed on roster system around the clock in the camp.
- A proper register should be maintained for roster of the duties of Doctors, Nurses & Paramedical staff as prescribed
- A separate room or tent should be made available for the medical team.
- Highest standard of hygiene must be maintained at camp to minimize the chances of people falling sick.
- As far as possible each and every inhabitant of the camp should be screened for presence of any disease immediately upon his arrival or within 24 hrs of his arrival in relief camp without fail.
- A rapid health assessment of all the inhabitants in the camp should be done on weekly basis. They may be divided in 7 groups and weekly rapid health assessment should be done of one group on a fixed day of a week.
- Diarrhoea, gastroenteritis, conjunctivitis, allergies, malaria, viral fever are common diseases in the camp. Preventive measures must be taken in camp

Flood Contingency Plan-2026-2027

and sufficient store of medicine must be maintained to treat them timely.

- If the camp continues for more than a month the regular health services like maternal & childcare services including immunization should be stored in the camp.
- Jt. Director, Health Services should be directed to arrange adequate stock of medicine from district store.
- Detail inventory & stock register of medicine available within store at camp should be maintained.
- No prescription will be given to the patient to purchase any medicine from outside the camp. All the medicines should invariably be provided free of charge to the inhabitant. If medicines are not available in the camp these may be purchased from outside by the Medical Officer & Expenditure may be reimbursed from relief fund.
- Some advance fund may be given to the medical team for purchase of medicine from outside, if required. The team will maintain proper account and keep all the vouchers, bills etc for record.
- If there are more than 500 persons in the camp, one ambulance with adviser should be stationed for 24 hrs in the camp.
- Cases of snake bites are also reported from relief camp. Necessary arrangement should be made in nearest health institution for adequate stock of anti venom injection.
- Everyone who experiences disaster is affected in one way or another physically, emotionally and mentally. Children are among those who are affected most. It is in this regard that psychological support is an important part of response in any disaster situation.
- Psychological support is best obtained from the family. Therefore, even in abnormal conditions, family should be kept together. As a means of psychological support, activities like religious activities, entertainment and recreation etc. should be arranged for the inhabitants of the camp.
- Professional Psycho-social Therapist should be arranged to provide counselling to the affected person. It should be ensured that follow up sessions are conducted, as a onetime session is not be helpful, but may even create unpleasant experiences or memories for vulnerable person.

g) Special Arrangement for women, Children, and Physically Challenged and Elderly persons

- Since women are more vulnerable during disaster, their specific needs must be identified and taken care of.
- Female gynaecologist and obstetrician should be available at hand to take

Flood Contingency Plan-2026-2027

care of maternity and child related health concern.

- Ensure that children inoculated against childhood disease within the stipulated time period.
- For safety and security of the women and children vigilance committees should be formed consisting of women.
- Women Police Officer should be stationed within the camp to record and redress any complaints made by women.
- Security measures should be taken in the camps to prevent abduction of women, girls and children.
- Widows and women headed household usually are unable to access food & other relief aid; therefore special volunteers may be engaged to take care of such families.
- Self-Help-Groups may be formed among the affected women to give emotional support to each other.
- Women participation in the management of camps is important to ensure that women's needs are met.
- Sanitary pads should be provided to the women and girls. Some women of rural areas may not be used to commercially manufacture sanitary pads therefore clean white cloths & towels may be arranged for them.

h) Vermin control

- Insect and rodents are the unavoidable pests in the relief camp. They spread diseases, spoil foods and other materials. They cannot be totally eliminated but there are measures to minimize the increase in their population and their effects on the lives of the displaced community in the camp.
- Fogging may be arranged to prevent mosquitoes and other flying insects.
- Traps may be placed for rodents.
- Waste segregation should be promoted and collected on daily basis.
- Enough dustbins should be provided in the camp.
- Breeding places of mosquitoes and rodents should be eliminated by keeping the surrounding clean, dry & free of stagnant water.
- Pits should be dug and waste & garbage food should be disposed of their daily.

I) Security

- Security, peace and order must be maintained in the relief camp. The youths in the camp may be involved for providing better security environment.

Flood Contingency Plan-2026-2027

- Police personnel should be detailed on roster basis.
- Adequate employment of force should be ensured on the boundary and gate of the camp.
- Police should keep vigil on anti-social elements & criminal around the camp.
- Special police officers (SPO) may be appointed in the camp.
- Special police arrangement should be made during distribution of the relief materials.
- Home guards may be detailed for patrolling & night watch.
- Store room should properly be guarded by the police.
- Anti-Riot squad with teargas, lathi, body protection etc. should be kept ready in nearest Police station.

Media Management and Documentation

- Camp officer should prepare a daily report and submit to Deputy Commissioner/SDO (C) by 5.00 PM every day.
- Deputy Commissioner/SDO (C) will issue press release to prevent any rumour.
- DIPRO/SDIPRO will visit the camp regularly and take photographs for record. Some of the photographs may be released to the media also.
- DIPRO may arrange conducted tour of media persons to the camp and explain about the facilities and arrangement made there.
- DIPRO should be provided basic information by DC/SDO (C) about the management of the camps and he may provide them to media person on daily basis.

Entertainment, Recreation & IEC Programme

- All the activities in the relief camp will succeed only if inhabitants of the camps are meaningfully involved in the management of the camp.
- Camp Officer should chalk out an IEC to campaign among the inhabitants on:
 - How to maintain hygienic in the camp, how to prevent breeding of flies, mosquitoes, insects, rodents etc.
 - Information about arrangement in the camp, scale of the relief items, health facilities, helpdesk etc.
 - Rehabilitation schemes and entitlement of affected families.

Flood Contingency Plan-2026-2027

- Literary clubs/ Organizations may be promoted to arrange books & magazines for camp populations.
- Camp population may be kept engaged by providing entertainment & recreational facilities to them.
- Temporary Anganwadi centres may be opened in the camp with the help of ICDS project officers for small children.
- Temporary schools may be setup in the camp involving volunteers from the camp inhabitants. SSA may provide free textbook, stationary, SikshaMitra etc. Reputed NGOs may also be allowed to run temporary schools in the camp.
- SIRD & DRDA may be asked to arranged training for women on tailoring, soft toy making, pickle & papad making etc. and for youths on piggery, goatary, poultry, fishery, cane & bamboo items etc.

Closure of the Camp

- People in the camp should be encouraged to return to their homes, as the situation improves in the field. Transport facilities may be provided for the purpose.
- Family as a whole should leave the camp. No member of such family should be allowed to stay back in the camp.
- A final report may be prepared and sent to the govt with recommendation to amend the guidelines if required.
- All the registers, reports, bills, vouchers etc should be kept in a box under lock and key and should be shifted to the office of the DC/SDO (C).
- Best practices and innovative interventions should be documented and submitted to the govt.

Flood Contingency Plan-2026-2027

STANDARD OPERATING PROCEDURES

Relief Camp Memanagement in Assam

1. Background and Rationale

The Assam State Disaster Management Manual (ASDMM), 2015 which is cabinet approved framework for relief and response based on the National Disaster Management Act, 2005 brought in a paradigm shift in planning for emergency preparedness and response and broader disaster management in the state.

The manual through relief camp management guidelines sets aside certain minimum standards to be adhered to by responsible stakeholders for providing immediate services and protection to the victims who have been rendered homeless/displaced. It is essential that the compliance to the guidelines is measured with due seriousness so as to improve upon quality of disaster response services and for bringing greater accountability among stakeholders.

This document is based on field level assessment considering the provision of 'Relief Camp Management Guideline' (Appendix-XXXV) of the Assam Disaster Management Manual, 2015. It aims to assess the basic quality services provided in relief camps, to measure the compliance standard and to understand areas of improvement for effective and transparent relief camp management as mandated in the cabinet approved manual.

Some of the key recommendations made during a pilot assessment and scoring of relief camps were though forwarded to DDMA's for consideration in Relief Camp Management during flood 2019. However, there is a need for sensitizing the stakeholders on relief camp management guidelines with the following objectives:

- To assess the basic quality services provided in relief camps and to measure the compliance standard as mandated in 'Relief Camp Management Guideline'
- To sensitize the officials /staff of the line departments and other stakeholders on the coordination of response and areas of improvement for effective and transparent relief camp management.
- To develop a system for accessing and improving the management of relief camps.

2. Purpose of the SoP

This Standard Operating Procedures (SOP) document has been developed to supplement the 'Appendix XXXV - Guideline for Relief Camp Management' of the Assam Disaster Management Manual 2015. This SOP aims at making the role and responsibilities more specific for the key personnel involved in the management of relief camps during emergencies/disasters.

3. Role and Responsibilities

Following are the roles and responsibilities of the key personnel attached to the relief camp management both at district level as well as at the revenue circle level.

Flood Contingency Plan-2026-2027

3.1 Roles of the District, Sub-Division and Circle level functionaries and Officials:

3.1.1 Deputy Commissioner (DC) and Chairperson, DOMA

Phase	Responsibility
Pre-disaster	<ul style="list-style-type: none"> • Ensure identification of relief camps with provisions for Child Friendly Spaces (CFS) adhering to the comprehensive and multi-hazard safety standards • Establish clear understanding and functional coordination channel between relevant line departments, SDO (Civil), Revenue Circle Officer for effective camp management as per roles defined in the SoP • Guide, monitor and ensure that the designated camps are safe from all the hazards, accessible to possible affected communities and the service providers, have basic minimum capacity and facilities to accommodate people. • Ensure that each camp's seat (intake) capacity is defined and notified. In the current context, due consideration should be given toward ensuring social distancing norms (as defined in Annexure I) • Identify suitable safe spaces and ensure procurement of related materials for setting up of temporary camps as per defined standards¹ • Establish a system of taking feedback from camp inmates and mechanism to address grievance in camp management • Guide and ensure that camp officers, in charges and other responsible functionaries from various line departments are identified, notified and capacitated to run/manage camps • Constitute and lead a District level Relief Camp Monitoring Team and Zonal Relief Camp Monitoring Team comprising of members from the line departments to ensure the proper relief camp management as per the SOP. • Ensure that documentation and reporting of relief camps are done properly • Issue directives to concerned functionaries to follow the specific guidelines laid down in the Assam DM Manual, 2015 regarding Relief Camp Management • Issue directives to responsible departments to ensure facilities/services at the designated camps: <ul style="list-style-type: none"> ○ Lighting arrangement in residential portion of camps, toilets and approach road (<u>PWD-Elec</u>) ○ Potable water for drinking and other household purposes (<u>PHED</u>) ○ Separate, accessible (within 50 meters) and hygienic toilets (<u>PHED</u>) ○ Separate bathing units for male and female (<u>PHED</u>) ○ Separate food arrangements for children, pregnant and lactating women, ill and elderly (<u>Health and Social Welfare</u>) ○ Culturally and age appropriate clothing (if situation warrants) for inmates (<u>Revenue and DM</u>) ○ Sanitary provisions for women and girls (<u>Health and Family Welfare and ASRLM</u>) ○ Health including regular RCH services, health and hygiene education and psycho-social care arrangements in camps (<u>Health and Family Welfare, Social Welfare particularly DCPUs</u>) ○ Security and protection arrangement including monitoring of situation in regards to women and children (<u>Police, VDPs, DCPUs</u>) ○ Waste management facilities in the relief camps (<u>PHED, GP and ULBs</u>) <ul style="list-style-type: none"> ○ Relevant Social and Behavior Change Communication (SBCC) materials in local languages (<u>Health and Family Welfare, Social Welfare, Education</u>) ○ Educational and recreational activities in camps (<u>Education Deptt., Social Welfare Deptt.</u>) • Ensure timely procurement of Gratuitous Relief (GR) items (e.g. pre-monsoon for flooding) which will be required for operationalizing relief camps. <ul style="list-style-type: none"> ○ Plan and pre-position procured items in strategic locations with a well thought out transportation plan (Mapping all the designated camps against specific storage facilities for GR) ○ Disinfectant drive at all notified Relief Camps/Camps/shelters in advance.

¹ Covered area available per person should have an average of 3.5 to 4.5 square meter. Due to COVID-19 outbreak, the minimum space has been revised to 7 sq. m. as per new guideline (at Annexure-I).

Flood Contingency Plan-2026-2027

During Disaster	<ul style="list-style-type: none"> • Most of the conventional relief camps have been housed in educational institution, deserted office buildings, which are devoid of hygiene and sanitation facilities (toilet and bathrooms are stained or spilted wall). These kinds of camps are not adequate enough to hold inmates in view of the COVID-19 situation. For revamp of the same fund and time are required. Hence localized alternative Makeshift arrangements are to be made in advance. • In view of the COVID-19 situation, managing of relief camps with social distancing is a challenge. People should be encouraged not to leave home just because their front-yard/ boundary are submerged. They would be provided relief materials as per norms. • Vulnerability mapping upto household level should be done immediately so that the administration can identify which household are least or worst affected. The worst one will populate the camps first enabling the priority wise identification of the camp inmates. • Review setting up of camps and provisions/functions of responsible departments • Constitute and activate the Relief Camp Monitoring Team to monitor the camps following relief camp assessment scorecard • Monitor and guide operationalization of camps, provisioning of essential services in camps and duty roasters of responsible functionaries at different levels • Conduct review meetings with the District Relief Camp Monitoring Team and Zonal Relief Camp Monitoring Team (every alternate days till the camps are operational) • Ensure that all stakeholders and actions notified are being adhered to • Ensure that vulnerable groups particularly children and women are given particular attention in the areas of health, food and nutrition, Water, Sanitation and Hygiene, safety and security, psycho-social care • Ensure that Child Friendly Spaces are operational in all camps where children are being taken care of (as included in the Annexure-II) • Activate Grievance Redressal mechanism for collecting and addressing feedback/complains from camp inmates • Issue instructions/directives to concerned departments to address grievances • Ensure functional mechanisms for ensuring accountability in camp management • Utilize services of 'Pratirodhi Bondhu' volunteers and 'e-help' facilities of CSC, SPV • Review and declare closure of the camps considering the on-ground situation
Post Disaster	<ul style="list-style-type: none"> • Conduct/ Delegate the Relief Camp Monitoring Team to conduct post operation visits to oversee the condition of the camps • Instruct concerned departments to ensure cleanliness, repairing and re-instigation of the relief camps so that they can start their original functions • Review overall performance and gaps in operationalizing relief camps • Review the effectiveness of the SoP at the district level and propose changes/modifications • Map stakeholders who can be added or removed in the relief camp management framework • Instruct concerned stakeholders for developing of lessons learnt document on camp management to guide better management of camps in future

Flood Contingency Plan-2026-2027

3.1.2 Additional Deputy Commissioner-cum-Chief Executive Officer, DDMA

Phase	Responsibility
Pre-disaster	<ul style="list-style-type: none"> • Assist Deputy Commissioner-cum-Chairperson DDMA in initiating and completing the process of identification of relief camps with provision of child friendly spaces and breast-feeding corners • Prepare and finalize Revenue Circle wise list of identified relief camps with notified seat (intake) capacity. In the current context due consideration should be given toward ensuring social distancing norms (as defined in Annexure I) • Support Deputy Commissioner-cum-Chairperson DDMA in mapping and establishing coordination with multiple stakeholders related to relief camp management process • Coordinate and facilitate administrative processes related procurement and pre-positioning of items related to relief camps including GR, materials related to Child Friendly Spaces etc. • Ensure that relevant stakeholders are oriented on the relief camp management process and SOP. • Guide and supervise all activities related to documentation and reporting including print and circulation of standard templates for camp registration, family tickets, CFS registers, GR related templates etc. • Support Deputy Commissioner-cum-Chairperson DDMA in conducting pre-flood preparedness meetings on relief camp management • Facilitate information exchange between all responsible stakeholders regarding camp locations, targeted population and their location against each camp, coordination actions against specific standards • Support Deputy Commissioner-cum-Chairperson DDMA in issuance of advisories, orders and instructions related to relief camp management and in any other action thereof
During Disaster	<ul style="list-style-type: none"> • Ensure coordinated action among departments and stakeholders in evacuating the affected people to designated relief camps as per plan. Ensure that vulnerable groups (such as children, women, elderly, persons with disability, chronically ill) are to be given priority in the entire process and are supported according to their needs • Ensure that Child Friendly Spaces are operational in all camps where children are being taken care of (as included in the Annexure-II) • Expedite approval process for all matters related to relief camp management • Coordinate with SDO (Civil) and Revenue Circle Officers on a regular basis and facilitate inter-coordination • Visit selected relief camps to take stock of the services provided and the situation of camp inmates as well as adherence to the guidelines. • Ensure that all relief/GR items are provided in the camps in coordinated and timely manner • Provide timely guidance and support to Revenue Circle Officers on all matters related to implementation of relief camp management guidelines • Take stock of the ground situation with related departments and coordinate timely actions as per defined standards. • Address grievances/ complains of camp inmates through feedback mechanism • Mobilize and deploy 'Pratirodhi Bondhu volunteers' in providing services to the camp inmates in consultation with Revenue Circle Officer. Also coordinate with District Manager of CSC,SPV for providing services available under 'e-help' initiative. • Disinfectant drive at all notified Relief Camps/Camps/shelters in advance. • Any other action as per need as the CEO of DDMA or in support of actions for Chairperson DDMA

Flood Contingency Plan-2026-2027

Post Disaster	<ul style="list-style-type: none"> • Facilitate post operation visits to oversee the condition of the camps by the Relief Camp Monitoring Team • Coordinate with concerned departments to ensure cleanliness, repairing etc. of the relief camps so that they can start their original functions • Collect information and feedback from stakeholders for reviewing the effectiveness of the SoP at the district level and propose required changes/modifications if any • Facilitate and coordinate the process of documentation of lessons learnt on camp management to guide better management of camps in future • Facilitate timely completion of all administrative processes related to submission of Utilization Certificate on expenditures made in relief camp management
----------------------	--

3.1.3 Superintendent of Police

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Coordinate and collect list of identified relief camps from the Office of the CEO, DDMA • Ensure that each Police Station has a plan in place for security proofing the identified camps during floods as they come into effect particularly focusing on preventing crime against women and children • Conduct orientation of VDPs etc. on overall disaster management with specific session on relief camp management • Identify and assign camp wise nodal person for coordination in matters related to safety and security in the camp, including development of deployment rosters/patrolling plans • Coordinate with relevant departments and understand plans related to evacuation of affected people and animals, transportation of GR items, mobility of duty bearers for security proofing these actions • Identify and make contingency plans for providing security in relief camps which are located in sensitive areas (prone to security threats) • Identify camps with potential for housing large number of people and arrange for special team consisting of Police and VDP to support in relief distribution • Participate and provide inputs to Deputy Commissioner and CEO DDMA in meetings related to flood preparedness including in relief camp management. • Instruct OCs to participate in Revenue Circle level meetings
During Disaster	<ul style="list-style-type: none"> • Instruct Officer in-Charges of respective police stations to ensure roster wise deployment/patrolling for all relief camps in order to ensure vigilance on anti-social elements around the camps in coordination with respective Revenue Circle Officers. • Support district administration in evacuation of affected community. • Ensure presence of VDP with clear instructions related to maintenance of safety and security in all designated camps. Home guards may be detailed for patrolling & night watch • Ensure that Women Police personnel are stationed within the camps/visit each designated camp to record and address any complaints made by women and take steps to prevent abuse/ abduction of women, girls and children. • Ensure that for safety and security of the women and children vigilance committees are formed consisting of women in each camp. • Ensure safe transit to GR supplies to designated relief camps in coordination with respective Supply Inspector • Ensure presence of police force during relief distribution in camps operated in security sensitive areas • Conduct random visit to selected camps as a part of relief camp monitoring team and assure inmates about security of their property (which they have left behind while evacuating to camps) by interacting with them • Issue specific instructions for patrolling and ensuring security in makeshift camps, if any

Flood Contingency Plan-2026-2027

During Disaster	<ul style="list-style-type: none"> • Participate in post operation review meetings at district level and instruct OCs to participate in Revenue Circle level/Camp level meetings (if any) • Provide feedback to Deputy Commissioner or CEO, DDMA on improvement of camp management related aspects from the perspective of safety and security in future
------------------------	--

3.1.4 CEO, Zila Parishad

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Issue instructions and guidelines to ensure GFDP planning in a way that it addresses preparedness needs such as construction of raised toilets, raised hand-pumps, approach roads, culverts, filling up of grounds which can help in camp management • Issue specific instructions and guide respective BDOs to ensure completion of the ongoing schemes specially related to roads, culverts, bunds, raised platforms, drinking water, boats (if any) etc. specific to pre-identified relief camps before the onset of flood season • Conduct Awareness meeting with PRI in collaboration with DDMA. • Participate in all meetings related to flood preparedness including relief camp management at district level and instruct functionaries to participate in such meeting at Sub-Division, Revenue Circle and Village level (as appropriate) and ensure support to agreed actions • Ensure clear instructions to officials in the department at all levels regarding support to be provided in flood management including relief camp management and provide manpower support • Mobilize and allow resource utilization for strengthening basic facilities in identified relief camps including provision of basic amenities shelters/raised platforms constructed by the department • Take steps for dissemination of information up to village level including support in evacuation and search and rescue using the existing network of P&RD department under various schemes • Explore resources and means for repairing and restoration of camp infrastructure damaged due to being used as relief camps in previous years • Build capacity of functionaries at all levels to enhance preparedness/resilience to overall disaster management including exclusive capacity building on relief camp management • Prioritize proposals/schemes related to strengthening infrastructure/amenities targeting relief camps.
During Disaster	<ul style="list-style-type: none"> • Monitor deployment of functionaries related to P&RD in flood response including relief camp management as per the district plan of DDMA. • Conduct visit to selected Relief Camps to oversee operations as a part of the Relief Camp Monitoring Team • Participate in review meetings of DDMA and issue timely instructions to the BDOs/PRI's towards meeting immediate support need at camp level which are feasible within the ambit of the department • Support Deputy Commissioner/CEO, DDMA any other matters related to camp management
Post Disaster	<ul style="list-style-type: none"> • Participate in post operation review meetings at District level • Conduct post operation visits to oversee the condition of the shelters/raised platforms/department infrastructure used in flood response • Allocate resources/Prioritize proposals under appropriate scheme related to repair and maintenance of any such infrastructure which was damaged because of being used as relief camp/shelter • Instruct BDO/PRI's/Officials to support cleanliness of the relief camps so that they can start their original functions • Issue guidance/instructions to BDOs for identifying infrastructure gaps and guide functionaries on addressing the gaps through proper utilization of schemes implemented through the BDO e.g., MGNREGS • Through structured screening, ensure GFDP plans address preparedness needs for future in the context of camp management • Mobilize PRI to include the renovation/ repairing scheme in the Gaon Sabha' GFDP

Flood Contingency Plan-2026-2027

3.1.5 Sub-Divisional Officer (Civil)

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Ensure Sub-Division level preparedness related to relief camp management and prepare the Sub-Division level Relief Camp Management Plan as per guidelines • Constitute Sub-Division level Relief Camp Monitoring Team & Zonal level Relief Camp Monitoring Team • Coordinate with DDMA in identification of relief camps with provisions for child friendly spaces (as per Annexure-II) looking at safety in the respective Sub-Divisions • Issue specific guidance/instruction at all concerned for ensuring that the designated camps are safe from all hazards, accessible to possible affected communities and the service providers, have basic minimum capacity and facilities to accommodate people. • Ensure that each identified camp's seat (intake) capacity is defined and notified under the Sub-division and shared with DDMA for further approval • Assess financial and resource requirement including procurement and management costs related to camp management in the Sub- Division in consultation with RCOs and submit timely requirement to the DDMA • Selection of vendors at sub-division level to maintaining necessary formalities provide appropriate services at camp level including provision of food, cloth, electricity etc. as and when needed as per the provisions enshrined under Assam Disaster Management Manual, 2015 • Organize bi-monthly preparedness meeting with Revenue Circle Officers, Block Development Officers and line Departments under the Sub-Division before the onset of flood season • Coordinate with relevant departments at Sub-Division level involving Circle Officers and BDOs to ensure facilities/services including but not limited to the following in each of the designated camps: <ul style="list-style-type: none"> ○ Lighting arrangement in residential area, toilets and approach road including arrangement of generators as needed (PWD-E) ○ Potable water for drinking and other household purposes (at least 20 liters/person/day) (PHED) ○ Separate, accessible (within 50 meters) and hygienic toilets (PHED) ○ Separate bathing units for male and female (PHED) ○ Separate food arrangements for children, pregnant and lactating women, ill and elderly (Health and Social Welfare) ○ Culturally and age appropriate clothing (if situation warrants) for inmates (Revenue and DM) ○ Sanitary protection for women and girls (Health and Family Welfare) ○ Health including regular RCH services, health and hygiene education and psycho-social care arrangements in camps (Health and Family Welfare, Social Welfare particularly DCPLUs) ○ Security and protection arrangement including monitoring of situation of women and children in Relief Camps (Police, VDPs, DCPLUs) ○ Waste management facilities in camps (PHED, ULBs & GPs). ○ Relevant SBCC materials in local languages (Health and Family Welfare, Social Welfare, Education) ○ Educational and recreational activities in camps (Education Department) • In coordination with DDMA and through Circle Officers/BDO, plan and pre-position procured items in strategic locations with a well thought out transportation plan (Mapping all the designated camps against specific storage facilities for GR) • Review status of identification, authorization and orientation of camp in-charge and Assistant Camp Officers on the Inclusive Relief Camp Management in a periodic manner with Revenue Circle Officers and BDOs • Disinfectant drive at all notified Relief Camps/Camps/shelters in advance. • Review local preparedness for camp operation (camp level) before monsoon and on receipt of warning

Flood Contingency Plan-2026-2027

During Disaster	<ul style="list-style-type: none"> • In view of the COVID-19 situation, managing of relief camps with social distancing is a challenge. People should be encouraged not to leave home just because their frontier is submerged or household is safe within the campus; they would be provided relief materials as per norms. • The vulnerability mapping up to household level should be done immediately so that we can identify which household are least and worst affected. The worst one will populate the camps first enabling the priority wise identification of the camp inmates. • Guide and support Sub-division and Zonal level Relief Camp Management team in setting up of camps and provisions/functions of responsible departments • Monitor operationalization of camps, provisioning of essential services in camps as per pre-defined duty rosters of responsible functionaries at Circle and Camp level • Facilitate immediate decisions to fulfil requirements as per emergent situation in the Sub-Division • Issue appropriate instructions/directives in coordination with DDMA • Ensure that all stakeholders and actions notified are being adhered to • Ensure that vulnerable groups particularly children & women are given particular attention in the areas of health, food & nutrition, Water, Sanitation & Hygiene, safety & security, psycho-social care • Ensure that Child Friendly Spaces are operational in all camps where children are being taken care of (Annexure –II) • Activate Grievance Redressal mechanism for collecting and addressing feedback/complaints from camp inmates • Issue real time instructions to concerned functionaries at Sub-Division level to address grievances • Suggest DDMA on closure of the camps considering the on-ground situation in consultation with Revenue Circle Officers and BDOs
Post Disaster	<ul style="list-style-type: none"> • Conduct post operation review meetings with Revenue Circle Officers and BDOs • Conduct post operation visits to oversee the condition of the camps with relevant officials • Ensure cleanliness, repairing and re-insignation of the relief camps so that they can start their original functions • Facilitate proper documentation and administrative processes for appropriate settlement.

1.1.5 Executive Engineer – Public Health Engineering Department (PHED)

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Coordinate with CEO, DDMA/SDO (Civil) and collect list of designated relief camps in advance • Map Water, Sanitation and Hygiene situation of the designated against their stated capacity of intake during emergencies • Designate Camp wise focal points from the PHED department for planning, pre-positioning and delivering WASH services during disasters/emergencies and share their contact details with DEOC • Procure and pre-position (at strategic locations for rapid deployment) materials to construct temporary toilets in the designated camps e.g., Squatting Plates, Tarpaulin, bamboo etc. • Map water supply needs and make arrangements including mobile water treatment vehicles, hand pumps and other sources to meet the water needs in camps • Ensure that existing water sources in the designated camps are tested for quality and necessary measures to decontaminate/purify water are in place well in advance • Conduct orientation of staff and ground level designated work-force on Emergency Preparedness for response and their role in relief camps • Develop/adapt social and behavior change communication materials to be used in camps for safe WASH practices and keep them ready for delivery in camps • Ensure that each identified relief camp is given a pre-WASH compliance certificate • Make plans and ensure availability of human resource and materials for arranging basic amenities (water, sanitation and hygiene related) in make shift camp locations, raised platforms etc. • Disinfectant drive at all notified Relief Camps/Camps/shelters in advance

Flood Contingency Plan-2026-2027

During Disaster	<ul style="list-style-type: none"> • Be responsible for the overall Water, Sanitation and Hygiene (WASH) facilities and services in the relief camps. • Demonstrate Hand wash and other hygiene practices in the Relief camps. • Implement aggressive awareness drive including installation of additional hand washing facilities in camps (in the context of outbreak of infectious diseases) • Supervise the designated Sectional Officer (Junior Engineer) and other staffs to ensure <ul style="list-style-type: none"> ○ availability of water <u>(20 litres/person/day and/or 1 hand pump for 200 persons)</u> ○ safety of water sources (distance of hand pumps at least 20 feet from toilet) ○ Adequate latrines are available and temporary latrines are set up as per need <i>(Maximum 50 Meters from the designated residential spaces)</i> ○ latrine pits are de-sludge on time ○ separate bathing spaces for male and female ○ privacy in the toilets and bathing spaces ○ proper drainage of waste water ○ monitor safe disposal of solid waste in the available garbage bins or designated locations • Implement supplementary measures as specified in the flood relief camp management guidelines in the context of COVID-19 attached (in Annexure-I). • As part of the Relief Camp Monitoring Team, EE will specifically monitor the quality of the WASH facilities and materials in the relief camps, provide on-site guidance/instruction if there's any scope for improvement and provide SMART recommendations to DDMA/ SDO (Civil) for any WASH related requirement in the relief camps. • Ensure that all the interventions taken up in camps are reported in the master register maintained by the camp in-charge. • Take up the activities in coordination with District administration on their written instructions.
After Disaster	<ul style="list-style-type: none"> • Ensure de-commissioning of temporary WASH infrastructure in camps (as per need) • Ensure that fixed water sources in and around camp along with other affected areas are de-contaminated • Conduct a debriefing for the designated officials on what went well and what needs to improve in future

Flood Contingency Plan-2026-2027

3.1.7 Joint Director, Health Services – Department of Health and Family Welfare

<p style="text-align: center;">Pre-Disaster</p>	<ul style="list-style-type: none"> • Coordinate with CEO, DDMA/SDO (Civil) and collect list of designated relief camps in advance • Designate Camp wise focal points from the Health and Family Welfare department (including but not limited to Sub-Divisional Medical and Health Officer, PHC/CHC/State Dispensary/Sub-Centre staff, NHM and IDSP staff) for planning, pre-positioning and delivering health services during disasters/emergencies and share their contact details with DEOC • Develop roster of medical and para-medical staff against designated camps, issue directives to the roster members to: <ol style="list-style-type: none"> i. Screen camp inmates for diseases within 24 hours of their entry into camps ii. Conduct rapid health assessment in all camps on regular basis (not less than once a week) • Identify more quarantine center, isolation center • Identify Makeshift Hospital arrangement • Maintain list of equipment, drugs, etc. for moving to camps • Line listing of Pregnant women and children 0-1 year of age • Awareness on Dos and Don'ts during the village Health Sanitation Nutrition meeting • Ensure provisions for emergency transportation including ambulances for all camps (an ambulance to be stationed in case of camps having a capacity of 500 and more) • Ensure that all camps are mapped against their nearest health centre and emergency medicine (e.g., anti-venom stock) are available in these health centers • Map flood vulnerable villages and camps which are endemic to certain vector/water borne diseases and undertake preventive steps to contain disease outbreak • Conduct orientation of Medical and Para-Medical staff on preparedness for response • Ensure that health supplies (including vaccines and medicines) are pre-positioned, contingency plans are ready and transportation arrangements are made to deliver services in camps/safe places where affected people are taking shelter • Develop/adapt disease protocols and communication materials in local language and ensure their availability in designated camps • Identify and designate therapeutic counsellors for deployment on roster basis in the camps and build their capacity to tackle emergency situations • Ensure that frontline workers (ASHA/ANM/MPWs/CHDs) are oriented to provide scenario based health education to camp inmates • Ensure that female gynecologist and obstetricians, pediatricians and other specialized doctors are kept on roster and are oriented/supported to visit the designated camps and provide necessary services • Ensure planning for mosquito and rodent control in the designated camps and ensure timely procurement of necessary items (this is done in general, need to be extended to the camps during emergencies) • Act upon learning points from previous year • Identify additional quarantine shelters/isolation facilities to house people under quarantine (symptomatic/asymptomatic) • Ensure availability of adequate PPE for frontline workforce in vulnerable locations/camps • Develop plans and mobilize resources for establishing and operating temporary hospitals as per requirement
<p style="text-align: center;">During Disasters</p>	<ul style="list-style-type: none"> • Be responsible for the overall health interventions and services in the relief camps. • Coordinate with ADC & CEO, DDMA/ SDO (Civil) to implement health services in designated camps and other safe shelters • Supervise, guide and monitor the functioning of designated medical and para medical staff in

Flood Contingency Plan-2026-2027

	<p>conducting initial screening, weekly rapid health assessment, regular health check-ups and routine immunization in designated camps/safe shelters and child friendly spaces</p> <ul style="list-style-type: none"> • Ensure availability, transportation and use of basic medical supplies (as per norms) in designated camps • Monitor any disruption in health service delivery and conduct special drives in camps related to vaccination, immunization, special screening etc. • Ensure visit by specialized medical professionals (female obstetricians, pediatricians and other specialized doctors) in camps • As part of the Relief Camp Monitoring Team, JDHS will specifically monitor the quality of the health facilities and services in the relief camps, provide on-site guidance/instruction if there's any scope for improvement and provide SMART recommendations to ADC for any health-related requirements in the relief camps • Ensure that all the interventions taken up in camps are reported in the master register maintained by the camp in-charge • Reporting to head quarter on a regular basis with clear, specific limits. • Arrange fogging to prevent mosquito and other flying insects and related diseases in the relief camps. Eliminate breeding places of mosquito and rodent inside the camp premises. • Conduct special awareness drive, screening and other safety actions related to COVID and other infectious diseases (refer to Annexure-I) to contain spread of any disease in the camps. • Implement all health safety protocols in relief camps • Reflecting on any special need, shortfall of manpower/ drugs etc. • Explore the collaboration with the Doctors of non-governmental organization/ private practitioners etc.
Post Disaster	<ul style="list-style-type: none"> • Ensure that each of the designated camps have been covered with vector/rodent control (after their closure) to prevent any further outbreak while they get back to their normal function (mostly camps are schools) • Provide a detailed report to the DDMA on interventions taken up by the department in camps/other safe shelters • Conduct a debriefing for the designated officials on what went well and what needs to improve in future

Flood Contingency Plan-2026-2027

3.1.8 District Social Welfare Officer – Department of Social Welfare

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Mapping the Child Friendly Space (CFS) in designated relief camps (as in Annexure-II). • Coordinate with CEO, DDMA/SDO (Civil) and collect list of designated relief camps in advance • Designate Camp wise focal points from the Social Welfare department (including but not limited to DCPO, CDPO, Program Coordinators (NMI) and Anganwadi Supervisors, Workers, and Helpers for planning, pre-positioning and delivering essential services (nutrition, child protection, care of vulnerable groups including elderly, disabled and women) during disasters/emergencies and share their contact details with DEDC. • Develop roster of Anganwadi workers and helpers as per designated relief camps and ensure their services for the followings: <ol style="list-style-type: none"> i. Setting up safe spaces for women and children. ii. Ensure counselling of pregnant women, lactating mothers on infant and young child feeding during emergencies (during and post flood and other such emergencies) iii. Explore possibility of continuing services provided to children 0-6 years through ICDS centres while they are in the camps iv. Ensure counselling and other activities with Adolescent girls and women (as appropriate) for safer menstrual hygiene management during their stay in the camp v. Assisting ANM and other health team members in related services • Conduct orientation of Social Welfare Functionaries at all levels on preparedness for response • Assign Counsellors working under the department for periodic visit and necessary psycho-social support to camp inmates particularly children and women and build their capacities for the same • Ensure that frontline workers (Supervisors/AWWs/Helpers) are oriented to provide scenario based health education to camp inmates • Explore possibility of procuring culturally appropriate sanitary protection for women and girls in relief camps • Explore feasibility of pre-positioning nutrition supplies (mapped against Anganwadi centres) to be used during emergencies in designated camps.
During Disasters	<ul style="list-style-type: none"> • Be responsible for the overall child protection and nutrition services in the relief camps. • Coordinate with ADC & CEO, DDMA to implement child protection and nutrition services in designated camps and other safe shelters. • Supervise, guide and monitor the functioning of designated social welfare staff in conducting their assigned jobs • Monitor any disruption in service delivery of anganwadi centres and ensure functioning of child friendly spaces in the designated relief camps where child related services can be delivered • Ensure visit by trained counsellors (working in the department) in camps on period basis to provide psycho-social support services • Ensure that mal-nourished children get special attention and services in the camps and referral (if needed) • As part of the Relief Camp Monitoring Team, DSWO will specifically monitor the quality of the child protection and nutrition services in the relief camps, provide on-site guidance/instruction if there's any scope for improvement and provide SMART recommendations to ADC for any related requirements in the relief camps • Ensure that all the interventions taken up in camps are reported in the master register maintained by the camp in-charge
Post Disaster	<ul style="list-style-type: none"> • Provide a detailed report to the DDMA on interventions taken up by the department in camps/other safe shelters • Conduct a debriefing for the designated officials on what went well and what needs to improve in future • Conduct lessons learnt meeting with deployed officials and revise the SoP accordingly for the district concerned

Flood Contingency Plan-2026-2027

3.1.9 District Elementary Education Officer and Inspector of Schools – Department of Elementary Education

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Coordinate with CEO, DDMA/SDO (Civil) and collect list of designated relief camps in advance • Designate Camp wise focal points from the Education department (including but not limited to DPOs, BEEOs, CRCCs, Teaching and Non-Teaching staff for planning, pre-positioning and delivering Education in Emergency related services (and share their contact details with DEOC. • Develop roster of Teaching and Non-Teaching Staff as per designated relief camps and ensure their services for the followings: <ol style="list-style-type: none"> i. Setting up safe spaces for women and children (Child Friendly Spaces). ii. Age-group wise educational and recreational activities with children in the camp iii. Support in camp management including data and records management iv. Map educational needs of children (supplementary education) staying in camps as well as those whose education is impacted because of school being used as relief camps v. Coordinate with functionaries of Social Welfare, Health and other relevant departments operational a camp level • Conduct orientation of Functionaries of Education Department at all levels (not limited to teachers) on preparedness for response • Explore feasibility of pre-positioning 'Education in Emergency' supplies such as emergency education kit (Including stationaries, recreation kits, story book collection and additional supply of text book) for children in camps. • Explore feasibility of establishing temporary educational infrastructure (such as tents, temporary schools with locally available materials) for schools which are regularly used as relief camps and suffer loss of instructional days. • Ensure mechanism for rapid re-start of schools used as camps
During Disasters	<ul style="list-style-type: none"> • Be responsible for the overall education services in the relief camps. • Coordinate with ADC & CEO, DDMA to implement education services in designated camps and other safe shelters • Supervise, guide and monitor the functioning of designated education department staff in conducting their assigned jobs • Monitor any disruption in service delivery of schools and ensure functioning of child friendly spaces in the designated relief camps • As part of the Relief Camp Monitoring Team, IS/DEEO will specifically monitor the quality of the education and recreation services in the relief camps, provide on-site guidance/instruction if there's any scope for improvement and provide SMART recommendations to ADC for any education-related requirements in the relief camps • Ensure that all the interventions taken up in camps are reported in the master register maintained by the camp in-charge
Post Disaster	<ul style="list-style-type: none"> • Provide a detailed report to the DDMA on interventions taken up by the department in camps/other safe shelters • Conduct a debriefing for the designated officials on what went well and what needs to improve in future • Conduct lessons learnt meeting with deployed officials and revise the SoP accordingly for the district concerned

Flood Contingency Plan-2026-2027

3.1.10 District Project Officer – District Disaster Management Authority (DDMA)

Phase	Responsibility
Pre-disaster	<ul style="list-style-type: none"> • He will act as a nodal officer to establish a network with NGOs in the district and liaise on regular basis and ensure their participation in DDMA. • Ensure timely reporting at all levels • Coordinate with FCs and other department officials • Facilitate the selection and designation of relief camps including child friendly spaces in emergencies • Map stakeholders for relief camp management in the respective district • Support the DC/ADC (CEO-DDMA) in issuing letters and directives to concerned departments/stakeholders • Make/update e-directory of camps with coordinates, seat capacity capacity, status of basic amenities/facilities and name with contact details of designated officials • Design and develop/adapt modules/plans for capacity building of responsible stakeholders on relief camp management in consultation with ASDMA (HQ) • Visit designated camp sites (pre-disaster) and make consultative plans on camp lay out for effective planning with stakeholders • Develop and share in advance various protocols including reporting template, camp-inmates' ID card/tickets, registers at camp level for registering services provided by departments and others in camp etc. • Develop own understanding and orient Field Officers on relief camp assessment scorecard • Support DC/ADC in ensuring all preparedness actions are done related to relief camp operationalization and management
During Disaster	<ul style="list-style-type: none"> • Support DC/ADC in operationalizing camps • Support DC/ADC in issuing real time orders/notifications • Coordinate with respective departments/stakeholders and ensure timely and well-coordinated response • Map additional stakeholders pouring in with resources during response phase • Assist the concerned ADC to coordinate the field visits as part of the Relief Camp Monitoring Team. • Activate Relief Camp Assessment by designated 'Assessors' for a comprehensive picture • Develop and share StPlans to ASDMA with complete information on camps and services provided in camps (As per agreed template) • Assess camp wise needs and support deployment of resources (real time) as per need/gaps • Assess and advise the DC/ADC on the closure of the camps
Post Disaster	<ul style="list-style-type: none"> • Monitor the camp closure process particularly cleaning and re-inauguration of the camp site to its original position (particularly schools) • Compile (with support of ASDMA) camp wise scores and findings of the monitoring visit and debrief the stakeholders on future considerations • Develop action plan for improving relief camp management for next phase/year based on the current experience • Support DC/ADC in revision of the SoP, including/excluding relevant/irrelevant stakeholders and making it more useable/practicable

3.1.11 District Veterinary Officer

Phase	Responsibility
Pre-flood	<ul style="list-style-type: none"> • Identify high lands where green fodder is available like tea gardens, PGR/VGR etc. and arrange for collection of green fodder from Tea garden management authority • Lead the process of identification of cattle shelter for floods in coordination with Chairperson/CEO, DDMA and instruct officials to lead the same at Sub-Division, Revenue Circle and Village level in coordination with SDO (Civil), Revenue Circle Officer and Block Development Officer • Prepare preparedness plan for cattle rescue and transfer to safe shelters.

Flood Contingency Plan-2026-2027

	<ul style="list-style-type: none"> • Coordinate with DDMA to identify relief camps which also have capacity/provision to shelter cattle • Procure and pre-position cattle feed/vaccines etc. at strategic locations to cater to needs of all identified cattle shelters • Coordinate with DDMA/SDO (Civil)/RCO and plan for transportation and distribution of cattle feed in identified camps/shelters • Identify and strategize manpower and material for safe disposal animal carcasses away from human shelters/relief camps in coordination with DDMA/ SDO (Civil) • Build capacity of department's workforce in effective management cattle shelters/camps including safe disposal animal carcasses • Participate in all preparedness meetings at district level and instruct officials to participate in the same at Sub-Division, Revenue Circle and village level (as feasible)
During Disaster	<ul style="list-style-type: none"> • Rescue of animals during flood and other disaster situation and bring them to relief camps • Ensure proper reporting of daily flood report/situation report (in prescribed format to RCO/DDMA) and documentation • To ensure prevention of epidemic diseases with livestock health and vaccination programme (pre-flood, during and post flood scenarios) • Ensure provision of temporary shelters for animals in previously recognized higher platforms • Distribution of feed and fodder to the farmers affected by the flood or other disasters • Collect green fodder from Tea Estate and other sources. • Distribution of veterinary medicines and feed supplements at the relief camps, where cattle farmers are taking shelter • Organizing animal health camp in affected area (during and post flood relief camps) – to organize animal health camps schools, GP offices or other raised areas which have been used as Relief Camps • Sensitization of affected areas with bleaching powder. Ensure disinfection of affected cattle sheds by IRT and other local bodies with strict supervision of departmental officials • Ensure safe carcass disposal from the flood/disaster affected areas during and after disaster with the help of civil administration • Ensure compensations of livestock loss of farmers with the help of civil administration • Coordination with local Govt. and Non Govt. bodies for further action during disaster situation
Post Disaster	<ul style="list-style-type: none"> • Provide a detailed report to the DDMA on interventions taken up by the department in camps/other safe shelters • Conduct a debriefing for the designated officials on what went well and what needs to improve in future • Conduct lessons learnt meeting with deployed officials and revise the SoP accordingly for the district concerned

3.1.12 Deputy Director, Food and Civil Supplies

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Coordinate with DDMA/SDO (Civil)/Revenue Circle Officer and collect the details regarding identified relief camps with detailed coordinates • Coordinate DDMA/SDO (Civil)/Revenue Circle Officer and collect detailed GR requirement and make procurement/supply plans accordingly, make transportation arrangements in advance • Instruct Supply Inspectors to develop Revenue Circle level transit plan for transportation of GR to designated relief camps and share the plan with RCO • Maintain sufficient stock (including buffer stock) of rice and other GR items at all levels particularly during the flood season (March-October), liaisoning with FCI and open market stocks. • Pre-position GR stock at strategic locations for covering vulnerable hard to reach areas which may get cut off during floods • Maintain sufficient stock of PoL at all levels including maintaining buffer stock for flood season • Participate in all preparedness meetings at district level and instruct officials to participate in such

Flood Contingency Plan-2026-2027

	<p>meetings at Sub-Division and Revenue Circle level</p> <ul style="list-style-type: none"> • Conduct meeting with supply officials to review their plans and exchange locations and capacity of camps • Be ready to support DDMA in any other related matter with regard to GR and supplies in the context of relief camp management
During Disaster	<ul style="list-style-type: none"> • Ensure timely mobilization and transportation of GR to all designated places and relief camps • Effectively manage human resource to reduce time laps and increase efficiency in supplies • Update Chairperson/CEO, DDMA/SDO (Civil) and Revenue Circle Officer on action taken and issues and challenges • Execute transit plan for GR in a smart and strategic manner to ensure holistic coverage in relatively less time. • Ensure timely requisition and refilling of stock of essential supplies • Support RCO in distribution of GR as per norms in relief camps • Regularly review response with Supply Officials
Post Disaster	<ul style="list-style-type: none"> • Provide a detailed report to the DDMA on interventions taken up by the department in camps/other safe shelters • Conduct a debriefing for the designated officials on what went well and what needs to improve in future • Conduct lessons learnt meeting with deployed officials and revise the SoP accordingly for the district concerned • Improve departmental infrastructure and skills of the manpower based on learning for better delivery of services in future emergencies

3.1.12 Revenue Circle Officer

Phase	Responsibility
Pre Disaster	<ul style="list-style-type: none"> • Be responsible for identification of relief camps with provisions for child friendly spaces in the respective Revenue Circle/Community Development Block in due consultation with concerned departments and submit it to DC/ SDO (Civil) and DDMA for approval • Ensure that designated camps are safe from all hazards, accessible to possible affected communities and the service providers, have basic minimum capacity and facilities to accommodate people. • Ensure that each identified camp's seat capacity is defined and notified, as per social distancing norms (current COVID Context and future infectious disease outbreak context) under the Revenue Circle/CD Block and shared with SDO (Civil) and DDMA • Assess financial and resource requirement related to operation and management of camps in the Revenue Circle/CD Block and appraise DC/SDO (Civil) in time before the onset of flood season • Participate in bi-monthly preparedness meeting with SDO (Civil) at Sub-Division level before the onset of flood season and also participate in pre-flood meetings of DDMA with relevant plans and details • Organize Relief Camp Management Training among the notified staff and officers, NGOs/CBOs etc. • Coordinate with relevant departments at Revenue Circle level to ensure facilities/services in each of the designated camps: <ul style="list-style-type: none"> o Lighting arrangement in residential area, toilets and approach road including arrangement of generators as needed (PWD-E) o Potable water for drinking and other household purposes (at least 20 liters/person/day) (PHED) o Separate, accessible (within 50 meters) and hygienic toilets (PHED) o Separate bathing units for male and female (PHED) o Separate food arrangements for children, pregnant and lactating women, ill and elderly (Health and Social Welfare) o Culturally and age appropriate clothing (if situation warrants) for inmates (Revenue and DM) o Sanitary protection for women and girls (Health and Family Welfare and ASRLM) o Health including regular RCH services, health and hygiene education and psycho-social care

Flood Contingency Plan-2026-2027

	<p>arrangements in camps (<u>Health and Family Welfare, Social Welfare particularly DCPLs</u>)</p> <ul style="list-style-type: none"> ○ Security and protection arrangement including monitoring of situation of women and children as well as separate species such as breast feeding spaces in camps (<u>Police, VDPs, DCPLs</u>) ○ Waste management facilities in camps (<u>PHED, GP and ULBs</u>) ○ Relevant SBCC materials in local languages (<u>Health and Family Welfare, Social Welfare, Education</u>) ○ Educational and recreational activities in camps (<u>Education Department</u>) <ul style="list-style-type: none"> • Share templates and formats with camp in-charges for data management including registration of people taking shelter in camps • In coordination with DDMA/SDO (Civil), plan and pre-position procured items in strategic locations with a well thought out transportation plan (Mapping all the designated camps against specific storage facilities for GR) in the Revenue Circle • Identification authorize and orient camp in-charge and Assistant Camp Officers on Inclusive Relief Camp Management in a periodic manner in consultation with SDO (Civil) and DDMA. This will include issuance of ID Card to Camp in-charges • Review local preparedness for camp operation (camp level) before monsoon and on receipt of warning, develop minutes of the review and submit detailed report to SDO (Civil) and DDMA • Identify NGOs/CBOs present having projects in the Revenue Circle and make a plan for effective utilization of their support in camp management process including sharing details of camps identified, population targeted and type of services to be provided. This shall include finalization of list of NGOs, delegation of responsibilities including in evacuation, camp management, relief distribution etc. • Formation of Evacuation and Rescue teams at Circle and Village level with participation of stakeholders from various government department, NGOs and communities. The citizens should know when and how to reach their designated relief camps as per plan. • Ensure provision for motor transport (boat/vehicle) to evacuate people to designated relief camps. • Make a plan in advance to discourage shelter in embankments by arranging alternate camp sites as feasible • Arrange for distribution of relief in the camps in a systematic manner. • Constitute in advance camp management committees for each designated camp including members from Revenue, P&RD, Health, PHED and Social Welfare • Regularly assess and evaluate the open market stock and GPSS (Cooperative Society) of rice through Supply Inspector and stock of PoL in Petrol Pumps • Submit a standard compliance cum camp wise preparedness report to DC/ SDO (Civil) well in advance of the flood season
During Disaster	<ul style="list-style-type: none"> • Be responsible for evacuation of people to designated relief camps (as pre-identified plan) in the event of receipt of warning for possible flood with activation of Circle and Village level evacuation teams • Be responsible for coordinating setting up of camps and provisions/functions of responsible departments under the jurisdiction of Revenue Circle • Operationalize camps, provisioning of essential services in camps as per pre-defined duty rosters of responsible functionaries at Revenue Circle and Camp level • Ensure proper registration and data management in camps as per pre-defined templates • Ensure that camp inmate families are provided with tickets during entry/registration. The ticket should have their identity, and details of services/supplies received during their stay in the camp and should be updated as and when they are provided with any supply/service • Ensure that all stakeholders and actions notified are being adhered to. Issue realtime instructions in accordance with the provision of the camp management guideline and report to DC/SDO (Civil) for any deviation and non-compliance related issue by stakeholders • Take appropriate action and ensure that vulnerable groups particularly children and women are given particular attention in the areas of health, food and nutrition, Water, Sanitation and Hygiene, safety and security, psycho-social care

Flood Contingency Plan-2026-2027

	<ul style="list-style-type: none"> • Ensure distribution of GR as per norms in the camps • Ensure that Child Friendly Spaces are operational in all camps where children are being taken care of • Ensure that GR Display Board is being provisioned in each designated camps which is updated on daily basis • Activate Grievance Redressal mechanism for collecting and addressing feedback/complaints from camp inmates. Appraise the DC/SDO (Civil) on concerns and feedback received. • Recommend DC/SDO (Civil) on closure of the camps considering the on-ground situation in
Post Disaster	<ul style="list-style-type: none"> • Conduct post operation review meetings with Camp in Charges and relevant departments and participate in such meetings at Sub-Divisional level and District level • Conduct post operation visits to oversee the condition of the camps with relevant officials • Ensure cleanliness (disinfection and whitewash), repairing and re-ignition of the relief camps so that they can start their original functions • Facilitate proper documentation and administrative processes for appropriate settlement

3.1.13 Block Development Officer

Phase	Responsibility
Pre Disaster	<ul style="list-style-type: none"> • Work in close coordination with DDMA and Revenue Circle Officer in the process of identification of camps. • Map existing infrastructure created/promoted by the Block Development Office which can be used for food relief camps for human or for animals and share the list with Revenue Circle Officer (RCO) • Ensure basic minimum facilities including drinking water and sanitation, handwashing facilities in such infrastructures which are mapped for setting up relief camps • Conduct orientation/trainings of PRIs/SHGs and beneficiaries/participate in trainings conducted by DDMA/SDO (Civil)/RCO on matters related to disaster management including relief camp management. • Participate in preparedness meetings at DDMA/Sub-Division level before the onset of flood season as and when called for • Develop and regularly update a list of manpower (staff and volunteers) of the department who can be engaged in disaster response including relief camp management and to ensure training/ orientation. • Support DDMA/ SDO (Civil)/ Revenue Circle Officer in coordination with relevant departments/stakeholders to ensure facilities/services as per guidelines • Issue timely notifications to Gaon Panchayats for support in flood response including relief camp management • Agree on pre-identified responsibilities between the Revenue and Gaon Panchayat officials in camp management process • Support Revenue Circle Officer to plan and pre-position procured items in strategic locations with a well thought out transportation plan (Mapping all the designated camps against specific storage facilities for GR) in the Revenue Circle • Identify NGOs/CBOs/ SHGs etc. who can support in camp management process, develop their deployment roster in coordination with Revenue Circle Officer & orient them on their role e.g. in the context of organizing GR distribution, support in operating child friendly spaces etc. • Before floods, complete the ongoing schemes specially related to roads, culverts, raised platforms, drinking water etc. specific to pre-identified relief camps including repairing of Panchayat owned boats before the onset of flood season • Facilitate GPDP planning in a way that it address preparedness needs such as construction of raised toilets, raised hand-pumps, approach roads, culverts, filling up of grounds which can help in

Flood Contingency Plan-2026-2027

	camp management
During Disaster	<ul style="list-style-type: none"> • Support RCO in setting up of camps and provisions/functions of responsible departments under the jurisdiction of Revenue Circle/CD Block • Monitor deployment of functionaries related to P&RD in food response including relief camp management • Jointly with RCO, ensure stakeholders and actions notified are being adhered to. Issue realtime instructions in accordance with the provision of the camp management guideline and report to DC/SDO (Civil) for any deviation and non-compliance related to issue by stakeholders • Ensure mobilization of frontline workforce including NGOs/ CBOs/SHGs who have been pre-identified and oriented to support relief camp management process • Participate in reviews conducted by DDMA/SDO (Civil)/RCO • Support Revenue Circle Officer in any other matters related to camp management
Post Disaster	<ul style="list-style-type: none"> • Participate in post operation review meetings with Camp in Charges and relevant departments and participate in such meetings at Sub-Divisional level and District level • Conduct post operation visits to oversee the condition of the camps with relevant officials • Jointly with RCO, ensure cleanliness, repairing and re-instigation of the relief camps so that they can start their original functions • Facilitate proper documentation and administrative processes for appropriate settlement. • Identify gaps infrastructure and guide functionaries on addressing the gaps through proper utilization of schemes implemented through the BDO e.g., MGNREGS • Facilitate GPCP planning in a way that it address preparedness needs for future in the context of camp management

3.2 Operationalize the Child Friendly Spaces (CFS)

Child Friendly Spaces (CFS) are the designated place within the relief camps, where children are provided a safe environment, integrated programs including play, re-creation, education, health and psycho-social support to be delivered by the related line department/agencies. The purpose of CFS is to support the resilient and well-being of children and young people through, structured activities conducted by community/ line departments in a safe, friendly and stimulating environment. The detail guideline for operationalize the CFS in the current context of COVID-19 has been enclosed at **Annexure-8**.

3.3 Camp Level SoPs:

3.3.1 Gaon Burah / P & RD Officials / PRI Members (GP President/AP Member/Ward Member)/ VCDC (Chairman and Members) in 6th scheduled areas

- Coordinate with Circle Officer and local government functionaries responsible for camp management.
- Follow the Directives issued by DDMA/RC Administration on services to be provided in camp
- Support Circle Administration in pre-identification of camps, pre-positioning of essential items (as the case may be) and other preparatory processes related to camp management
- To undertake measures to pre-identify the community halls of the Panchayat & Rural Development department located in high lands which can be used as relief camps during flood or any other disasters
- Help the local civil administration to select pre-identified areas for proper disposal of waste materials/ hazardous materials in order to maintain hygiene and cleanliness of the relief camp campus
- Participate in capacity building initiatives undertaken by the CO on Camp/Disaster Management
- Identify volunteers and leading citizens and encourage them to support in managing day to day affairs in the camp
- Support operationalization of the camp including public announcement, general administration of the camp (including management of supplies).
- Keep an inventory of all supplies, materials and services provided in the camp

Flood Contingency Plan-2026-2027

- Properly plan schedule of services (registration of inmates, food distribution/preparation, organization of kitchen, services to children, pregnant women, lactating mothers, diseased, disabled, elderly etc.)
- Support in establishing help-desk in the camp which remains functional throughout camp duration.
- Support arranging locally available materials as may be required for various camp needs
- Provide information and encourage camp inmates to return to their homes as the situation improves
- Support Revenue Circle Administration in any other function as and when required related to relief camp management

3.3.2 School Teacher

- Participate in capacity building activities conducted by the DCMA/RC Administration
- Follow the Directives issued by IS/DEEO on services to be provided in camp
- Teacher/Non-Teaching staff designated as Camp In-charge (if school is used as Relief Camp) shall ensure registration of all inmates, issuing tickets during entry/registration. The ticket should have their identity, and details of services/supplies received during their stay in the camp and should be updated as and when they are provided with any supply/service
- He/She should also discharge all functions as stated above for Gaon Buro/PRI Members
- Teachers who are designated for Child Friendly Spaces shall ensure all functions as stated in the Child Friendly Spaces guideline particularly focusing upon age and situation specific education and recreation services
- Ensure special provisions for the children with disability in the relief camps along with special care for their education and make sure the same in the CFS as well
- Teachers (from schools used as relief camps and closed for educational activity) shall support the operationalization of Child Friendly Spaces in the camps
- They should also explore feasibility of operationalizing of temporary schools using locally available/pre-procured resources to reduce loss of instructional days
- Teachers shall help inmates in keeping the school clean, protecting school infrastructure and resources and in managing services in the camp under the supervision of the Camp In-Charge
- They should support in ensuring rapid re-start of schools once the camps are declared as closed
- Be on duty throughout camp duration and plan academic activities according to the situation

3.3.3 Auxiliary Nurse Midwife (ANM), Multi-Purpose Workers (MPWs) and Accredited Social Health Activist (ASHA)

- Participate in capacity building activities conducted by the DCMA/ SDC(Civil)/ Revenue Circle Officer
- Follow the Directives issued by JDHS on services to be provided in camp
- Coordinate with Camp In-Charge and collect details of pregnant women, lactating mothers, infants, persons with chronic diseases etc.
- Under the guidance of the responsible Medical Officer, be deployed in designated camps for basic health check-up, disease surveillance, share information on good health and hygiene practices with the camp inmates.
- Map medicinal needs of the camp inmates (prescriptive) and maintain a database accordingly. Monitor the availability of prescribed medicines and their intake by inmates suffering from chronic diseases
- Conduct special drives with pregnant women, lactating mothers and infants encouraging appropriate Infant and Young Child Feeding
- Keep track of mother and child health in the camp including their feeding, medical needs etc
- Arrange fogging to prevent mosquito and other flying insects and related diseases. Eliminate breeding places of mosquito and rodent inside the camp premises.
- Spend dedicated time every day to discuss about menstrual hygiene, sexual and reproductive health and rights with women and adolescent girls in the dedicated space created for women and adolescent girls. ANM and ASHA must insist the Assistant Camp Officer to setup a dedicated privacy space for women and adolescent girls if it is not setup.

Flood Contingency Plan-2026-2027

- Give special attention to malnourished children in the relief camps, monitor and report daily on the status of those malnourished children to the responsible Medical Officer.
- Provide psychosocial support to those relief camp inmates who have experienced violence, are in a trauma due to the disaster and/or lost any family member or friends.
- Health check-ups, immunization, etc. under the Integrated Child Development Services (ICDS) and other programmes for children, women and adolescent girls can be integrated with a CFS facility by ANM and ASHA.
- Be on duty throughout camp duration and plan activities according to the situation

3.3.4 Anganwadi Supervisor/Anganwadi Worker (AWW) Helper

- In Child Friendly Spaces set up in the camps, provide appropriate services as defined in the Child Friendly Spaces guideline (in Annexure –II)
- Participate in capacity building activities conducted by the DDMA/RC Administration
- Follow the Directives issued by DSWO on services to be provided in camp
- Be deployed in designated relief camps and provide nutritious food and supplements to children and women beneficiaries of the respective AWC taking shelter in the camp. AWWs shall conduct a mapping of children as per their enrolment in AWCs as children enrolled in different AWCs may take shelter in one camp. Discuss with CDPO and chalk out joint strategy in advance for delivering routine ICDS services in the camps
- Coordinate with Camp In-Charge and the health functionaries and collect details of pregnant women, lactating mothers, infants etc.
- Give special attention to malnourished children in the relief camps, monitor and report daily on the status of those malnourished children to the responsible CDPO and DSWO.
- Spend dedicated time to discuss about menstrual hygiene, sexual and reproductive health and rights with women and adolescent girls in the dedicated space created for women and adolescent girls. AWW must insist the Assistant Camp Officer to setup a dedicated privacy space for women and adolescent girls if it is not setup. This may be in the form of Breastfeeding Corner set up in the Child Friendly Spaces
- Support health functionaries in providing mother and child health services in the CFS set up.
- Conduct exclusive one-to-one counselling sessions with pregnant women and lactating mothers (with support of ANM)
- Be on duty throughout camp duration and plan activities according to the situation

3.4 SoP for NGOs/ CBOs/ Pratirodhi Bondhu Volunteers:

3.4.1 SoP for NGOs/CBOs in relief camp management

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Participate in preparedness meetings related to relief camp management conducted by DDMA/SDO (Civil) Revenue Circle Officer • Share list of trained and skilled staff and volunteers who can support in evacuation, rescue of affected people/cattle to designated camps, supporting actions related to food distribution and other support services in camp management • Share with DDMA/SDO (Civil) RCO the details of activities related to disaster preparedness with geographical presence • Share details of any infrastructure and tools (e.g., vehicle, boat etc) of the organization with seat (intake) capacity that can be used as relief camps. • Support Gaon Burah/PRI members/Revenue Circle Officer in identifying appropriate relief camps in hard to reach vulnerable locations • Support in capacity building of stakeholders on various aspects of disaster management including relief camp management • Create awareness among communities on camp location, camp management guidelines, safety protocols and related matters • Be part of the Circle and Village level Evacuation and Rescue Teams • Provide inputs and suggestions in overall preparedness planning for disaster management

Flood Contingency Plan-2026-2027

	<p>including relief camp management at District/Sub-Division/Revenue Circle level</p> <ul style="list-style-type: none"> • Mobilize resources for setting up of camps as per guidelines in hard to reach areas and share plan/information with DDMA/SDO (Civil)/Revenue Circle Officer • Strengthen Inter-Agency Coordination among NGOs/CBOs for coordinated support in relief camp management
During Disaster	<ul style="list-style-type: none"> • As a part of evacuation and rescue teams, support evacuation of affected people/cattle to designated relief camps • Support systematic registration and on-boarding of evacuated people in designated camps • Support operation of child friendly spaces with breast feeding corners in relief camps • Support in queue management, social distancing and other specific actions in camp setting as per guidelines attached as annexure 1 • Conduct targeted risk communication and community engagement activities in relief camps with camp inmates • Support augmenting basic amenities in relief camps • Provide GR through self-mobilized resource to supplement government efforts. Efforts shall be made to ensure no duplication in supplies • Whenever feasible support establishing kitchens for providing culturally appropriate, safe and adequate food for the camp inhabitants. • Support documentation of experiences and lessons learnt including camp level assessments for adherence to guidelines • Support DDMA/SDO (Civil)/Revenue Circle Officer in any other action related to camp management
Post Disaster	<ul style="list-style-type: none"> • Provide a detailed report to the DDMA/SDO (Civil)/Revenue Circle Officer on interventions taken up by the organization in camps/other safe shelters • Conduct lessons learnt meeting with staff and volunteers • Provide feedback to DDMA/SDO (Civil)/Revenue Circle Officer for improving relief camp management process • Contribute towards cleaning, repairing/restoration of any infrastructure damages due to being used as relief camps

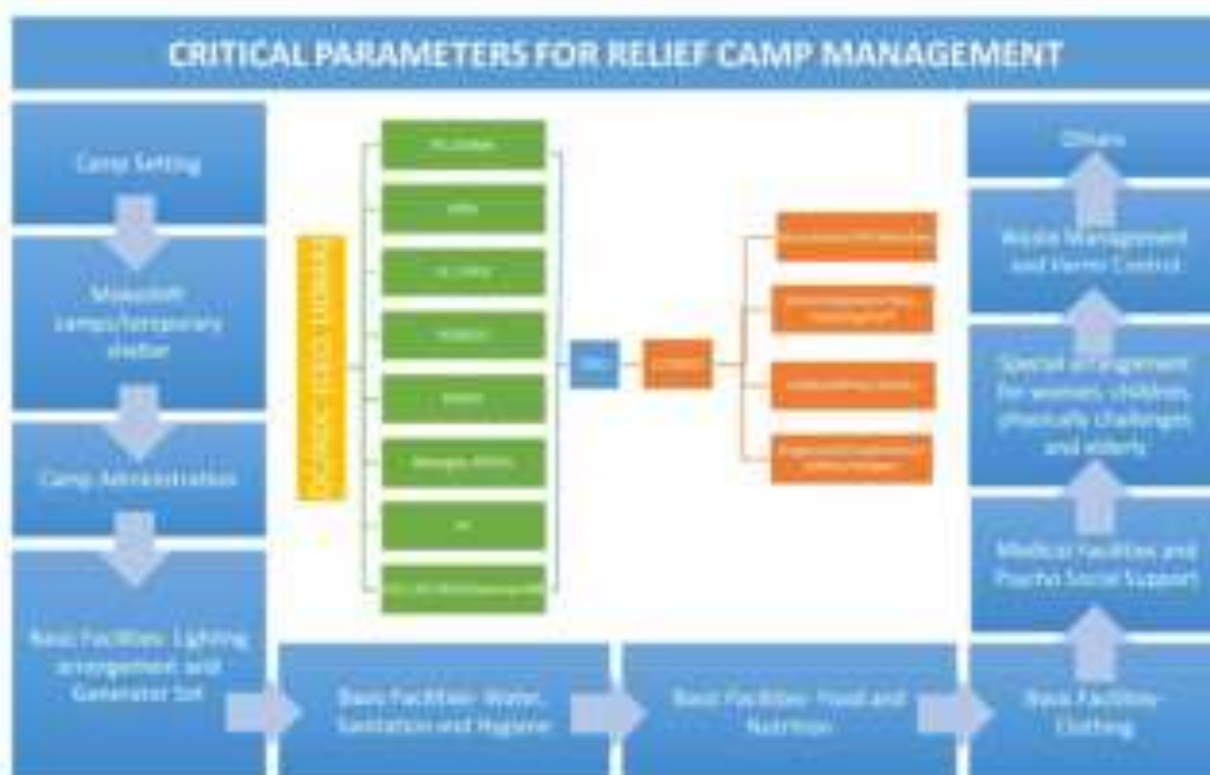

3.4.2 SoP for Volunteers (Pratirodhi Bondhu/ Aapda Mitra volunteers/ NSS/ NCC/ NYK/ Red Cross/SHGs and others)

Phase	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> • Register through appropriate platform of Government with details including period of availability and willingness to contribute towards relief camp management process. • Participate in any orientation/training conducted by government or NGOs related to camp management • Be in contact with Field Officers of DDMA and participate in the camp identification process • Be part of the Revenue Circle/Village level Evacuation and Rescue Teams and understand the roles and responsibilities • Read and understand the relief camp management guidelines and various functions related to camp management • Familiarize yourself with documentation process including camp level registration, family ticketing system, maintaining GR records etc • Collect contact number of relevant officials and nodal officers responsible for providing various category of services in the relief camps
During Disaster	<ul style="list-style-type: none"> • Support camp in-charges in setting up of camps as per specific guidelines • As a part of evacuation and rescue team, support in evacuation and rescue of affected people to designated camps • e-Help desk: e-Help desk should be facilitated in all Operational Relief camps with the help of Pratirodhi Bondhu as counselor/ facilitator. These desks will emphasis on the facilities available on the e-help platform (e.g. Telemedicine, e-pashu etc.), a joint venture of ASDMA and CSC-

Flood Contingency Plan-2026-2027

	<p>SPV, Assam. e-help will arrange the availability of 'Dignity kit' of NDRF at their help desk.</p> <ul style="list-style-type: none"> • Support Camp-in-charge in setting up and manning registration counter and e-help desk • Support maintaining social distancing, promoting hand washing, personal hygiene and other measures as recommended in Annexure 1 • Support during relief distribution including queue management, proper documentation and reporting • Support in conducting various activities with children in child friendly spaces • Take actions to maintain hygiene and safety in camps. • Support in camp closure processes • Provide any other support required by camp-in-charge
Post Disaster	<ul style="list-style-type: none"> • Support cleanliness drive including bringing back the camp infrastructure to its original form for continuing its routine function • Share your experience and learning to DDMA through the Field Officers • Provide feedback based on your learning to improve overall relief camp management process

4. Procedure

5. Component wise Benchmarks

Components	Responsible Departments	Minimum Benchmarks
Administration and Management of Camps	Revenue and DM, Education, P&RD, ULB, APDCL	<ul style="list-style-type: none"> • All affected people have information about the location of camps and have means to reach the location • All camps have necessities and facilities as per the Assam DM Manual, 2015 • All camp inmates are registered and have family tickets updated • Camp register regularly updated and information as per the template shared to Circle Office on daily basis • All camps have lightning arrangement upto toilets and bathrooms.

Flood Contingency Plan-2026-2027

<p>Basic facilities- Water Sanitation and hygiene</p>	<p>Public health engineering, P&RD, Municipal Corporations/ Boards</p>	<ul style="list-style-type: none"> • All activities are well coordinated with relevant stakeholders as per common approaches and standards defined in the Assam DM Manual, 2015 ensuring that all critical WASH gaps and vulnerabilities are identified and addressed without duplication. • All camp inmates have access to portable water (<u>at least 20 litres/person/day</u>) • All camp inmates have access to toilet within 50 Meters from the designated residential spaces • All male and female inmates have access to separate bath rooms in the camps. • All camps have arrangements for management of solid and liquid waste • All camps have clean and functional waste water drainage • Hygiene education and information in general more particularly related to safe and hygienic child-care and feeding practices are provided to all women and child caregivers in the camp. • In all designated child-friendly spaces, 1-2 litres of drinking water per child per day (depending on climate and individual physiology); access to hygienic toilet or latrine squat hole and means handwashing after defecation with soap or an alternative; appropriate hygiene education and information are provided to children, guardians and duty bearers in CFS.
<p>Food security and Nutrition</p>	<p>Social Welfare, Health and Family Welfare, Revenue and DM, Education</p>	<ul style="list-style-type: none"> • Child Friendly Spaces are operational in camps (as per guideline in Annexure-II) • Activities related to nutrition of children and protection of vulnerable groups including children and women are well coordinated with all responsible stakeholders and ensuring that all critical nutrition related gaps and vulnerabilities are identified and addressed without duplication. • All camp inmates have access to food in the camps as per norms • All eligible mothers/lactating mothers in the camps are receiving counselling and guidance on Infant and Young Child Feeding • All children with acute malnutrition in camps receive appropriate care and needed support • Micronutrient needs of all pregnant women/lactating mothers and infant and young children are met with additional sources of micronutrients • All camp inmates have access to information on nutrition in emergencies and various sources of getting nutrition services. • Breastfeeding corners are established in all camps in the designated child friendly spaces
<p>Clothing</p>	<p>Revenue and DM</p>	<ul style="list-style-type: none"> • All inmates having need for climate friendly clothing have been provided with age, gender and size appropriate clothing as per norms
<p>Medical Facilities and Psycho-Social Support</p>	<p>Health and Family Welfare, Social Welfare</p>	<ul style="list-style-type: none"> • Health related activities at camp level are well coordinated with relevant stakeholders at camp, Circle/Block and District level • All camp inmates screened for diseases and necessary medical support provided • All pregnant women, lactating mothers, infant and young children in the camp receive required vaccination and medication including measles vaccine, vitamin A and deworming medication in the relevant age group (as applicable)

Flood Contingency Plan-2026-2027

		<ul style="list-style-type: none"> All camp inmates receive appropriate measures against protection of mosquito and vector borne diseases All camp inmates are given key health education/promotion messages through multiple channels. VHNDs are being held as per routine in the designated child friendly spaces running within the camps
Special provision for protection women, children and elderly	Child Friendly Space (CFS) Education, Social Welfare, PHED, Health and Family Welfare (as per guideline in Annexure-II)	<ul style="list-style-type: none"> All camps have child friendly spaces and all activities in Child Friendly Spaces in the camps are well coordinated with ensuring that all critical education gaps and vulnerabilities are identified and addressed without duplication. Child and adolescent friendly emergency non-formal programmes, including play and early learning for young children, are conducted in all Child Friendly Spaces as per the guideline All child friendly spaces are safe and free from violence, and children, including girls. Other activities including VHND related, breast feeding corner, WASH and Nutrition services and psycho-social care services are provided in a well-coordinated manner in the CFS
	Protection- Social Welfare (DCPU), Police, P&RD, Municipal Corporations/ Boards	<ul style="list-style-type: none"> All children, women and girls are protected and accounted for in the camps Systems are in place in all camps for reporting on grave violations and other serious protection concerns for children and women and are being utilized All camp inmates particularly children have access to psycho-social care support Appropriate care and support being provided to all elderly camp inmates above 60 years of age Systems are in place to prevent and respond to any protection risk including abuse, violence and exploitation of children and women and in camps

6. Expected Outputs

- District and Zonal Relief Camp Management Team
- Improved registration and documentation leading to better strategies for camp management
- Improved coordination among stakeholders for camp management
- Better delivery of services to displaced households during emergencies/disasters and taking shelter
- Improved care of vulnerable groups including women and children displaced during disasters taking shelter in relief camps
- Adherence to global, national and local policy standards
- Integrated service delivery through relief camps during emergencies
- Improved accountability to affected population
- Improved camp management over a period of time

7. Associated Documents

- Assam Disaster Management Manual 2015 (http://asdmr.gov.in/download/assam_disaster_management_manual_2015.pdf)
- State Disaster Response Fund (SDRF) Guidelines (<https://pdrfacts.assam.gov.in/schemes/state-disaster-response-fund-sdrf/>)
- Child Friendly Spaces Guidelines (Notified)

Flood Contingency Plan-2026-2027

Annexure: I

Managing flood relief camps in context of COVID-19 outbreak in Assam

(Notified vide No. RGR/ASDMA.09/2014/323 dated 24th April, 2020)

Assam is approaching flood season. This year the challenge to support those who might get affected due to flood will be even tougher due to the ongoing COVID-19 pandemic across the globe which has also affected Assam. Relief Camp Management Guidelines are included as Appendix-XXXV of the Assam Disaster Management Manual, 2015². In order to be better equipped to deal with flood situation vis-à-vis COVID-19 context, this document has been developed to serve as an addendum. This document will be used by all District Disaster Management Authority (DDMAs), SDO (Civil) and Revenue Circle Officers for management of Relief camps during ensuing flood season.

Major highlights of the addendum to existing Relief Camp Management Guideline are as follows:

- **Relief Camps and Accommodation capacity to be earmarked in advance:** Identify additional relief camps in addition to the existing pre-identify camps as per population density of villages to earmark space for social distancing. Ensure 7 Sq. m. of area per person instead of 3.5 Sq. m. to validate social distancing of at least one meter between any two camp inmates (calculation of intake Capacity of Relief Camps are given in the table next page).
- **Toilets facilities and the populations:** Sufficient Toilet facilities have to be provided in proportionate to the intake camp capacity. Coordinate with PHE Dept. to ensure the same.
- **Ensure sufficient sanitation facility:** Ensure sufficient Hand-wash/soap, sanitizers, masks for the camp inmates. The Relief camp premises should be strictly notified as no-spitting, no-tobacco zone.
- **Medical Support & Health Surveillance Team:** Daily monitoring (in place of weekly) of health condition shall be done by the health team on duty in the camp following all precautions and guidelines. Medical team should be armored with basic PPE for conducting screening during registration process. Pre-identification of the Medical facilities like Ambulances for transportation of infected, isolation facilities nearby etc. In case of sneezing, cough, fever & common cold, immediate medical supervision to be made and he/she may be kept separately as per COVID-19 norms & regulations.
- **e-Help desk:** e-Help desk should be facilitated in all Operational Relief camps with the help of Pratirodhi Bondhu as counselor/ facilitator. These desks will emphasis on the facilities available on the e-help platform (e.g. Telemedicine, e-pashu etc.), a joint venture of ASDMA and CSC-SPV.
- **Pratirodhi Bondhu:** The Revenue Circle Administration may engage Pratirodhi Bondhu volunteers available in the revenue circle as per the guidelines.
- **SOP for relief/cooked food distribution in camps:** SOP should be prepared in collaboration with ASDMA for distribution of relief items/cooked food adhering precautionary measure as per COVID-19 norms & regulations.
- **Arrangement for fodder Livestock:** Pre-identify the highland areas e.g. tea gardens etc. with green grasses for arrangement of the green fodder for livestock of the farmers/ camp inmates.
- **Quarantine/Isolation facility:** Quarantine/isolation facilities may be identified on higher altitudes by the district administration for transfer of COVID-19 suspected cases.

The detailed addenda to existing relief camp management guideline are comprehensively cited in the table below for managing flood relief camp vis-à-vis COVID-19:

PARAMETER	ADDENDUM TO EXISTING RELIEF CAMP MANAGEMENT GUIDELINE
Camp Setting	• Ensure that existing buildings/spaces which are in use as quarantine centers shall not be identified as relief camps

² Assam Disaster Management Manual (2015)

http://adms.gov.in/download/assam_disaster_management_manual_2015.pdf

Flood Contingency Plan-2026-2027

	<ul style="list-style-type: none"> • Notify more number of camps in advance with capacity of accommodation according to population density of villages to earmark space for social distancing. Identify new places for additional Relief Camps in highland areas. If possible draw lines in floor for specific accommodation. (Calculate the intake capacity of the relief camps as: $\text{Intake Capacity of Relief Camp (R.C.)} = \frac{\text{Floor Area of the R.C. (in sq. m.)}}{7 \text{ Sq. m.}}$ • Notify the Relief Camps: Capacity for accommodation adhering to COVID-19 norms & regulations. • Proper calculation of space available and the target population to be shifted to the camp shall be made to avoid over crowding • 7 Sq. m. of covered area per person instead of 3.5 Sq. m. to validate social distancing of at least one meter between any two camp inmates. • Whenever feasible, Separate room for elderly pregnant and lactating women and children upto 6 years should be allocated. • Queue management practice maintaining social distancing • Separate room in a separate building for the home quarantined who might be evacuated during the floods should be identified. Home quarantine guidelines shall be strictly adhered to for the building where home quarantined people are sheltered. http://wadma.gov.in/covid/Govt.%20of%20Assam%20Circular%20ASOMA_Home_quarantine_Ass.pdf
Temporary/ makeshift shelter	<ul style="list-style-type: none"> • If Tents are used for shelter, these should be not erected closely. Minimum 20 meters distance shall be maintained between 2 tents • 7 Sq.m of covered area per person instead of 3.5 Sq m to maintain should be ensured for maintaining a distance of atleast one meter between any two individuals. Efforts shall be made to avoid use of plastics, asbestos etc. in erecting makeshift camps.
Camp Administration	<ul style="list-style-type: none"> • The Camp in-charge will coordinate with Prastodhi Borokhu and e-Help initiatives to facilitate services. • The Relief camp should be strictly notified as no-spitting, no-tobacco zone. • List of camp in-charges shall be prepared and shared with all stakeholders in advance and training to camp in-charge. • Sufficient Toilet facilities have to be provided in proportionate to the Camp capacity. • Mandatory screening of all brought to the camp/seeking shelter in the camp shall be done for any health condition. • Camp register should also maintain separately information about pregnant women, infants, elderly, people with existing health conditions and persons with disability. • People presenting with fever and or fever like symptoms should be immediately segregated and taken for medical care. • If required, such infected/identified persons should be shifted to designated quarantine/isolation facilities within the relief camps or location pre-identified by the district administration. • Immediate information to 104 shall be provided for any case related to COVID-19 in the camp (asymptomatic and symptomatic). • Special accommodation facility for elderly, pregnant lady and PwD (People with Disability) should be arranged. • Each camp should have "Information Board" capturing contact details of key service providers for immediate support displayed in local language and Capacity of the Camp to accommodate inmates adhering the COVID-19 norms & regulations. • Appropriate IEC for prevention of COVID infection to be displayed in local language using pictorial depiction and lesser text.
Basic Facilities	<p><u>Water:</u></p> <ul style="list-style-type: none"> • Disinfection measures for drinking water shall be practiced for water provisioned for drinking to

Flood Contingency Plan-2026-2027

camp inmates.

- Hand washing bay shall be established in each camp with multiple hand washing points at appropriate distance with soap should be provided at entry and exit of camp
- Water shall be made available. Per person availability shall be increased to 30 litre/person/day.

Sanitation:

- All guidelines for sanitation facilities in relief camps should be strictly maintained
- Ensure sufficient Handwash/soap, sanitizers, masks for the camp inmates.
- Cleaning of common spaces shall be done thrice a day particularly handrails, door latches, switches etc. which are frequently touched
- Adequate disinfectant shall be made available in the camp.
- Mosquito control measures to be strictly followed

Food Storage and Distribution:

- Any food item brought to the camp must be sanitized appropriately as per disinfection protocol. All packed items shall be cleaned properly using disinfectants.
- Special care should be taken/ SoP should be prepared for distribution of cooked food adhering to precautionary measure as per COVID-19 norms & regulations.
- Food items provided to young children should follow global infant and young child recommendations, and remain in line with Infant Milk Substitute Act available at: <http://www.fpiu.org/documents/IMI-act.pdf>
- Proper food hygiene should be maintained by cook whether cooking is done family wise or a community kitchen is established.
- Kitchen and food storage area should be sanitized thrice daily and camp inmates shall be sensitized in this regard by camp-incharge/ frontline workers on duty.
- Appropriate IECs on food safety shall be displayed in the cooking and dining area. The IECs are available at: <https://sai.gov.in/cms/coronavirus.php>
- Pregnant women and lactating mothers at the camp should be provided relevant information on covid19, pregnancy, childbirth and breastfeeding.

Clothing:

- Appropriate arrangements shall be made for detergents and washing spaces for camp inmates to maintain cloth hygiene.
- Adequate provision of bed-nets shall be made.

Medical and Psychosocial Support:

- Medical team should be armored with basic PPE for conducting screening during registration process.
- Pre-identification of the Medical facilities like Medical team, Ambulances for transportation of infected, isolation facilities nearby etc.
- Home quarantine people to be shifted to quarantine centers and they shall not be kept in the relief camps.
- Daily monitoring (in place of weekly) of health condition shall be done by the health team on duty in the camp following all precautions and guidelines.
- Any suspected case shall be immediately shifted to designated health facility/ quarantine centre.
- All protocols for safety of camp inmates and staff on duty shall be strictly adhered to.
- All other guidelines in the relief camp management manual regarding medical and psychosocial support shall be implemented.
- Standby arrangements for transportation of symptomatic cases shall be made in all camps with more than 200 inmates (in place of 500)
- Wearing of masks inside the camp may be made compulsory. Sufficient masks may be

Flood Contingency Plan-2026-2027

<p>Special arrangements for Children, women, physically challenged and elderly</p>	<p>provided by the DMAs.</p> <ul style="list-style-type: none"> • Identify and operationalize child friendly spaces for integrated service delivery to women & children. Maintain social distancing in all activities conducted. • Within CFS, ensure learning corners for 3-6 age group children and school children in the age group 06-14 years for engaging them in different learning and recreational activities maintaining social distancing guidelines. • Ensure availability of learning and recreational material (Anganwadi in a box or school in a box) for children in all learning corners. • Teachers and Anganwadi workers designated for Child Friendly Spaces shall take all precautions to keep themselves and the children safe. • Ensure appropriate care of breastfeeding and lactating mothers, promote breastfeeding and ensure access to basic nutrition for both mother and children. Ensure proper care and hygiene is maintained by pregnant women and lactating mothers. Some of the actions for different high risk groups include. <ul style="list-style-type: none"> ○ For under five children, following needs to be provided by the district health authorities: <ul style="list-style-type: none"> • Counselling on age appropriate feeding including exclusive breast feeding (upto 6months) and complementary feeding (6-23months) • IFA syrup for anemia prevention and treatment as per Anemia Muk Bharat guidelines. • ORS packet and zinc as per positioning for treatment of diarrhea. • Provision for regular screening for malnutrition and referrals to health facility ○ For pregnant women, following needs to be provided by the district health authorities: <ul style="list-style-type: none"> • Antenatal check • IFA and calcium supplements • Resting area in relief camp ○ For lactating mothers, following needs to be provided by the district health authorities: <ul style="list-style-type: none"> • IFA and calcium supplements • Breastfeeding counselling and support ○ For elderly persons suffering from any chronic ailments like-hypertension, diabetes, previous lung disease, kidney disease <ul style="list-style-type: none"> • Antihypertensives and antidiabetics • Special attention needs to be provided to the elderly. They should be advised to be away from any sick person. • Information on covid19 and NCDs can be accessed from https://www.who.int/wfd-documents-detail/covid-19-and-ncds • Separate register of under-five children, pregnant women, lactating mothers, elderly (more than 60 years age) and sick persons should be maintained • wherever possible separate arrangements shall be made for accommodation of high-risk population including elderly, ill, pregnant women, lactating mothers, infant and malnourished children etc. • If any of the high-risk groups have any of the COVID symptoms, immediate transfer to designated hospital shall be made • Individual attention shall be given by the frontline workers to these vulnerable groups for ensuring maintenance of appropriate hygiene including proper and frequent hand washing with soap, cough etiquette.
<p>Waste Management & Vermi Control</p>	<ul style="list-style-type: none"> • Closed bins of different colours must be in place in all the camps for disposal of used items • Adequate stock of disinfectants shall be made available in the camps with designated sanitation worker to keep the camp sanitized
<p>Security</p>	<ul style="list-style-type: none"> • Roster based deployment police personal/home guard/VDP with basic PPE shall be made in each identified camp to manage crowd and to ensure decorum and safety. • Police/VDP shall ensure social distancing during all collective process in the camp be it during registration, food/relief distribution and other such activities where crowd may gather • Appropriate planning and demarcations shall be made in advance to ensure social distancing

Flood Contingency Plan-2026-2027

	<ul style="list-style-type: none"> • Proper time planning and shifts shall be identified to ensure proper crowd management
Risk Communication and Community Engagement	<ul style="list-style-type: none"> • All appropriate messages and communications in local languages shall be displayed in appropriate locations in the camp. • As feasible broadcast arrangements through radio/TV shall be made to inform the camp inmates on safety messages and evolving situation • All entitlements of the flood victims shall be displayed in form of a poster in the camps. • Proper feedback shall be collected from camp inmates on their needs and services provided in the camp using the scorecard developed by ASDMA. • Train volunteers/officials to help support with risk communication in the camps and also to capture useful cases, stories and interviews which can support government to act and also provide systematic information to media.
Arrangement for Livestock Closure of the Camp	<ul style="list-style-type: none"> • Pre-identify the highland areas (e.g. Tea Garden etc.) with green grasses for arrangement of the green fodder for livestock of the farmers/ camp inmates. • Before declaring the closure of the camp, inmates shall be asked/allowed to do proper disinfection of their flood affected shelters. • For those families losing their shelters due to flood/erosion (full damaged), appropriate arrangements shall be made.

Flood Contingency Plan-2026-2027

Appendix A- Checklist for Relief Camp Management, DDMA's DDMA's/ SDO (Civil)/ RCO

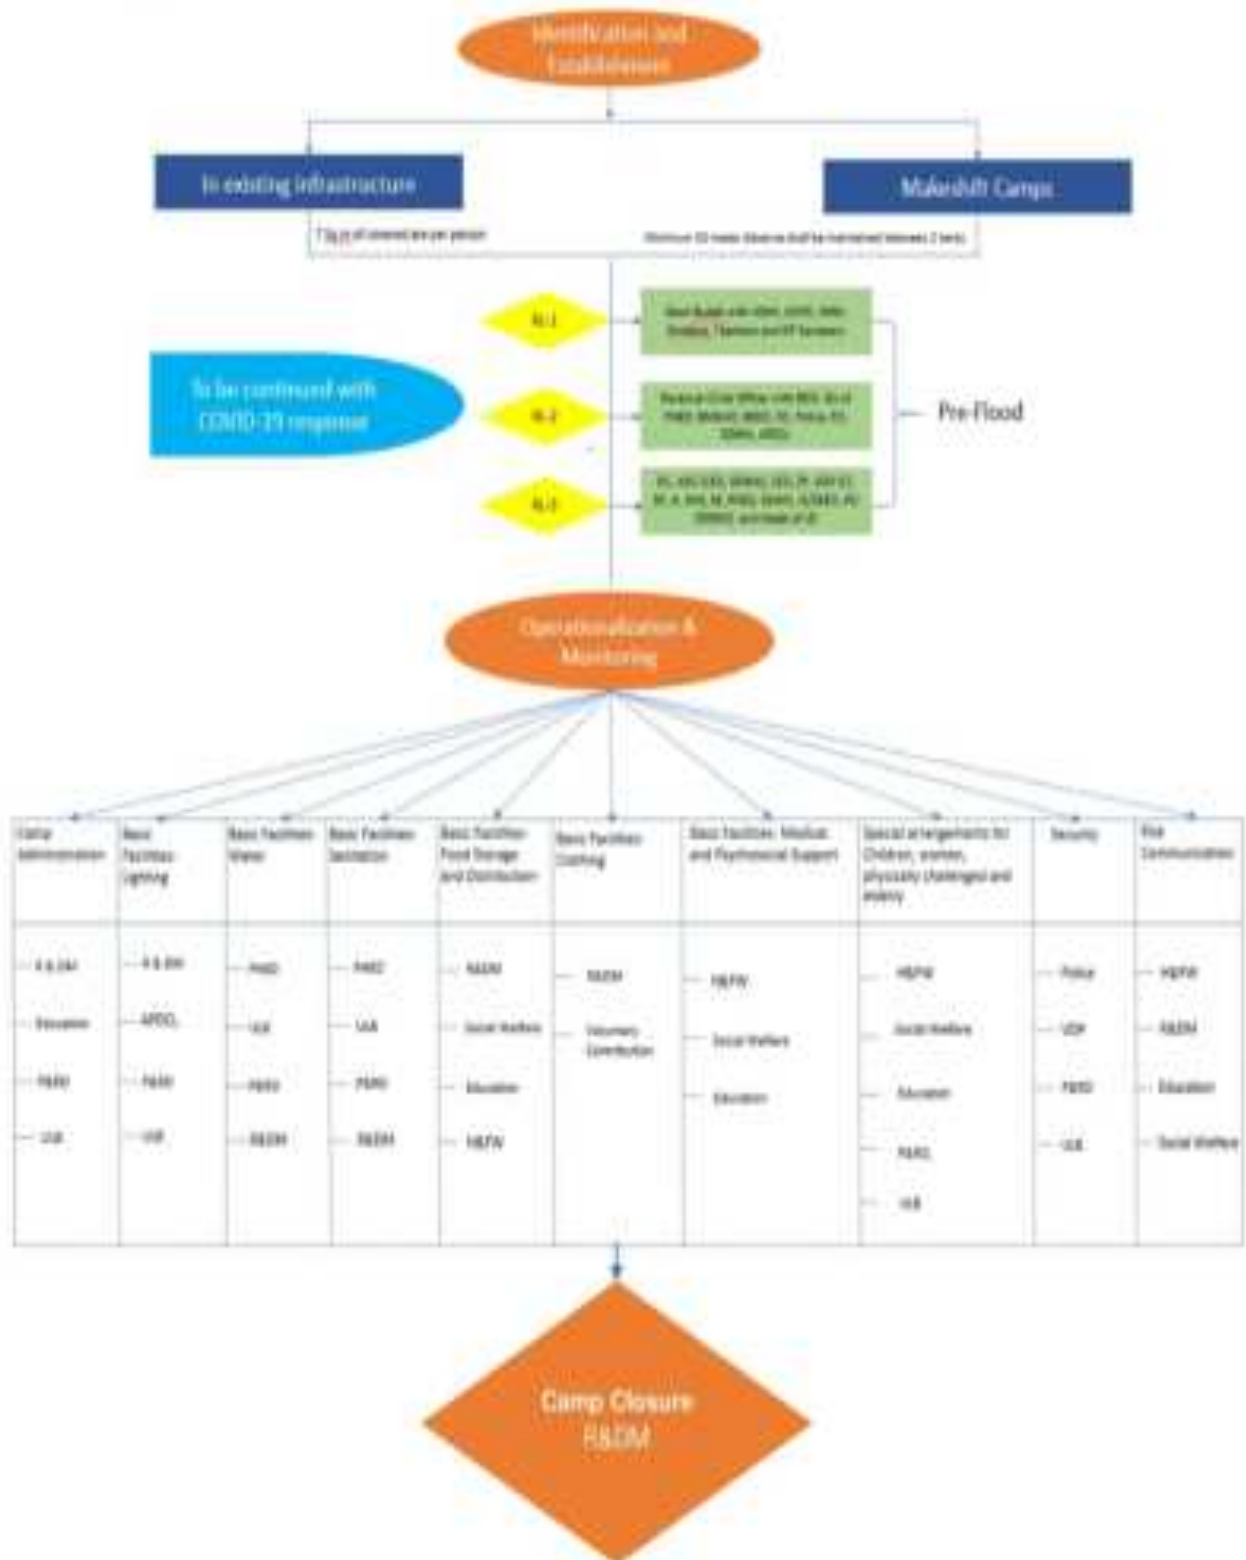

Sl. No.	Action	Timeline	Status (Use ✓ to indicate completion)
Pre-Flood activities to be completed by DDMA's/ SDO (Civil)/ RCO			
1	Revenue Circle wise list of relief camps and accommodation capacity with designated camp in-charges and intake developed/updated and notified	April	
2	Relief Camp wise child friendly spaces identified	April	
3	Letter of communication sent to all departments to ensure compliance to Relief Camp Management Guidelines and the SoP	April	
4	Relief Camp Monitoring team constituted and notified & Training	April	
5	Training of camp in-charge in the wake of COVID-19	April	
6	Departmental list of camp wise designated officials received	April	
7	Department wise one day orientation of designated officials on relief camp management conducted by respective departments	April	
8	Status of preparedness related to relief camp management taken from departments during Pre-Monsoon Preparedness meeting	April	
9	procurement of Gratuitous Relief items (e.g. pre-monsoon for flooding) which will be required for operationalizing relief camps completed (As appropriate)	April	
10	Pre-positioning of essential GR stock and departmental pre-positioning (as appropriate) against identified relief camps in strategic locations completed	April	
11	Mechanism for necessary transportation arrangements (road, water and air) to ensure GR is transported in time to each of the designated camps established	April	
12	Ensure that all measures of social distancing and other added actions as suggested in the addendum are ensured	April	
Actions to be taken At the warning stage by DDMA's/ SDO (Civil)/ RCO			
13	Operational readiness review for relief camps conducted	On receipt of warning	
14	Instruction issued for setting up of camps	On receipt of warning & situational development	
15	Setting up of camps and provisions/functions of responsible departments reviewed	On onset of flooding and evacuation	
16	Setting up of Child-Friendly Spaces and breastfeeding corners in designated camps reviewed		
Actions to be taken during Flood by DDMA's/ SDO (Civil)/ RCO			
17	Relief Camp Monitoring team activated	When camps are operational	
18	Ensuring special care is taken to evacuate home quarantined persons including separate camp arrangements		
19	Camps are safe from all hazards and appropriate protection and vigilance arrangements being made		
20	Real time review conducted with Relief Camp Monitoring Team to ensure: a) Distribution of GR as per norms ensured in each camp b) Lighting arrangement in residential portion, toilets, and approach road ensured in each camp c) Potable water for drinking and other household purposes (at least 30 liters/person/day) ensured in camps. d) Separate, accessible (within 50 meters) and hygienic toilets ensured in camps. e) Hand washing bay with soap are available in the entry and exit. f) Separate bathing units for male and female are available in camps.	Once in every 2/3 days till camps are operational	

Flood Contingency Plan-2026-2027

	<p>g) Separate food arrangements for children, pregnant and lactating women, ill and elderly are made as per need.</p> <p>h) Culturally and age appropriate clothing (if situation warranted) for inmates are arranged in camps.</p> <p>i) Sanitary protection for women and girls is provided.</p> <p>j) Health including regular RCH services, health and hygiene education and psycho-social care arrangements are made in camps.</p> <p>k) Security and protection arrangement including monitoring of situation of women & children as well as breast-feeding spaces are available in camps.</p> <p>l) Waste management facilities are functional in camps</p> <p>m) Operationalization of Child Friendly Spaces and breast feeding corners in all camps</p> <p>n) Relevant SBCC materials in local languages are provided in camps</p> <p>o) Educational and recreational activities in child friendly spaces in camps following social distancing guidelines</p> <p>p) Social distancing in all collective actions.</p> <p>q) Proper disinfection as per guideline.</p> <p>r) Appropriate care and referral of suspected cases</p>		
20	Grievance Redressal mechanism for collecting and addressing feedback/complaints from camp inmates are established and functional at camp level	When camps are operational	
21	Real time instructions/directives to concerned departments to address grievances issued		
22	Real time functional mechanisms for ensuring accountability in camp management are ensured		
23	Closure of the camps declared considering the on-ground situation	Based on situational development	
Actions to be taken post Flood by DDMAa/ SDO (Civil) RCO			
24	Post Operation (Closure of camps) Visits conducted to assess the situation of the camps	10 days after closure	
25	Designated camps (particularly schools) are provided with resources/ support towards cleanliness post closure of the camps	With 20 days of closure	
26	Post closure review meeting conducted to understand challenges, gaps and areas of improvement in camp management	Within 30 days of closure	
27	All related documents (needed for compliance) are properly managed		
28	Departments are instructed to conduct internal debriefing on lessons learnt		

Flood Contingency Plan-2026-2027

Appendix B- Roles and Responsibility Matrix

Child Friendly Spaces in Relief Camps

(Guidelines for operationalization in the context of COVID-19)

CFS is a place designed and operated in a participatory manner where children affected by disasters can be provided with a safe environment, integrated services including play, recreation, education, health, and psychosocial support and/or information about services/supports provided. The purpose of CFSs is to support the resilience and well-being of children through, structured activities conducted by community in a safe, child friendly, and stimulating environment.

District Administration will set up "Child Friendly Spaces (CFS)" in every Relief camp in co-ordination with Line departments and NGOs / civil society organizations. All protocols for COVID-19 containment including safety and security of children will be ensured in CFS

Child Friendly Spaces are a critical and non-negotiable component of relief camp management in Assam. This guidance is set forth to supplement the guidance on flood relief camp management in the context of COVID-19 issued via No. RGR/ASDMA, 09/2014/323 dated 24th April 2020 and the basic guidelines for implementation of Child Friendly Spaces in Emergencies under NSSP, 2016 issued via letter No. ASDMA/101.2017/P/28 dated 5th July 2018. The following needs to be adhered to with regard to Child Friendly Spaces in relief camps in the current scenario:

Phase	Actions to be taken at village level where relief camps are being identified	Responsibility
Pre-Disaster	<ul style="list-style-type: none"> Identify locations within the designated camp boundary or nearby where children can be engaged and supported following social distancing, personal hygiene, cough etiquettes and other COVID-19 precautionary measures 	Gaon Burha/ Mondal with School Safety Focal Point Teacher, ANM, ASHA and AWW, SMC members and PRIs
	<ul style="list-style-type: none"> Create a database of children who will be supported in the identified CFS from the targeted villages to plan for the set up using social distancing 	School Safety Focal Point Teacher and AWW
	<ul style="list-style-type: none"> Identify existing IT assets (e.g., Television/Radio) in schools designated as camps) to use them for remote learning in camps 	
	<ul style="list-style-type: none"> Arrange and wherever feasible basic materials such as tents/tarpaulin, recreational and sports as well as education materials, desired number of masks for children, soaps for handwashing, GR as per norms for children to be provided through CFS with Revenue Circle Officer 	
	<ul style="list-style-type: none"> Identify and map pregnant women, lactating mothers, mal nourished children against identified camps and Child Friendly Space and share the information to camp-in-charge 	ANM, ASHA, AWW
	<ul style="list-style-type: none"> Conduct remote/ face to face (core camp team) pre-flood camp level meeting to plan for services in CFS as per COVID-19 guidelines 	Coordinated by Camp-in-charge
	<ul style="list-style-type: none"> Develop a short and simple routine of various activities to be conducted in the Child Friendly Spaces 	School Safety Focal Point Teacher and AWW
	<ul style="list-style-type: none"> Submit any requirement of tools and materials related to CFS to the Office of the BEED/COPO for onward sharing with RCO/SDO (Civil)ODMA 	
	<ul style="list-style-type: none"> Develop/adapt teaching learning and recreational materials available with the school/ICDS centre for use in the CFS 	
	<ul style="list-style-type: none"> Conduct mock exercises to test how social distancing and other COVID prevention measures can be maintained in child friendly spaces in the camp 	Coordinated by Camp-in-charge

Flood Contingency Plan-2026-2027

During Disaster	<ul style="list-style-type: none"> Ensure space is available for child friendly space in the camp either in a separate room in the relief camp or in open space covered with tarpaulin for both shade and sitting 	Camp-in-charge
	<ul style="list-style-type: none"> Ensure sitting arrangement in a way that it ensures minimum 1-meter distance between two children 	CFS in-charge teacher and AWW
	<ul style="list-style-type: none"> Register all children (0-19), pregnant women and lactating mothers taking shelter in the relief camp for providing services in the CFS 	
	<ul style="list-style-type: none"> Ensure that the activity routine developed before the disaster is being executed with enough scope for educational and other activities with children following social distancing norms. The activities will include: 	
	<p>Age specific food and nutrition services</p> <ul style="list-style-type: none"> Establish and make functional a breastfeeding corner where lactating mothers in the relief camp will be encouraged to feed their children (only 1 mother at a time) Screen height and weight of children (3-6 years) following 1-meter distance and identify children who need additional attention Provide take home ration to children and their mothers as per ICDS norms following 1-meter distance Provide take home ration to school age children as per mid-day meals norm following 1-meter distance 	CFS in-charge teacher and AWW
<p>Health Services</p> <ul style="list-style-type: none"> Conduct routine immunization services and other (Village Health Sanitation & Nutrition Day (VHSND) activities following 1-meter distance between beneficiaries Provide Counselling on age appropriate feeding including exclusive breast feeding and complementary feeding to pregnant and lactating mothers Provide IFA syrup to children as per guidelines Provide ORS packet as per positioning for treatment of diarrhea Conduct Antenatal checkups and provide IFA and calcium supplements to pregnant women as per guidelines Conduct routine check-up and provide IFA and calcium supplements to lactating mothers as per guidelines Provide health education on COVID related issues to children and their mothers Provide sanitary protection support (culturally appropriate) to adolescent girls registered in the CFS 	ANM and ASHA	
<p>Infection Prevention and WASH services</p> <ul style="list-style-type: none"> Demonstrate hand washing steps to children and ensure handwashing with soap on hourly basis to children and women in the CFS. Encourage and guide children to wash hands before and after use of toilet, before and after eating anything Ensure that enough water and soap is available for handwashing near CFS and containers are disinfected/cleaned regularly Ensure that children in CFS have access to safe drinking water and toilet as per guidelines Ensure that everything that is frequently touched in the CFS is disinfected thrice daily Educate children and women in CFS about infection prevention measures to be undertaken by them during their stay at camp and when they go back home 	PHED Khalesi with Gauri Burha and Camp-in-charge	

Flood Contingency Plan-2026-2027

	<p>Education and recreational Services</p> <ul style="list-style-type: none"> Organize children as per age group 3-6 years, 6-14 years and 14-19 years Ensure attendance of children as per the defined age group As per the pre-developed routine, conduct regular classes in a more generic and supplementary manner with special provisions for persons with disability Engage children in quiz, knowledge test games, storytelling, story making and other such interactive activities which require less/no movement and can be done maintaining social distancing Wherever feasible organize radio/television classes or classes through Diksha app among children Facilitate physical activities which do not requiring touching one another and physical distancing can be maintained. School in a Box and Anganwadi in a box concepts shall be implemented as feasible Conduct painting, creative art, singing and such other activities to facilitate their engagement and support them in dealing with emerging stress Observe children who are silent, in fear, shock or anxious and provide them individual care in ventilating their feelings Provide appropriate and timely guidance to children on the existing and emerging scenario Conduct life skills session with focus on adolescents Ensure through regular monitoring of the attendance register that children remain accounted for 	<p>All teachers (in case the relief camp is established in a school)</p> <p>CFS in-charge teachers and AWW</p>
	<p>Protection Services</p> <ul style="list-style-type: none"> Account for any unaccompanied children in the camp Educate children about their safety both online and offline safety during their stay in the relief camp Share regarding the associated risks such as violence, trafficking and abuse that may happen during and after flood and in COVID situation Provide information related to child protection services that are available to support in case of any such issues e.g., ChildLine, DCPU, JJB, CWC etc. Support children in revealing any unwanted experience that they might have experienced in the camp and support them in reporting those. Place a complain box in the CFS or in a strategic location in the camp and encourage children (particularly girls) to report any issue related to abuse. <p>Child Protection Officers/ Committees may check the box regularly for complaints.</p>	<p>CFS in-charge teachers and AWW</p> <p>Village Child Protection Committee (wherever existing)</p>
	<ul style="list-style-type: none"> Compile and submit daily report to camp-in-charge and DDMA on number of children as per age group, sex and disability status catered or provided services in the CFS. 	<p>CFS in-charge teachers and AWW</p>
Post Disaster	<ul style="list-style-type: none"> Compile and submit a detailed report on CFS operation in the camp with summary of attendance, activities conducted etc. Share observations and lessons learnt to BEED's/COPO's office for improvement of CFS in relief camps in future Based on lessons improve provisions in the designated camps for effective operation of CFS in future 	<p>CFS in-charge teachers and AWW</p>

Sub: Relief Camp Management as Assam Disaster Management Manual, 2015 and compliance to SoP

Sir/ Madam,

With reference to the above, this is to inform you that Government of Assam has notified the Relief Camp Management Guidelines (Appendix XXXV - Guideline for Relief Camp Management) under the Assam State Disaster Management Manual 2015 and have issued supplementary Standard Operating Procedures via notification No.

Henceforth, in compliance to the guideline and the SoP and as preparedness to upcoming floods, you are requested ensure the following:

- Designate nodal officers/focal points against identified relief camps and share the same with DDMA/SDO (Civil) and respective Circle Officers
- Conduct one day internal orientation of designated officials on the Relief Camp Management Guidelines (Appendix XXXV - Guideline for Relief Camp Management) and the SoP
- Review preparedness and pre-positioning at strategic locations
- Ensure that designated officials participate in Sub-division level/ Circle level planning and preparedness meetings and coordinate regularly with respective Circle Officers
- Be part of the Relief Camp Joint Monitoring Team and conduct pre-during-post operational visits to selected camps and submit joint monitoring reports
- Ensure that vulnerable groups particularly children, women, disabled, elderly and diseased are paid due attention in the camps
- Plan for and implement actions in relief camps through child friendly spaces to reduce disruption of services particularly child related services.
- Please arrange for 'Know Your Team' initiative for better coordination and concentrated effort.

Flood Contingency Plan-2026-2027

- Ensure that each level official designated under the SoP on Relief Camp Management deliver against their stated role
- Take measures to ensure the following in each designated relief camp
 - o GR as per norms (Revenue Circle in coordination with DDMA)
 - o Lighting arrangement in residential portion, toilets and approach road (PWD-E)
 - o Potable water for drinking and other household purposes (at least 20 liters/person/day) (PHED)
 - o Separate, accessible (within 50 meters) and hygienic toilets (PHED)
 - o Separate bathing units for male and female (PHED)
 - o Separate food arrangements for children, pregnant and lactating women, ill and elderly (Health and Social Welfare)
 - o Culturally and age appropriate clothing (if situation warrants) for inmates (Revenue Circle)
 - o Sanitary protection for women and girls (Health and Family Welfare)
 - o Health including regular RCH services, health and hygiene education and psycho-social care arrangements in camps (Health and Family Welfare, Social Welfare particularly DCPUs)
 - o Security and protection arrangement including monitoring of situation of women and children as well as separate spaces such as breast-feeding spaces in camps (Police, VDPs, DCPUs)
 - o Waste management facilities in camps (Revenue and DM, P&RD and ULBs)
 - o Operationalization of Child Friendly Spaces in all camps (Health and Family Welfare, Social Welfare, Education and PHED)
 - o Relevant SBCC materials in local languages (Health and Family Welfare, Social Welfare, Education)
 - o Educational and recreational activities in camps (Education Department)
- Identification of Additional quarantine and Isolation Centre.

A department wise compliance report may be submitted during the pre-monsoon preparedness meeting.

Yours Sincerely

 District _____
 Mobile No. _____
 No. of Inmates as on date _____

Part II- Detailed Register of the Camp Inmates

Camp # Registration No.	Name of the Family Head	Details of Family Members									Camp Check In Date	Camp Check Out Date
		Children		Adults				Members with Special Need				
		Male (12-14 Years)	Female (12-14 Years)	Male (15-59 Years)	Female (15-59 Years)	Male (60-99 Years)	Female (60-99 Years)	Physically Weak	Learning Matters	Persons with Disability		

- N.B.:**
1. Every Camp in-charge will ensure the display of the Camp Summary in front of the Relief Camp.
 2. Every Camp in-charge/Camp Officer will maintain the Detailed Register of the Camp inmates separately for further actions.

Flood Contingency Plan-2026-2027

SOP for channelling philanthropic supplies in view of flood and landslides in Assam

A. SOP for Philanthropic organizations:

1. Philanthropic Organizations willing to contribute humanitarian aid may contact the ASDMA/DDMA for donation of items.
2. Philanthropic Organizations (INGOs, local NGOs, CBOs, Section 8 companies etc.) will contact toll free number 1077 and commute the non-perishable and perishable items for relief of affected districts.
3. The relief supplies donated by such organizations will be channelized to the affected districts by the ASDMA Headquarter.
4. The SDMA / DDMA will accord approval for donation of items and also choose the affected locations to channelize the supplies.
5. The philanthropic organizations will submit their credentials through a google form provided by the ASDMA. The organization will be guided by the information assistants at DEOC regarding the google form link.
6. The State officials of ASDMA in-charge of the districts will co-ordinate with the philanthropic organizations and the concerned DDMA.
7. The items have to be contributed / donated within 3 days after obtaining approval of the SDMA/ DDMA.
8. The nature of the items should preferably be non-perishable and if any perishable item is being supplied that should meet the required standards and should not exceed the expiry date.
9. The philanthropic organizations will report to the DDMA after distribution of the items.
10. Philanthropic organizations willing to contribute with / without physical presence will have to mandatorily register through the google form provided by ASDMA.
11. Philanthropic organizations from outside Assam will have to send an email to sdma-assam@gov.in and submit the google form provided by ASDMA.

B. SOP for District Disaster Management Authority (DDMA):

1. The DDMA will scrutinize the relief items donated by the philanthropic organizations before distribution.
2. The DDMA will also ensure the quantity and quality of the items supplied by the philanthropic organizations.

Flood Contingency Plan-2026-2027

3. The DDMA will prioritize the locations with maximum affected population in case of channelizing supplies
4. The DDMA will maintain the database of locations / revenue circles where the items are to be supplied
5. In case there is a possibility of conflict in the distribution locations, the DDMA will arrange for security of the members of the philanthropic organizations
6. In case of a landslide / erosion, if there is a breach in connectivity to the distribution locations, the DDMA will take responsibility of distribution of the items donated by the philanthropic organizations
7. Supplies relating to medical aid will be certified by a govt. doctor before distribution. DDMA will entrust this responsibility to the health department.
8. Supplies like halogen (chlorine) tablets will be checked by PHE department before distribution
9. Sanitary supplies like bleaching powders, disinfectants, sanitary napkins etc. will be checked by a PHE / Health officials before distribution
10. Supplies like baby food will be checked by Food safety official / social welfare department before distribution
11. DPO, DDMA will report to ASDMA nodal officer in-charge at the State Headquarter after completion of the distribution activity

C. SOP for Emergency Operation Centre (EOC):

1. The Information Assistant (DEOC) will accept calls through toll free no.1077 from the philanthropic organizations(INGOs, local NGOs, CBOs, Section 8 companies etc.) who are willing to donate relief items for affected population
2. The Information Assistant (DEOC) will provide the information to the philanthropic organizations regarding the google form link which will be available in the ASDMA website
