

Krishi Mapper – NFSM, NMEO, RAD and RKVY
(District Agriculture Office, Morigaon, Assam)

Section	Details
Name of Scheme	Krishi Mapper – NFSM, NMEO, RAD and RKVY
Objectives	Krishi Mapper is a GIS-based IT platform (Web & Mobile App) designed for mapping agricultural land and assets. • Digitally captures farmer details, land boundaries, crop information, and project assets. • Enables farmers, FPCs/FPOs, and officials to track project implementation in real-time. • Strengthens transparency, monitoring, and accountability in centrally and state-sponsored schemes.
Platforms & Scope	Developed to support land, crop, and asset mapping under NFSM, NMEO, RAD, RKVY, and other schemes. Facilitates transparent data collection, digital geo-tagging, and evidence-based governance.
NFSM Integration	The NFSM dashboard captures key metrics such as demonstrations conducted, farmer participation, and mapped field polygons, ensuring accurate monitoring of food security interventions.
RKVY Integration	Under RKVY, geo-tagging of assets and Field Level Demonstrations (FLDs) through Krishi Mapper is mandatory, enabling real-time and transparent tracking of scheme activities and asset creation.
Core Functionality	• Geo-fencing & geo-tagging of land/assets • Digital collection of baseline data (land area, crop type, farmer details) • Mapping of asset polygons for evidence-based monitoring • Ensures data transparency and effective benefit delivery
Services for Farmers	• Land & asset mapping • Real-time project tracking • Transparent and reliable data management
Beneficiary Types	Farmers, FPOs, Agricultural Officials, and Scheme Stakeholders
Digital Access	☐ Portal: www.krishimapper.dac.gov.in ☐ Mobile App: Available on Google Play (Android)
Important Dates	To be notified by the Department of Agriculture & Farmers Welfare
Benefits to District	• Ensures precision and transparency in scheme tracking • Enables real-time monitoring of demonstrations and asset creation • Strengthens e-Governance and grassroots service delivery
Scheme In-Charge	Shri Mehdi Arif Hussain, SDAO (HQ), District Agriculture Office, Morigaon
Contact	Email: dao.morigaonagril@gmail.com , daoatmamorigaona@gmail.com ☎ 9435502922
